BLUE DEVILS ENTER FINALS WITH 7-0 WIN

Injuries Slow Down Plucky Millionaires In Hard Fought Tilt

(By Dick Sheridan)
(Canadian Press Staff Writer)

TORONTO, April 7—(CP)—The Kirkland Lake-Sydney series blew up in the faces of a matinee crowd of 6,135 here Saturday when Blue Devils blasted out a 7-0 triumph to gain Eastern Canada senior hockey finals against Montreal Royals. It was a startling finish to a hard-fought round that went four games before the Maritimers were eliminated.

Millionaires, never strong in manpower at any time, lost two of their players through injuries before the game was half over. These injuries, however, only served to hasten the knockout blow Kirkland Lake was forging at the time.

Before either player left the ice—Ray Powell went out in the first and Jack Fritz midway through the second period—the Ontario champions had grabbed a two-goal lead. Three more tallies in the second and two in the third completed the scoring.

Two brushing games in Ottawa, where the series continued after it opened in Toronto with a 6-3 Kirkland Lake victory, seemed to have taken much from the Millionaires. The first game was a 3-3 tie and the second went to Sydney 1-0.

There was scarcely a moment Saturday when the Millionaires could keep pace with the Blue Devils. Goalie Bill Dickie kept Sydney in the picture with a great display for the first eight minutes. Dick Kowcinak and Bobby Walton then scored within 19 seconds and the result was never in doubt after that.

Stu Smith and Johnny McCreedy each picked up a pair of tallies later in the game while Blink Bellinger also helped himself to one. Sydney had several good scoring chances but even good luck was against them. Jack Atchison hit the post one time and Tony Graboski fired high with an open net yawnin gat him.

Each team had a goal called back in the third period. Just after the session started Bellinger finished off a sustained bombardment of Dickie by poking in a goal. Officials ruled Blink was in the crease and called it back.

In the final minute of the game, Tony Graboski reached into the air and deflected Buddy McEachern's shot into the net. The counter was rubbed out when the referees ruled Tony's stick was above his shoulder on the play.

Bellinger's goal late in the second session was the best of the seven. Kirkland Lake were playing four against five when Blink got through a ganging attack with some tricky stick work. He raced goalward with Remi Vandaele at his heels. The Blue Devil midget finished off the day by drawing Dickie from the net and sliding the puck into a corner.

Atchison, Sydney star in the first game, ran into three first-period penalties and never untracked himself. He was off when Blue Devils rapped in their two quick markers. The teams were at even strength when the second goal was scored because Joe Brown was chased for interference just before Walton got his tally.

Powell was injured when he ran into a skate which opened a gash on his leg that required seven stitches to close. Jack Fritz was cross-checked by Mel Snowdon and retired with a shoulder injury.

The best-of-five series with Royals gets underway here Monday night with the second game going to Montreal.

Glace Bay Intermediates Lose Opener

GLACE BAY, N. S., April 7—(CP)—The speedy Maxville Millionaires defeated Glace Bay Xidos 3-0 Saturday night in the first game of a series for the right to enter the eastern Canadian Intermediate hockey final.

The win established the Ottawa and district champions favorites to take the best-of-three round in straight games. Second meeting will be here on Monday night with a third game, Wednesday if necessary. The winners meet the Ontario Hockey Association champions for the right to move into the Dominion final.

Millionaires took a one-goal lead in the first period last night, added two more in the second and then were content to hold off repeated Glace Bay sorties in the final session.

Lack of polish, particularly around the nets, hampered the mining town team. When they did succeed in getting shots away, Art Duplis in the Maxville goal had little trouble handling them.

Both squads took thinks easy in the early stages of the game, and it wasn't until the 18th minute that Maxville's offensive clicked. Defenceman Don Gamble carried the puck down, but goalie Jack McFayden turned aside his shot.

Providence Reds Win League Championship

PITTSBURGH, April 7—(CP)—Bill MacKenzie's goal with but seven seconds of play left gave Providence Reds the championship of the International-American Hockey League Saturday night as they scored a 4-3 victory over Pittsburgh Hornets for their third successive triumph in the best-of-five playoff series. The Reds won the first two games also by 4-3 scores.

The game-winning goal came when it looked as if the contest would go into "sudden death" overtime.

For more than nine minutes of the first period neither team could get in a thrust. But at 9:18 the Hornets hopped into the lead as Don Metz caged a neat shot.

Fireworks flared in the second period as each team scored twice. The Reds squared the count 30 seconds after play resumed, Hub Wilson flipping in a backhander. Providence took the lead at 13:04 when Wilson whipped a low shot at Goaler Teno who clubbed it aside but Shill came in to knock the puck into the nets.

Two minutes later Pittsburgh tied the score at two-all when Manager Larry Aurie passed far across the ice to Sammy McManus who let fly with a 15-footer which hit the net cleanly. Billy Taylor sent the Hornets into the lead for the last time when he tallied at 16:07 on passes from Metz and McManus.

Providence put on the pressure in the final period and after more than 12 minutes of play Art Giroux knotted the count at 3-3.

Forced To Default

HALIFAX, April 7—(CP)—The Maritimes will be unable to compete in the Eastern Canadian amateur senior basketball championships and will have to default to the Ontario or Quebec team reaching the finals, C. G. Harris, eastern representative of the Canadian Amateur Basketball Association, said here tonight.

Acadia University and Saint John Y. M. C. A. reached the Maritime final. Although finances will not permit either team to continue, efforts are being made now to arrange a Maritime championship series between the two teams at Wolfville, N. S.

Demaret Wins Golf Tourney

By Bill Boni
Associated Press Sports Writer

AUGUSTA, Ga., April 7—(AP)—Jimmy Demaret, who takes everything with a grin, good or bad, broke out one of his extra-special face-wide smiles today when he accepted a cheque for $1,500 that represented victory in the seventh annual Augusta Master's Golf Tournament.

"Laughing Boy," the man who was carrying most of the pressure on this final day of the four-day championship, never showed a trace of strain as he toured the Augusta National Golf Club course in 71, one under par. This gave him a 72-hole total of 280 that was only one shot higher than the record set a year ago by Ralph Guldahl.

While he was playing beautiful golf all the way around—he had 17 pars and one birdie—the lads who had been with him in the race up to the 54-hole mark were folding up all over the lot. Lloyd Mangrum took a two-over-par 74 that gave him second money of $800 on a 284; Craig Wood and Sam Snead, who had been tied at 212, remained that way as they struggle around in 76 each for 288, and Henry Picard, starting the day four strokes back of Demaret, also wound up with 288 on a final-round 75.

This combination of good rounds let four strong finishers come in between Mangrum and the 288 shooters. Open champion Byron Nelson's 70 gave him 285 for third place and $600, while Hary Cooper fired a 70 and home pro Ed Dudley and Willie Goggin of San Francisco each shot 71's, to bracket all three of them at 287.

Intercollegiate UnionRecognizes Records

HALIFAX, N. S., April 7—Records established by two Mount Allison University students were recognized by the Maritime Intercollegiate Athletic Union at a meeting here Saturday.

Bill Crawford of Saint John, N. B., set a new mark of 121.87 feet for the discus throw and Alvin Thompson of Pictou, N. S., established a record of 42.73 feet for the hop-step-jump.

Representatives of 10 Maritime colleges favored a resolution approving the use of two substitutes by teams competing in the intercollegiate rugby games. It was felt that this would lessen the danger of injuries to players.

As the girls have established their own union, it was agreed that M. I. A. U. rules would no longer govern them. The use of 10 ounce gloves competitions was approved and the St. Francis Xavier University representatives announced an invitation intercollegiate track and field meet would be held in Antigonish, N. S., next fall.

Prof. Terry Osborne of Acadia University was elected president. Bob Brodie of Mount Allison is the vice-president and Rev. Everett Grant of St. Thomas College was re-elected secretary-treasurer.

Leafs Nip Rangers In Third Cup Tussle 2-1

TORONTO, April 7—(CP)—Back in the fight for professional hockey's world championship, Toronto Maple Leafs can tie up their Stanley Cup finals with New York Rangers in the fourth game Tuesday.

The Maple Leafs battled from behind to score twice in the third period and defeat the Rangers 2-1 in the third contest of the cup round before the biggest crowd to watch a game here this season, 15,309 customers. The Leafs' chances became almost as good as when the best-of-seven series started, despite the Ranger's victories in the first two meetings at New York, because the remaining games will be played here.

Rookie Hank Goldup, an amateur until this season, fired the winning goal with seven minutes to play while Bob Davidson of Toronto and Bryan Hextall of the Rangers were serving major penalties for fighting. It was the same lean-limbed, 21-year-old Goldup who scored twice in the last game of Toronto's semi-final round with Detroit.

Phil Watson had sent the visitors ahead late in the first period while the teams were playing for a side. He picked up the rubber at centre ice, swept around defenceman Wally Stanowski and let Goalie Turk Broda fall before shooting.

That one-goal margin persisted despite a flood of desperate Toronto attacks in the second. Half of the third had passed, and it seemed the New York methods of check-and-skate would win again, when Gordon Drillon tied the score with a goal that was disputed hotly by the Rangers. Captain Red Horner chased the puck into a corner and relayed it to Sylvanus Apps, who passed to Drillon directly before the net.

The payoff man had merely to flick it past Kerr. Immediately the goaltender and every other Ranger on the ice protested that the puck had been kicked in, but Referee Bill Stewart would hear no part of the argument.

Goldup's goal was the signal for a concerted Ranger attack. With four minutes to play Coach Frank Boucher sent five forwards to the ice and with less than a minute to go he yanked Kerr in favor of a sixth attacker.

Defenceman Bingo Kampman of the home side drew a penalty with 34 seconds to play for tripping Clint Smith but his teammates cleared the puck down the ice twice to beat off the final thrusts.

Lineups:

Rangers	Position	Toronto
Kerr	Goal	Broda
Coulter	Defence	Horner
M. Ptarick		Kampman
Watson	Centre	Apps
Hextall	Wing	Drillon
Hiller	Wing	Davidson

Rangers Subs: Pratt, Heller, N. Colville, M. Colville, Shibicky, Smith, MacDonald, L. Patrick, Pike.

Toronto Subs: Church, Stanowski, Langelle, Marker, Goldup, Heron, N. Metz, Schriner, Chamberlain.

Referee: Bill Stewart; Linesman, Donnie McFadyen.

SUMMARY
First Period

1-Rangers, Watson 18:19
Penalties—Metz (major and minor), N. Colville (major and minor), Heller, Horner, Watson, Davidson, Coulter.

Second Period

Scoring—None
Penalties — Davidson, Hextall, Kampman, MacDonald.

Third Period

Bearcats In Tie With Calgary

SASKATOON, April 7—(CP)—Port Arthur Bearcats were forced to come from behind in overtime to tie Calgary Stampeders 5-5 here Saturday night after leading for more than 55 minutes of the game, second of the best-of-five series for the western Canada senior hockey championship.

Bert Laprade, tall Port Arthur defenceman, batted the puck into the Calgary goal from a faceoff just outside the crease to avoid defeat with only 51 seconds of the extra period remaining. The Allan Cup holders won the first game here Thursday 3-1. The third will be played at Calgary Tuesday.

Edmonton Defeat Kenora Thistles

Yarmouth Wins

YARMOUTH, N. S., April 7—(CP) Yarmouth Academy hoopsters won their third Maritime Interscholastic Basketball title in four years Saturday night as they downed Woodstock High, New Brunswick champions, 46-25 to take a two-game total-point series for the title.

The win gave the Nova Scotia titlists the round by a total score of 72-50. They won 26-25 in the first game here Friday night.

Drillon's Goal Disputed By Rangers

TORONTO, April 7—(CP)—Many more goals may be scored before Toronto Maple Leafs and New York Rangers decide who has the right to the Stanley Cup, but it's doubtful if any of them will create as much argument as the one Gordie Drillon registered when the Leafs won 2-1 here Saturday night.

The counter came when the Rangers were less than 10 minutes from what they hoped would be their third straight victory in the best-of-seven series for world hockey supremacy. Coach Frankie Boucher and Rangers near the play claim Drillon kicked the puck into the net. The Leafs didn't see it that way and neither did referee Bill Stewart nor goal judge Lewis Raycroft of Boston.

"They're the greatest bunch of cry babies in the world," said Coach Dick Irvin in the Toronto dressing room after the game. "Everytime we get a goal they claim there's something wrong with it—I guess we're just not supposed to score. They're not so hot—we beat them with 20-year-old kids like Stanowski and Goldup."
