DOWN THE BACK STRETCH

Had a telephone conservation with **Harry O'Brien** yesterday regarding the races at his track, Alberton, July 14th. Harry is as happy as a lark because every class is filled, with more entries coming in today and Monday's mail. The 2.17 Class will have a snappy bunch of fast side-wheelers, with one trotter, Miss McTyre, 2.12, to give the pacers an argument. She and Starrett Volo have been brought over by G. O. Hankinson of Middleton, N. S. **The Starrett horse will start in the 2.17 class.**

Johnny Conroy likes the look of Alberton track very much and no doubt has visions of breaking the track record of 2.11 set up by McElwyn the Great last July. Hanover Courier came out of his race at Summerside in tip top form, is better gaited than ever and altogether a most promising horse. Trixie Volo 2.11, with changes made in her shoeing, is a much improved pacer. These with Peter Reaper 2.07½ and one or two others will make up the 2.17 class.

For the 2.21 Class there will be Josie the Great 2.13¼, Bud Cope 2.12¼, Babe McElwyn 2.10¼, and several others. Babe McElwyn is being sent over by J. M. Alexander, Saint John, N. B., who is also starting Squire Hanover in the 2.27 Class. A full list of entries for Harry's races will appear in this paper Monday morning.

George McIntyre has announced August 4th as the date of his annual big race meet at Montague. There will be four classes and from the correspondence received by George, he will have no difficulty to accommodate all those who wish to race with him. Montague track, always fast, will be improved still more this year, so that the pacing record of 2.07¼, set up by Patrick Direct, and the trotting mark of 2.08¼—which is also the Provincial record—made by Heatherbell last year, may go by the boards.

Follow Up, by Volomite out of Gaiety Guy, dam of Lusty Frisco 2.07¼, owned by C. H. Chandler, City, is trotting great guns on the Grand Circuit, and recently took a record of 2.06.

Just as they were ready to consign The Great Volo 2.02½, full brother of Peter Volo 2.02, to the discard as a sire, his colts have begun to show up in no uncertain manner in races over mile and half-mile rings this season. Essie Hanover, a two-year-old trotter by him, has won five races out of six starts on the Penn-Jersey Circuit and taken a record of 2.13.

Two full sisters, very promising trotters, were put out of commission recently. Elaine Hanover 2.09¼ one of the new 2:10 trotters dropped dead, and her three-year-old sister Arlene Hanover—also with a record of 2.10—fractured her ankle bone after winning a heat in that notch at Flemington, N. J., last Saturday.

Walter Cox, who twenty years ago had the largest stable on the Grand Circuit, and was credited with winnings of over $100,000 in a campaign, has only eight head on the Grand Circuit this season. They are Highland Prince 2.07, Steadfast 2.09½, Masterpiece 2.10¾, Lauburn 2.05¾, Prince Laurel 2.09¾, Justice 2.16 and the two-year-olds McLin 2.16½ and Esther Mite 2.15.

"Red" Hanafin, well known locally, is meeting with quite a bit of success this season. The other day he won with the converted pacer Calumet Dubuque in 2.08½, thereby placing him in the 2.10 list as a trotter.

Information from Halifax is to the effect that Abner T. Clegg 2.04¼, purchased two weeks before the Provincial Exhibition at Charlottetown in 1935 and a winner there that year, is training in great form for owner Frank Adams at Halifax. He has won two races this year in two starts, which has changed his eligibility from a 2.16 pacer to a 2.15 pacer. Should there be an opportunity to race him at Montague, Mr. Adams will send him here for the August 4th event.

Royal Hanover 2.04¼, now in the ownership of Mrs. Charles Ballard, was not raced by Billy Hood last week at North Sydney; instead Ollie Rudderham was up behind the fleet Maine pacer when he showed his heels to Signal Senator 2.08¼, Patrick Direct 2.07¾ and Guy Britton 2.09¼. Marjorie M. had very little difficulty in disposing of Hunter Hedgewood, The Great Guy and Calumet Brownie in the Free-for-All.

The surprise of the afternoon was the defeat of Quaker Girl in the 2.17 Trot and Pace by Calumet Duke, who was 1-1-1, best time 2.13¼. Sully, Mrs. Ballard's good four-year-old, was second in the last heat. Dudy Patch, which H. M. Sweeney purchased in Ontario just prior to Fredericton Exhibition last fall, had a summary of 1-5-5. This pacer has terrific speed but seems to get tangled up and lose his bearings. If he ever straightens away he is better than a 2.10 pacer.

D. W. Griffiths, who was known to hundreds of horsemen as Secretary of the Fredericton Exhibition, has recently resigned that position. Dave spent five weeks in the Montreal General Hospital April, May and June and is still somewhat under the weather but back to work as Publicity Agent for New Brunswick. In the writer's opinion the Fredericton Exhibition management will find great difficulty in filling Mr. Griffith's shoes, because his popularity was unbounded. His many friends in this province hope that he will soon be restored to health and strength.

Strathroy, Ontario, had the most exciting race-day in its history on July 1st, when a record crowd saw the local track record lowered a full 2½ seconds in one of the finest race programs held in twenty years of racing. The old record stood at 2.08, but it was broken five times during the twelve heats of the afternoon. The new record of 2.05½ was set by Grattan Axworthy in the first heat of the Free-for-All, then Tom Grattan went on to win the next two heats in 2.06½ and 2.06, both shattering the old record. Again in the 2.19 class the four-year-old pacer Leah Guy stepped the second heat in 2.07½, a half-second better than the old record, and finally Simcoe Harvester, a 2.25 class pacer that has shown sensational form in his six starts this year—five of them wins—tramped the third heat of his class in 2.07. Such extraordinary time was no doubt partly due to great improvements that have been made to the track this spring. The writer well remembers Strathroy track, having timed Grattan Bars a mile in 2.12½ over it the year prior to his sensational racing on the Grand Circuit where he won two $25,000 stakes and took a record of 1.59¼.

Hon. W. E. Rowe, Leader of the Opposition in the Ontario Legislature, won the 2.17 Pace with his Peter Chilcoot 2.06½ at Orangeville, July 1st. There were seven starters, but Peter was 1-1-1, best time in 2.13, the fastest of the meeting.

Lots of horses are condemned as poor feeders unjustly. An instance occurred a couple of weeks ago when a race horse arrived here that turned up his nose when the feed box was passed to him. He would munch a bit, then take a tour around the stall and appear indifferent to his grub. Dr. J. M. Nicholson was called in and pronounced his teeth in terrible condition. Two treatments by the Doctor converted the poor feeder into a good one. He is steadily taking on flesh and perhaps his racing career may be greatly improved by the attention paid to his teeth.

Below appears a summary of a matinee race held at the Charlottetown track, July 12th, 1922, handed in by Dr. J. M. Nicholson. Prominent winners were the late Henry Hooper with Brenton H., and the late Hammond Kelly, who won a heat in the same race with Natalie Aquilan. Herb Campbell—now retired from the game—won the Class C Trot with Stella Todd after The Pup, driven by Hammond Kelly, had won the first heat. The Pup was afterwards owned by Herb and became a great favorite with racegoers.

Rovers Again In Tie For League Lead

Winding up a heavy hitting attack with a 6-hit 7-run outburst in the first half of the ninth inning Ev. McNeills Rovers last night again advanced into a tie with the Artillery squad for first place in the City Softball League by beating an unsteady Superior's team 17 to 5.

Taking a 4-1 lead in the third Rovers were never headed afterward. Damaging errors by their opponents gave the winners a 10-4 lead going into the ninth and there was no denying the authenticity of the Rovers last inning attack.

Aubin Blacquiere provided the hitting features of the game slamming out two terrific home runs in the fifth and seventh with Ev. McNeill accounting for the third round-tripper of the encounter in the winner's ninth-inning uprising.

Halifax Girl Track Star Equals Record

SAINT JOHN, N. B., July 9—record of 11 seconds for the 100 yards dash was equalled by fleet Aileen Meagher, Halifax, this evening when the Maritime zone trials for the British Empire Games opened here in fine weather with the K-Club track and field in good condition.

The Maritime men's track and field meet started at the same time. Men's trials for the Empire Games will be held here later this summer. Twelve finals were completed tonight, as well as yats and preliminaries in other events, and both meets will continue tomorrow afternoon.

Miss Meagher, one of Canada's outstanding athletes, will compete in the 100 yards final tomorrow against Theresa Jemmott, Frances Lutz and May Blakeney, all of Halifax. Evelyn Jemmott and Vivian Graham, also of Halifax, won their heats in the 60-yard sprint.

A feature of men's events were victories by Roy MacKenzie, young star from Pictou Academy in Nova Scotia, and Six Neilson, Mount Allison University flash, in the 100 and 220 yard dashes. In the finals tomorrow they will race with Allen Hubley, Halifax, Eric Forbes, Halifax, and Paul Agar, Saint John.

The times of MacKenzie and Neilson were slower than the Maritime records set by Pearson at Halifax in 1933.

The Halifax team of girl athletes made a strong showing. Margarette Taylor won the discus final with a throw of 69 feet, 3 1-2 inches, and the three junior girls' finals tonight were won by Haligonians—javelin, Frances Lutz; 60-yard dash, May Blakeney, and baseball throw, Joyce Lockwood.

George Walters, husky entrant from Lunenburg, captured the men's javelin event but did not better than third place in the shot put, won by E. B. McLean, Saint John.

Eric Forbes, Halifax broad jump champion who leaps 22 feet here last year, won this event tonight with a jump of 21 feet 5 3-4 inches.

Sole entrant in the mile run was Bill Neely, Saint John, who made the good time of 4 minutes 47 2-5 seconds. He won the half-mile run, with Saint John athletes finishing second and third.

Leo Kelly Wins Decision Over Billy Holm

CAMPBELLTON, N. B., July 9—(CP)—Leo Kelly, Charlottetown, weighing 165, gained a ten-round decision over Billy Holm, 165, Springhill, N. S., in a well fought match headlining a boxing card here tonight.

Kelly was given four rounds and four were considered even. The Charlottetown fighter proved superior as a boxer but Holm's slugging style pleased the fans.

OTTAWA, July 9—(CP)—Montreal's Bob Murray and Ross Wilson of Toronto advanced today to the finals of the Ontario tennis championships.

Henry Cotton Races From Behind In Wild Storm To Win British Open Title

BY SCOTTY RESTON
Associated Press Sports Writer

CARNOUSTIE, Scotland, July 9—Tall Henry Cotton, sloughing his way through as wild a storm as ever blew in off the Irish coast, came from behind today to win the British open golf championship with a 72-hole score of 290.

Favored to win, the Briton tourned Carnoustie's vast, rain-sodden distances in 73-71, 144, only three over par, on his last two rounds to overtake his countryman, Reginald Whitcombe, and score his second win in three years.

Cotton gave one of the greatest exhibitions of chipping ever seen in a major championship to pass Whitcombe, who took a 76 on his last round and finished in second place with 292.

There was no doubt of Britain's supremacy on this final day. Charley Lacy, the big, blond United States professional who placed third, a shot behind Reg Whitcombe, learned his golf in England before going to the United States 12 years ago.

The first native American in the field was Byron Nelson, at Reading, Pa. Nelson finished fifth, six shots behind Cotton at 296.

In fourth place, with 294, was Charles Whitcombe, captain of the British Ryder Cuppers and older brother of Reggie.

One shot back of Nelson came Ed Dudley, who stood atop the field at the end of the first day and was two shots away this morning. The Georgian shot himself out of the running with a 78 on his third round.

Alf Padgham, winner in 1936, was a stroke further away, tied with Arthur Lacey, brother of Charles and a member of the British Ryder Cup squad, and Bill Laidlaw, Cotton's assistant from Hertfordshire.

Horton Smith, killing his chances on the morning round with a 79 and then rallying to a great 72 through the afternoon's storm, finished with 299.

Ralph Guldahl, the United States open champion who had 74-77, 151, and Sam Snead, took 75-76, 151, both ended with totals of 300.

At the presentation ceremonies the wet but smiling champion said:

"I feel more proud than at any moment in my life—not so much because I won the cup again but because I was able to win for Britain against so great and representative a field".

A tremendous cheer greeted this remark, but Cotton held up his hand and continued:

"But mind you, I have one regret, and that is that I won against my close friend, Reginald Whitcombe. I am sure his great start in putting the Americans behind yesterday was a great encouragement to us all".

Cries of "hear! hear!" and "Whitcombe, Whitcombe" brought the runner-up to the microphone. "I'm very pleased to be second to the greatest golfer the world has ever known," he said.

Interest Mounts In Golden Gloves Boxing Tournament

IN THIS CORNER

Back for a brief visit to the scene of many triumphs on the gridiron and track and field, Joe Darke, former noted Abegweit football player and weight thrower arrived in the city Thursday night from Providence, Rhode Island. Still as interested in sports as he was when he was the most feared centre scrum man of Abegweits teams, Joe lost little time in hunting up his former teammates and many were the reminiscences exchanged when he did run across a trio of them.

* * * *

Joe Darke was one of the most talked of athletes in his day. His 225 pounds was a big bundle of dynamite on a gridiron and many are the stories one heard of his prowess. Today, well past his athletic prime, Mr. Darke nevertheless takes an active part in athletics and he is regarded as the father of amateur hockey in Rhode Island where his son Jimmy is one of the better known players.

* * * *

Junior Canadiens, that smart young local ball club leave this morning for Moncton where this afternoon they take on two leading junior teams from the New Brunswick city in an exhibition series. Ten players will make the trip and they will be accompanied by Rev. Oswald Murphy of St. Dunstan's University, Messrs. Matt McCourt, Joseph Francis, Jack McCourt and team manager James Heron and coach Fred McCabe.

* * * *

The local youngsters will face a severe test in both games. Winners here over a team from Moncton on Dominion Day the Monctonians will send their strongest team into action. In the first game they will tackle the Giants, league leaders in Moncton at present and they will face the shoots of young Elliott, a boy who has yet to taste defeat in Moncton junior ball circles.

* * * *

Although not knowing who their opponents will be for the second game, nevertheless it is a safe bet that the local boys will face another strong outfit. How they fare out will be a matter of interest and serve as a means of comparison of the brand of ball being played in the two provinces.

* * * *

Race drivers taking part in the Provincial Exhibition races August 17th to 20th will have an added incentive to win this year with the announcement of the donation of a solid silver trophy known as the British Consols Trophy by the MACDONALD TOBACCO COMPANY of Montreal.

* * * *

The trophy, a magnificent piece of silverware will be awarded to the driver scoring the highest number of points during the four day meeting. The trophy in addition to the valuable prizes annually donated by the Exhibition Association should, and will, cause a lot more interest among the jockeys.

Had a short conversation with Bennie Binns last night and the local middleweight certainly looks to be in perfect shape. Bennie, just returned from military camp is ready to get down to business right away. In fact he starts training immediately and last night he let it be known that he is ready to fight any middleweight in the Maritimes, and added in the same breath that a meeting with Leo Kelly would be right down his alley.

* * * *

Leo Kelly's victory over Billy Holm at Campbellton last night proved pleasing to his supporters and proved that the clever young middleweight is about ready to step into faster company than he has been doing.

* * * *

In Holm Kelly met an opponent that, although now in the veteran class, is still a mighty tough foe to beat. The Springhill boy can stand up to the best of them in the matter of mitt-slinging. Holm is always crowding his opponent looking for an opening and it takes a smart boxer to keep him at bay. Kelly evidently wast just that last night.

Indicative of the interest shown in the approaching Maritime Amateur Boxing Championships, inquiry has been made respecting the classes. The Guardian submits the following official classification of the groups to be contested at the Forum, July 20th and 21st.

1. Flyweight—up to 112 lbs.
2. Bantamweight—up to 118 lbs
3. Featherweight—up to 126 lbs.
4. Lightweight—up to 135 lbs.
5. Welterweight—up to 147 lbs.
6. Middleweight—up to 160 lbs.
7. Light heavyweight—up to 175 lbs.
8. Heavyweight—over 175 lbs.

On Tuesday, July 20, the elimination bouts will be presented, with the finals on Wednesday, July 21. Very beautiful cups and trophies will be given to winners in each class.

The outstanding boxer of the meet will receive a magnificent cup, and the manager of the winning team an individual memento. In conformity with practise elsewhere the boxing winners will be presented with Golden Gloves. In addition to this Golden Gloves Tournament, a 40-mile bicycle road race will finish at the Forum on Tuesday night, and a ten-mile foot race on Wednesday night, to the winner of which splendid prizes will be given.

The Golden Gloves Tournament has attained outstanding success in other Maritime centres, and the people of this province are now for the first time being afforded an opportunity of seeing the greatest boxing amateurs in action.

At St. John, Halifax and other cities thousands of spectators crowded to witness the bouts, and the widespread interest in P. E. I. assures similar success. Many entries from Nova Scotia and New Brunswick have been received, among which are Olympic contenders and star performers. This province will be well represented also. To ensure a reasonable closing hour all the bouts will begin at 8 o'clock sharp each night. With efficient management, proper preparation, well-filled classes, a real super-attraction will be available to the citizens of the province on July 20 and 21.

British Davis Cup Hopes Dealt Blow

BERLIN, July 9—(AP) — Germany's tennis aces, Baron Gottfried Von Cramm and Heinrich Henkel, virtually clinched a berth in the Davis Cup interzone finals against the United States today.

Facing Czechoslovakia in the European zone finals, the Germans won both of opening singles matches and thus need only one more victory, either in doubles or in the final two singles tests, to qualify for the interzone finals to be played at Wimbledon July 17-19-20.

Henkel disposed of Ladislaus Mecht in straight sets, 6-1, 7-5, 7-5, but Von Cramm had to come from behind to stop the towering Czech, Roderich Menzel, 3-6, 4-6, 6-4, 6-3, 6-2.

Meanwhile at London, Great Britain, defenders of the cup, lost the services of George Patrick Hughes, counted upon to team up with C. R. D. Tuckey in the doubles of the challenge round at Wimbledon July 25-26-27.

Hughes was forced to withdraw from the team because of a breakdown, following over-exertion and strain. His place will be taken by Frank H. D. Wilde.

With Hughes' withdrawal apparently much of Great Britain's chance of retaining the cup disappeared. Most experts figure that the British need to win the challenge round doubles if they are to protect their hold on the cup. With H. W. (Bunny) Austin and Charles Hare playing singles, these experts figure the British can hope for not more than two victories in the four singles engagements. The vital third point, they think, must come in doubles and Tuckey and Wilde do not rate with the doubles pairs that may qualify for the challenge rounds—Don Budge and Gene Mako of the United States; Von Cramm and Henkel, of Germany, or Menzel and Mecht of Czechoslovakia.

Fireworks Flare In Tilt As Yanks Blast Senators 16-2; Dodgers Trim Giants 15-2

NEW YORK, July 9—Dodgers climbed aboard the pitching of Hal Schumacher, Harry Gumbert and Tom Baker for 20 hits and a 15-2 victory over New York Giants in Brooklyn today.

Dodgers, with the aid of five opposition errors as well as their own clouting, clinched the game with four runs in the second inning and breezed in with the decision.

Pirates pounded three Chicago Cub pitchers for 19 hits and a 13-1 victory in Pittsburgh in their series opener.

Led by the walloping Waner boys, big and little poison, they clinched the game in the first inning with a two-run rally, and went on to climax their clouting with a nine-run spree on 10 hits in the seventh.

Only one of the Phillies reached second base when Kim Turner, 30-year-old righthander, gave the Boston Bee their 11th victory in their last 13 starts by pitching a five-hitter for a 5-0 shutout.

Eddie Mayo, led Bees' attack with a double and two singles.

St. Louis Cardinals playing at home, came from behind today to down Cincinnati Reds 8-7. Cards scored five runs in the eighth after Reds had taken an early lead.

JOE DIMAGGIO STARS

NEW YORK, July 9—Joe DiMaggio slaughtered the pitching of Carl Fischer and Ed Linke today to lead Yankees to a 16-2 victory over Washington Senators in a game featured by a free-for-all fist fight on the field.

DiMaggio clubbed out two homers, his 21st and 22nd, a triple, double and single and drove in seven runs.

The fist fight broke out in the sixth and was precipitated by those old feuders, the Yanks' Jake Powell and the Nats' Joe Kuhel.

Kuhel, taking Buddy Lewis' throw on Powell's grounder, put out the Yank fly-chaser, and gave him the shoulder as he crossed first base. Immediately, the two squarred off and began throwing fists, and players from both clubs poured out of dougout and in from the field to toss punches at each other. The umpires broke it up, banishing Powell and Kuhel.

In Chicago, St. Louis Browns dropped the opener of a four-game series to White Sox 11-7, when the Chicago team piled up 18 hits off three St. Louis pitchers.

The Sox tied the score three times and then drove Jim Walkup from the mound with a five run blast in the seventh.

Four Hour Battle

Athletics and Boston Red Sox played nearly four hours before the Sox won 12-11 in 12 innings.

Behind four in the ninth, Boston tied the score. They tabbed three more in the 10th, only to have the Athletics tie the score.

After a scoreless 11th, the Red Sox won out on Ben Chapman's triple and a double by Joe Cronin, the latter's fourth hit.

Tigers pounded Willis Hudlin and Whitlow Wyatt for nine hits in the first three innings to account for all the Detroit runs in a 10-1 victory over Cleveland Indians in Detroit.

Rudy York hit the most damaging blow, his eighth home run of the season in the first inning with two on base.

Sweeps Four Race Events

CLEVELAND, July 9—(AP)—Vic Fleming, lanky Syracuse, N. Y. reinsman, who left Canada to gain harness racing fame in the United States, equalled today a 35-year-old Cleveland Grand Circuit record when he captured four races over the North Randall track.

Back in 1902, at the old Glenville course, Scott Hudson, of Atlanta, snared four events in one day.

Only the $1,500 Seeley Handicap Pace, a 1 1-4 mile dash, did Fleming fail to win. Doctor H., owned by Mrs. T. A. Billingsley of Greenville, O., and driven by Jay Douglass, scoring at 12 1-2 to 1.

Fleming landed the three-year-old pacing class race P.J. Downey, Worcester, Mass., in straight heats; took all 3 miles of the championship stallion three-year-old pacing stake with Ammamite, which belongs to J.I. and E.T. Lyle of Plainfield, N. J.; the 2:22 Trot in straight numbers with Peter Song, owned by Martin B. Dodd, Norfolk, Conn., and the 2:18 Trot in similar fashion with Gunar, another Dodd entry.

Fleming, 47-year-old father of four sons, two of them in the harness racing profession, won nine of a possible 10 heats.
