DID YOU SWEAR OFF?

Eating rich dinners or did you decide to use Dodd's Dyspepsia Tablets.

Did you swear off? Did the dark brown taste in your mouth, the feeling of utter discomfort, the weariness that knows no rest, the heavy headache and that sickening at the sight of food tempt you to fore-swear New Year's dinners and New Year's celebration forever?

If you did no one needs to be told you have not used Dodd's Dyspepsia Tablets. Dodd's Dyspepsia Tablets are made just for such cases as yours. They are made to help the overworked stomach. Dodd's Dyspepsia Tablets digest the food almost without assistance from the stomach, and as a consequence, the stomach gets that rest it needs.

You can rest assured that if there were no overworked stomachs there would be no indigestion nor Dyspepsia. Give the stomach a rest. Use Dodd's Dyspepsia Tablets and the pains and aches will depart, the "bloat" will go with them, and you will start the New Year feeling as if life was worth living and you could prove it.

One or two of Dodd's Dyspepsia Tablets taken after each meal is an insurance policy against discomfort.
