Maritime "Big Four" Hockey Teams Swing Into Action Tonight

Tug of War

In spite of muddy roads and a downpour of rain, over seven hundred people gathered in the Montague rink on Thursday night to witness the final pulls for the Grant and Hessian trophies. Competition has been running high between Victoria Cross, Potato Silngers Juniors, Valleyfield West and Cardigan Head (lightweight teams).

The first of these to go into action were Victoria Cross and Cardigan Head. Both teams were evenly matched in their opponents across the line in two straight pulls. The first lasting 14 seconds and the second 38 seconds.

Then came the heavyweight teams—Murray River vs. Kilmuir (champions). Kilmuir won the two straight pulls. First pull took 1 min. 42-3-4 seconds, and the second took 2 min. 7-1-4.

The next pull was between lightweights—Potato Silngers Jrs. vs. Valleyfield West. Potato Silngers won in two straight pulls, the first taking 1 min. 20 secs.

Next came Montague Raz-Mahs vs. Murray River (heavyweights). Murray River won in two straight pulls, 41 3-4 secs, and 1 min. 68 1-4 secs.

Then came the final lightweight pull between Victoria Cross vs. Potato Silngers Jrs. Amid tumultuous cheering they laid hold of the rope. The first pull lasted only 1 min. 26 1-2 secs, and was won by Victoria Cross. The Potato Silngers won the second pull, which decided the King's County Lightweight champions was won by Potato Silngers and lasted for three full minutes. This was one of the finest pulls ever to take place in the Montague rink. Both teams deserve great credit. The losing team was presented with theatre tickets by Mr. Allison McLean for Saturday evening's show. The Potato Silngers were called to the centre of the rink where S. S. Hessian, K. C., will be well chosen to present the Hessian Cup to the champion lightweight team of King's County.

Then the Kilmuir heavyweight team were called to the centre and were presented with the Grant Trophy by Dr. W. Grant. This is the second year for this team to win this much coveted trophy.

Both donors congratulated the management on the splendid success of the tug-of-wars this season and the teams on their fine achievements. Captains of both teams replied fittingly in the following names of those on the winning teams:

Kilmuir: D. McGowan, J. K. McDonald, E. Mathieson, M. McDonald, J. N. McPherson, P. Beaton, D. Bruce, J. McPherson, F. Saunders, Captain.

Potato Silngers, Jrs.: A. McSwain, R. Mellish, G. McDonald, W. McDonald, E. McSwain, W. Campbell, J. McDonald, J. McLeod, Captain, L. Mellish.

Trophies will be on display in the rink on Thursday evening.—H

CANUCKS SHOW FORM AGAINST AMATEURS

Professionals Display Superiority Over Quebec Amateur Clubs.

(C. P. by Guardian's Special Wire) MONTREAL, Nov. 6.—Superiority of professionals over amateurs was again proven here tonight when Montreal Canadiens of the National Hockey League defeated three teams from the senior group of the Quebec Amateur Hockey Association, 5-1, in a charity exhibition game.

Canadiens played one period each against McGill University's championship sextette, Canadiens amateur and Royals. They scored two goals against Canadiens amateur and McGill and one against Royals. The lone amateur counter came from the stick of Paul Arcand, husky defenceman from the amateur Canucks who showed up well in practice with the professionals at their Saint John training camp.

Playing against his old teammates and enemies, Jack McGill, blonde winger who turned professional this year after starring with McGill University last year, was one of the shining lights of the Canucks attack with two goals, one on an assist from Nels Crutcheff, another former collegian in his first season of professional hockey. George Mantia, brilliant left-winger on the Canadiens' second line, tallied two more and the fifth marker came through Joe Lamb, aggressive right-winger who came to Canadiens in a trade with Boston Bruins.

Black Hawks Impressive In Workout

(C. P. by Guardian's Special Wire) ST. LOUIS, Nov. 6.—Here to set the National Hockey League season in motion Thursday night, Chicago's champion Black Hawks flashed impressive form in a brief workout today.

Clem Loughlin chased his Stanley Cup defenders on to the ice before the regular practice session of St. Louis Eagles and their combination flourishes gave the railbirds something to talk about. Howie Morana, Johnny Gottselig and Art Coulter lost no time in counting goals in an intra-team match.

As the Hawks concluded, Coach Eddie Gerard led the Eagles out for a rugged session. There was but one practice for the St. Louis outfit, as against two most other days since they moved here from their former home at Ottawa, Ont.

Orr Calls Off Bout

(C. P. by Guardian's Special Wire) AMHERST, N. S., Nov. 6.—Bobby Orr of Joggins today called off his scheduled fight with Earl Kinsman at Kenville November 12, because it conflicted with his approaching struggle with Bobby Allan of Westville for the Maritime welterweight title. The championship bout will be held November 15 at Amherst.

"Douglas' Egyptian Liniment is especially recommended for spider, or infection of cow's teat. Invaluable also in cases of spavins, curbs and splints.

REMAINS IDENTIFIED

SHELburne, N. S., Nov. 6.—A coroner's jury today returned a verdict that a skeleton found in the woods near here two weeks ago was that of Gordon McGowan of Montreal and that he came to his death by a shot from his own gun.

By knots, his gun and other paraphernalia, Pearl R. Ryer definitely identified the remains as those of the man who went out into the woods three years ago and was never seen alive again.

Along The Sidelines

"BIG FOUR" OPENER TONIGHT

HOCKEY SPRINGS the barrier at the local Forum tonight with the re-organized Abegweit crew taking on Red Sturt's Wolverines. It is the locals' first test and expectant Charlottetown fans, firm in their belief that this is an Abegweit year, are expected to pack the Forum to capacity to watch the Redshirts in action. While it will be the Abbies first game, Wolverines have already shown that they are to be highly reckoned with. Regarded as the weak sisters of the League, in some quarters, the Wolf pack gave the doers a rude awakening on home ice the other night when they turned back the conquerors of Montreal's mighty Hawks, Atlantic City Seagulls, 3 to 1.

On the Halifax lineup tonight will be three faces familiar to Abegweit hockey followers. McGlashen, Bubar and Hudson, former red and black wearers have been acquired by the Halifax team and reports emanating from the home of the Wolves say that these boys are playing the best hockey of their careers. No doubt they will be greeted with a warm reception by the fans tonight as they skate out on the ice in enemy ivory.

BEAVERS TACKLE HAWKS

INTEREST IN New Brunswick will be centered on the home of the Beavers, where the St. John entry will play hosts to the Hawks. Tallenders last year the Benedict team have been greatly strengthened and have shown lots of promise in their workouts. But they will have to be good. Hawks, although losing three of their stars to the ranks of the pros, have still a wealth of hockey material. Besides veterans of the team they have several additions that should fit in well with the black and white team's style of play.

Be that as it may, the two battlefronts should be the scenes of two mighty struggles tonight as the teams start out on the long grind that ultimately leads to the Allan Cup playoffs.

NEW JUNIOR TEAM

PROMISE OF A strong junior league for the coming season was further strengthened lately with the announcement of a new entry to the junior ranks. The team is to be known as the Royals and is being sponsored by Messrs. Johnny Williams, Nels Whitlock and Ev McNeill, all well-known in local sport circles.

THE MOVE is further proof of the hold that the junior leagues are taking in local sport circles, the success of last year's Junior Abegweits, and the great bid of the baseball team for a Maritime title this past summer displaying the talents that exist in the youngsters attending our schools and colleges.

AND BY THE WAY, the Junior Abbies are all set for another year. Rumor has it that they are to take to the ice shortly with a squad just as strong as last year's Quebec-Maritime champions. They have lost some of the players through the age limit but the new additions are considered to be just as good material.

MEETING TONIGHT

IT IS EXPECTED that an Island Association for junior and intermediate hockey will be drawn up at tonight's meeting in the Board Room of the City Building. The meeting is scheduled for 6:30 and anyone interested is asked to attend.

THE FOLLOWING should interest Island readers, as the player mentioned was last year's Abegweit goalie:

Some reporters in England writing of hockey apparently are not well acquainted with the game itself. One writer in his story of a game writes: "Mr. McCann, handsome young Canadian, was awarded for his gentlemanly conduct in refusing to trip an opposing player who was approaching his goal by the cheers of an interested gathering of 12,000 ladies and gentlemen. It is doubtful if the player a severe shaking up and gave the spectators the satisfaction of seeing a remarkable goal scored." The writer, however, showed that he is a lover of clean sport.

LOWER BEDEQUE WINS STRONG-MORRISON CUP

Seven Hundred Enthusiastic Fans See Jenkins Coached Team Capture Trophy.

At the Bedeque rink on Tuesday night before close to seven hundred enthusiastic Tug-of-War fans the Lower Bedeque Tug-of-War squad under Coach Wallie Jenkins won the Strong-Morrison Trophy for the season of 1934 for light weight teams in the Fourth District, Prince County.

It was a fighting determined Lower Bedeque team that took the field in the first tug of the finals. Upper Freetown, under its Captain Fred Paynter and its excellent coach, Rev. Samuel Profit, faced them with grim determination to win. In the first tug which lasted the full three minutes the starting ribbon went back and fourth within a few inches of the starting stick, neither team having much advantage, but the Lower Bedeque seemed to have the edge on the play although pressed hard enough themselves by their opponents. When the referee called time Lower Bedeque had won the pull by slightly over the excitement ran high with both teams fighting for a victory which they did almost to the point of exhaustion of the men and probably never was such excitement seen in the Bedeque rink as when the referee called time at the end of three minutes and declared that Lower Bedeque had won the pull and Trophy by a margin of about eight inches. Both teams were evenly matched in strength, but perhaps the Lower Bedeque team may have done the best work.

At the conclusion Mr. Heath Strong, M.L.A. presented the Trophy to Capt. Emmet McIsaac, of the Lower Bedeque team, complimenting them on their hard fought victory. He also and their stamina and skill. He also referred to the sportsmanlike spirit of the losers and hoped they would have better luck next year. Mr. Hugh Morrison, the other donor of the cup also congratulated the winners on their victory and on behalf of the Upper Freetown team, who had come second in the series, with a \$10.00 prize. North Bedeque, last year winners of the cup and who had come third this year, were presented with a \$5.00 prize. To Nelson Mugev, the organizer of the Lower Bedeque team, a prize of \$6.00 was presented. To Allison Profit, organizer of Upper Freetown, and to Robert \$5.00 was awarded. North Bedeque, organizer of the cup, was awarded a prize of \$4.00 was awarded.

There were also two elimination pulls for the Provincial Trophy. The North Bedeque boys put up a great fight in the absence of their captain, Coach, Mr. Robert Baker. The first pull was won by Carleton in fifty-five seconds. In the second pull North Bedeque held their opponents for the full time of three minutes and won the tug by a few inches. In the final pull Carleton won in fifty seconds.

Next week on a date to be announced the finals for the Provincial Trophy will be pulled in the Bedeque rink, and a big night's sport is being looked forward to.

Officials—Referee, Prof. W. J. Reid; Timer, Theo. Inman; Announcer, Hugh F. Morrison.—S.

SENDS PLEA TO HOCKEY CLUBS

(C. P. by Guardian's Special Wire) AMHERST, N. S., Nov. 5.—Sheriff C. D. Shipley, Secretary of the Maritime Provinces Branch of the Amateur Athletic Union of Canada, sent out his last plea to Maritime Hockey clubs today for information regarding transfers they wish to obtain from the approaching annual meeting of the Canadian Amateur Hockey Association. He leaves for Toronto Monday to represent the Maritime hockeydom at the meeting. Although he made the same request a few days ago, he says he has not received any information from the clubs to date. He anticipates little difficulty in obtaining the transfers.

Dizzy Thinks \$25,000 Fair Contract

(A. P. by Guardian's Special Wire) ST. LOUIS, Mo., Nov. 6.—Their peering highnesses, Dizzy and Daffy, chatted with President Sam Breadon of the world championship Cardinals again today, but negotiations regarding their 1935 contracts were put off until January. "We just talked about other business and didn't get around to contracts," explained Dizzy. Paul was silent.

"Contracts for the Deans will be forwarded to them by mail in January, along with the contracts to other players, which is our usual custom," said Breadon.

Dizzy has let it be known that he regards \$25,000 as a fair salary for 1935, while Paul has hinted at \$15,000. For three years, Dizzy places his worth at \$100,000.

Withdraw From McCurdy Cup Series

FREDERICTON, N. B., Nov. 6.—The University of New Brunswick rugby team, Maritime Inter-Collegiate Champions for 1934-35, will be unable to participate in the McCurdy Cup series under present conditions, the Varsity squad's management announced today. With the date for conclusion of the series set at November 24 by the Maritime Rugby Union, and the possibility that fixtures of the Halifax City League will hold the series open until that date, University authorities advise withdrawal, pointing out that examinations commence early in December. Withdrawal of the red and black squad from competition will leave Fredericton City as the sole New Brunswick aspirants for Maritime senior honours.

Bantamweight Title Bout For Montreal

(C. P. by Guardian's Special Wire) MONTREAL, Nov. 5.—In a rearrangement of bouts for the light card here Thursday, it was announced tonight Lefty Gwynne, Toronto, and Frankie Martin, Montreal, would clash over 10-rounds for the Canadian bantamweight title.

Three 10-rounders are to be staged as part of the elimination series leading to the world bantamweight title. The headline clash is between Joe Tei Korean, and Baby Quintana, Mexico, D.F. Eugene Huat, France, will clash with Nat Liftin, Pittsburgh.

INVESTIGATE OPERATIONS OF FISH INDUSTRY

(C. P. by Guardian's Special Wire) OTTAWA, Nov. 6.—F. A. Nightingale, commission auditor, related further financial operations of the Maritime National Fish Ltd. at the resumed hearing of the mass buying probe this afternoon.

In the fish department, the company had made net sales of \$2,330,980 in 1929; \$2,557,718 in 1930; \$1,782,242 in 1931; \$1,282,254 in 1932 and \$864,028 in 1933, stated the auditor. The closing period in each year was taken as of April 30.

The cost of trawler-caught fish was not fixed on any market basis but was governed by the total cost of trawler operations. The accumulated depreciation on four trawlers amounted to \$299,000.

LABOR COSTS

Figures showed labor costs in 1929 to have been \$282,483, but this dropped in 1933 to \$98,318. In the same period, however, administrative expenses remained stationary in the neighborhood of \$80,000.

Labor cost depended, said Mr. Nightingale, on the volume of operations. If less fish were caught, the labor cost would be smaller although administrative expenses remained. Witness gave figures to show reductions in salaries and wages, the exception being low-paid labor.

In the fish meal and oil division, net sales for Pasterfat Ltd., subsidiary of the Maritime National Fish Ltd., were given by witness. In 1929, \$213,339; in 1930, \$230,407; in 1931, \$193,729; in 1932, \$103,470 and in 1933, \$115,452.

Shack purchases from trawlers were \$29,652 in 1929; \$25,651 in 1930; in 1931, \$34,102; in 1932, \$24,556 and in 1933, \$20,372. Mr. Nightingale told the commission.

Hon. H. H. Stevens questioned the witness if there was any record on the books of the Company showing that any allowances had been made by the concern for any fish that might have been shipped but returned by prospective buyers.

Witness replied there were no such allowances recorded on the Company's books.

Administrative Expenses

Administrative expenses were charged in the fish meal and oil branch of \$36,875 in 1929; \$16,706 in 1930; \$19,900 in 1931; \$4,408 in 1932

Equipoise Wins Gold Trophy

(A. P. by Guardian's Special Wire) NEW YORK, Nov. 6.—Staging one of his sensational stretch finishes, C. V. Whitney's Equipoise brightened an otherwise dreary day as he splashed mud and water in the faces of five rivals to win the Whitney gold trophy, the headline event of the United Hunts one day meeting at Belmont Park today.

The little chestnut, away from the races since last May until he finished third in a six furlong sprint at Narragansett Park last week upheld the confidence of his public which played him heavily at the opening odds of 7 to 10 and finally swamped the bookmakers with so much money that he closed at 11 to 20. Fairenò was second, beating Mrs. James Austin's Mr. Chayyam two lengths for the place. Then trailed Woodward's Plean, G. H. Bostwick's Galabang, and William Ryan's French-bred Audes, the survivors of an overnight field of 16 ridden by scratches.

The victory moved Equipoise \$4,000 closer to Sun Beau's \$100,000, boosting his total earnings for his glamorous year of racing to \$338,450. Sun Beau heads the list with \$376,744.

and \$4,512 in 1933. These items for this branch, said witness, included a portion of the total salaries of executives for the conduct of the entire business of Maritime National Fish Ltd.

In the same year the purchases from the fishermen were in 1928-29, \$3,496 pounds; in 1930, \$1,852,680; in 1931, \$1,744,809; in 1932, \$1,141,209 and in 1933, \$265,572.

That, commented Mr. Sommerville, 70 percent of the 1933 volume was brought in by trawler and the remainder bought from fishermen.

"By your examination of the records have you come to the conclusion which method costs more—catching by trawler or buying from fishermen?" asked chairman W. W. Kennedy.

"It costs more to buy from the fishermen," replied witness.

The Maritime National was formed in 1931 and is owned by the Atlantic Coast Fish Company of the United States. It has several subsidiaries, including the Maritime Fish Corporation, National Fish Company, Limited, Pasterfat Limited, National Laboratories, Prospect Trawlers, Limited and the Golden Ray Fishing Company.

In 1933, the chief executive of the three trawlers averaged \$198 the fishermen, \$1,347 and even the firmen, \$924.

Fishermen who have appeared before the commission have protested the use of trawlers and urged their prohibition. The number was cut in 1927 from 15 to three.

Decrease in Sales

The auditor's report showed the company had decreased its sales but at the same time, cut its expense since 1929. Six executives in 1929 had total salaries of \$65,716 and in 1933, five drew \$30,451.

The auditor figured the average cost of 100 pounds of haddock fillets in 1933, f.o.b., Halifax, was \$9.66 after allowances for salaries, \$3,127. The chief executive of the three trawlers averaged \$198 the fishermen, \$1,347 and even the firmen, \$924.

The net profit per pound, said Mr. Nightingale, for the Halifax plant of Maritime National Fish Ltd., on fresh fish sold was .33 cents in 1929; .86 cents in 1930 and .06 cents in 1931. There was a net loss of .01 cents per pound on fresh fish sold in 1932 and a net loss per pound of .27 cents in 1933, witness said.

The commission will meet again tomorrow.

On August 10, 1876, Alexandra Graham Bell conducted the world's first long distance conversation by telephone over the eight miles between Brantford and Paris, Ontario. At this time, Old Chum was already firmly established as Canada's favourite smoking tobacco.
