TO YOU

OUR PROFESSION

The art of dispensing prescriptions has cost us years of service and study. This is painstaking work and demands the best, our Druggists are giving very careful attention to this work, and is desirous of giving its patrons the best in drugs and service. We have on our records thousands of prescriptions written by physicians everywhere. Have your next prescription professionally dispensed here. Remember, we dispense prescriptions written by any physician. Have the Doctor phone us, or we will call and get your prescriptions. Come to us for the best.

Personals

Mr. H. L. North, of Hamilton, Bermuda, arrived in Charlottetown last night on a combined business and pleasure trip. He will remain here until next week. It is his first visit to the province since 1924.

Miss Margaret Woolner, second year student at Prince of Wales College, is ill at her home at North Rustico. She was a patient in the Prince Edward Island Hospital for a few days and returned to her home early this week. Her friends are pleased to learn that she is convalescing and hope to see her back at class in the near future.

QUICK PEANUT BUTTER COOKIES

This is a very rich well-flavored cookie which will keep nicely for a considerable time if closely stored in a cool place. Remember that in the Summer cookies should not be made up in too great amount since they will go "off" in flavor very quickly in the heat; for that reason you are sure to treasure this very quickly made shortbread-like mixture which requires no rolling but simply sharpening between the palms of the hands.

2-3 cup butter or butter with shortening 1/2 cup peanut butter 1/2 cup each brown sugar and granulated sugar 2 eggs 2 cups (about) sifted flour 1-3 teaspoon salt 2-3 teaspoon baking soda Cream the butter or butter with shortening and blend thoroughly with the peanut butter. Gradually blend in the brown and granulated sugars. Beat eggs until very light and add combining thoroughly. Sift the 2 cups flour with the salt and baking soda and blend gradually into peanut butter mixture; if a hard wheat flour is used, 2 cups should be sufficient—if a pastry flour is used, it may be necessary to work in a little more in order to make a mixture that can be handled in lightly floured hands. Break off dough in pieces about the size of a walnut and roll into balls. Drop on greased pan, 1 inch apart, and press out with the floured tines of a fork. Bake in a moderate oven, 350 degrees F. about 15 minutes.

FOR SALE

Desirable residence, centrally located, very suitable for rooming house as it is fitted with fire-places. Reason for selling too large for present family. Apply Guardian, or Phone 280-J L-6999

Y'S MEN'S CLUB — Last night was ladies night at the Y's Men's Club. The ladies were welcomed by Mr. Jack McNair. Mr. N. D. McLean presided in the absence of President Claude Smith. Mrs. N. D. McLean sang a solo. After the supper meeting guests and Club members were guests of the Y.M.C.A. at bowling.

TRAIN ARRIVED LATE—Heavy winds which made it difficult for the car ferry to leave the pier at Tormentine and dock at Borden delayed the arrival in Charlottetown of the mainland train for more than one hour last evening. The train arrived at 7.30.

TURNIP AND POTATO PRICES—Movement of turnips remains quite heavy with the price remaining at thirteen cents, a bushel, produce dealers said yesterday. Demand for Prince Edward Island potatoes is very weak at present as the Upper Canadian markets are being supplied heavily with local potatoes. The price was weakening in the past week and yesterday's quotations in Charlottetown were from 40 to 45 cents a bushel. Dealers were finding, however, that cars loaded at that price were very difficult to sell. All the potatoes were going to Canadian markets as at the present price it is not possible to send them to United States markets. It is expected that last year's freight rate on turnips to the United States markets will be in effect before long. The present rate is 54 1/2 cents per hundred weight to Boston. The reduced rate in effect last year from the first of September was 39 cents per cwt.

BOY SCOUT PROVINCIAL COUNCIL—A meeting of the Provincial Council of the Boy Scouts Association was held in the City Chambers yesterday afternoon. Provincial President Mr. L. D. Murray in the chair. It was decided to form a Provincial Executive Committee to meet on the first Monday of each month; and a committee consisting of the Provincial Commissioner, Mr. J. J. Morris, Messrs. K. M. Martin, K.C., E. J. Mitchell, R. C. Parent, and J. R. Burnett was appointed to draft a constitution. A Badge Band was approved of for each County, the respective chairmen to be Mr. W. Warren, Queens; E. J. Hallett, Prince, and W. S. MacLagan, Kings. Saturday, November 14th was approved of for the annual Scout Apple Day on the recommendation of a committee consisting of Messrs. Brady, Warren and Parent. Commissioner Morris reported on the progress of the extension work since the arrival of Mr. Mitchell and said the Field Commissioner intended visiting Summerside Friday.

SHE DREADED GOING UPSTAIRS

Woman's Fear of Rheumatic Pains

One of the many troubles that afflict rheumatic sufferers is that of getting up and down stairs. Such was the case with this woman, before she started taking Kruschen, but now she finds it no trouble. Read what she says: "I have been taking Kruschen now for over 12 months, a half-teaspoonful in hot water first thing in the morning and I feel a new woman. I had very painful rheumatism in my knees and back and also my head was getting very bad. I used to dread walking upstairs now I am very thankful to say it is no trouble at all and I scarcely have any pains. I feel better health than I have done for years." (Mrs.) G. M.

Two of the ingredients of Kruschen Salts are notable for their power in dissolving uric acid. Other ingredients of Kruschen assist Nature to expel the dissolved acid from the system.

Returned From Interesting U. S. Visit

Mr. and Mrs. W. O. Fyfe of Charlottetown, have returned from a most enjoyable trip to Salisbury, Md., and Washington, D.C., with its lovely southern hospitality which the southern people are noted for. They made the Islanders feel right at home, wishing their stay could have been longer. The beautiful well kept town of twelve thousand and with its lovely surrounding apple orchards, grape arbors and tomato fields for miles was a sight worth going far to behold. It was seed time and harvest, harvest twice a year.

On their trip to New York the visitors had the pleasure of attending Sunday morning service at the Twelfth Avenue Presbyterian Church, the minister of which is one of our Island products. Mr. Fyfe continues his account as follows: "We were sorry we did not see him. The deacons were very kind in showing us all over the church that has a seating capacity of 2300. The interior is beautiful in its simplicity. The Rev. Lockhart Cameron was the presiding pastor for the day, and he impressed me very much with his sermon. One remark he made was that we could stand to be ridiculed but not laughed at. But they laughed at Jesus and who are we that we can't stand to be laughed at for his sake?"

"Our trip to Washington is one long to be remembered, one of the cleanest cities of the United States with its beautiful buildings of white stone and marble it impresses one very much. Our sight-seeing car took us through fashionable Sixteenth Street, formerly known as "The Avenue of the Presidents" Washington's finest boulevard, along which are located the homes of Washington's aristocracy, and many foreign embassies and legations including those of France, Spain, Cuba, Poland and Italy, and the Canadian Legation with its coat of arms over the door way, and to say I was proud I was a Canadian and of my country when I heard it called is putting it mildly. Leaving Sixteenth Street we enter the National Zoological Park crossing Rock Creek in which Robert Fulton tested the model of the first steamship, "The Clarendon", over the Tuff memorial bridge, through historic Georgetown, passing the homes of such celebrities as the late Woodrow Wilson, Herbert Hoover, the late Chief Justice Taft, the old home of Francis Scott Key, author of "The Star Spangled Banner" and General Washington's headquarters while surveying for the city of Washington. Then at Georgetown is the oldest Jesuit institution in the United States.

"We cross the historic Potomac River over the Key memorial bridge into the State of Virginia. We then proceed some miles along the military road through Fort Myer, thence to Arlington Cemetery the National burying ground where eleven thousand five hundred souls await the great resurrection call. The next point of interest is the old home of Robert E. Lee, a magnificent southern home with its beautiful columns all around and furnished with priceless antiques. We were taken also through the slaves quarters. The plantation had about one hundred and fifty slaves to do the work. We also saw the auction block where they used to sell the slaves to the highest bidder but, thank God, Abraham Lincoln set them free.

"We returned to Washington via the New Arlington Memorial Bridge passing the Lincoln Memorial, which is surrounded with thirty-six columns representing the thirty-six states, and the late President sitting on a large chair in between the columns. A beautiful memorial to a great man who said "I will prepare myself and when my time comes I will be ready."

"Returning to Washington via Arlington's wireless towers you see the most powerful wireless on the Atlantic seaboard. Also we saw the mast and crow's nest of the Maine of Manila Bay fame. The end of a perfect day was passed going through the Library of Congress with its beautiful architecture and mural paintings, old manuscripts, and pictures of eminent men, including our own dear Lloyd George with its smiling face, and it brought to a close a trip long to be remembered."

BIRTHS

MACDONALD—At Churchill, P.E.I. on September 25, 1936, to Mr. and Mrs. Percy MacDonald, a daughter.

Burnett; Piano, Miss Sue Brenton. Junior Ensemble: George Brown, Mary MacKay, Jean MacKay, Nan Reay, Betty Bruce, Douglas MacDonald, Catherine Paton.

ENJOYABLE RECITAL LAST NIGHT

Delightful Musical Programme by Violin Students and Orchestra.

A large and appreciative audience enjoyed two hours of delightful musical entertainment at the Little Theatre Guild Playhouse last night, the occasion being Mr. Harry Gomez Students' Recital and Orchestral Concert. From the opening orchestral number "O Canada" to the finale every number on the long and varied programme was received with warm applause. And it was evident from the start that the performers, young and old, enjoyed themselves quite as much as did the audience.

Months of painstaking practice must have been devoted to achieving the satisfying interpretations which the orchestra under Mr. Gomez's direction gave of such compositions as "In a Monastery Garden", Schubert's "Ave Maria", the Largo movement from Dvorak's "New World Symphony", the rousing marches of Sousa and the sustained accompaniment to "Cavatina" and Rode's Concerto No. 4. The violin soloists in the two latter pieces, Miss Minnie Leavitt and Mr. Judson Logan respectively, gave brilliant performances.

The younger students performed charmingly in string solos, trio, quartette and ensemble, showing not only a sense of melody and rhythm but a truly remarkable facility in the shaping and turning of phrases. The beautiful trio number by Haydn, with the little artists appropriately dressed in 18th century costume, was particularly enjoyed. They played, one and all, without the slightest hesitancy.

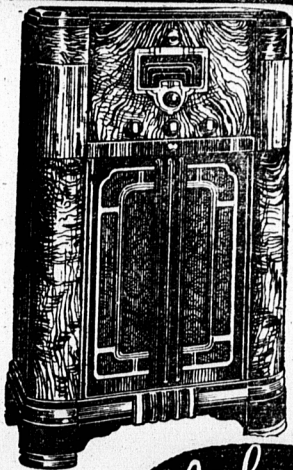

Mr. Gomez has indeed proved, if proof were necessary, that Charlottetown possesses a wealth of musical talent, and that children will take as readily to the violin or cello as to any other musical instrument, if properly trained and encouraged.

Following was the programme: Orchestra—O Canada. Orchestra—High School Cadets. (Sousa). Ensemble—Iphigenia In Tauris. (Gluck). Violin Solo—Meditation. (Gounod)—Ethel Roper. Quartette—Andante. (Gluck)—Mary MacKay, Alma Gomez, Jean MacKay, Norma Gomez. Violin Solo—Minuet in G. (Beethoven)—Jean MacKay. Trio—Rondo. (Haydn)—Mary Mackay, Norma Gomez, Audrey Gillis. Violin Solo—Cradle Song. (Hauser)—Alma Gomez. Orchestra—In a Monastery Garden. (Ketelley). Violin Solo—Spring Song. (Mendelssohn)—George Brown. Orchestra—Ave Maria. (Schubert). Cello Solo—Aria from Samson and Delilah. (Saint-Saens)—Norma Gomez. Violin Solo—Allegro. (Plocco)—Mary MacKay. Orchestra—New World Symphony. (Dvorak). Violin Solo—Cavatina. (Raff)—Minnie Leavitt. Violin Solo—Concerto No. 4. (Rode)—Judson Logan. Orchestra—The Thunderer. (Sousa). God Save the King. The orchestra members were: 1st violin, Miss Minnie Leavitt, Mr. Judson Logan, Mrs. Neil MacLean, Miss Nan Reay; 2nd violin, Mr. Kenneth Richards, Miss Helen Wood, Mary and Jean MacKay; Cellos, Mrs. Harry Gomez, Norma Gomez; Clarinets, Messrs. John Denny, Sydney Kennedy; Trumpet, Mr. Russel Carr; Drums, Mr. Niall

WOMEN EVERYWHERE Are Talking About The New EXQUISITE STYLE of RCA VICTOR RADIOS!

G.H. TAYLOR'S JEWELRY STORE SWEEP BY FIRE

Explosion of an oil stove in the workroom of G. H. Taylor's Jewelry store, Grafton St., yesterday morning caused a fire that swept through the premises, causing heavy damage to the building and to the stock.

Mr. R. G. Taylor was burned about the face when he remained in the blazing building to close the doors of a large safe in that way saving much valuable goods belonging to the firm and the customers.

Miss Eula Jenkins, at work in the office of J. D. Jenkins and Company, facing the rear of the Taylor establishment, noticed the flash of fire, followed by billowing smoke. She immediately rang in an alarm and the fire equipment was rushed to the scene.

Firemen entered the front and rear, spraying streams of water into the dense clouds of smoke and the flames.

Silverware, jewelry, and clocks on the shelves and on display in the front windows of the Taylor store were almost completely destroyed by smoke and water. In the rear shop considerable stock was destroyed.

The oil stove was being used temporarily to heat the store while repairs were being made to the furnace.

No estimate of damage has as yet been made. The firm have established temporary offices in the Phillips Building.

IN MEMORIAM

In loving memory of MR. SAMUEL ABBOT Died Oct. 2nd, 1935. Our lips cannot speak how we love him Our hearts know not what to say, For God alone knows how we miss him. As we journey along life's way, Loving and thoughtful always, Cheerful right to the end, A kind and loving father And to all who knew him a friend. Inserted by wife and family. L-6956-10-2-1-1.
