### OF INTEREST TO TOWN AND COUNTRY.

Holly, mistletoe and Xmas decorations. Last season many were disappointed, they came at the eleventh hour, like unto the virgins of old, seeking oil for their lamps, and behold there was none for them.

We have the holly, we have the green vines, and other holiday decorations, why not secure some now. Holly per lb 40c; for 5 lbs 35c per lb; for 10 lbs 30c per lb no reduction on those prices.

The holiday season most everyone wants some celery. (or should want it) in many places in the country and small towns, celery is not procurable, and for such we are packing up nice (\$1.00) one dollar boxes of celery shipped to any address desirable—(send cash please with order.)

There are also hundreds of rich farmers that have not the time or inclination to grow vegetables, indeed it would not pay them to do so—more money in pork, milk, produce and stock & for them. To such we would say, just call at our daily market and see what a dollar will buy in the vegetable line. The health of your family demand it.

We have still left from our immense importations of onions about 21 tons of the choicest stock. For the balance of this month they go at 10 lbs for 30c. Choice hand-picked beans are high but 10 lbs go for 45c.

Tea—we handle only the famous Haszard's Brand tea if you have not received the genuine Haszards, (we have been fooled ourselves) You are sure of it here. In the vegetable department we have many things, including celery, beets, carrots, parsnips, onions, squashes, pumpkins, etc., not mentioned. Our canned goods include peas, corn, tomatoes, salmon, table syrup, green beans, etc. Some of our own growth and picking of ripe tomatoes left at 85c per doz cans.
