

EXHIBITION

AND

Practical Demonstration

OF

FASHION-CRAFT TAILORING AND MADE-TO-MEASURE SYSTEM

will be held at

The NATIONAL CLOTHING STORE

on Tuesday, and Wednesday April 7th & 8th

Fashion-Craft

Styes

There is such a thing as individuality in Cloth. There are no two men like and what may suit one may not become the next one. Fashion-Craft tailors take in consideration a man's age, height, weight, whether stout or slim. Athletic or regular high chested or hollow chested and many other details that the garment when complete is a true reproduction of the model seen on Fashion Plates.

Fashion-Craft

Workmanship

Design, cut, seams, edges, hair cloth, canvass, the most important features about a garment.

Fashion-Craft garments are carefully tailored and no detail is missed.

The writer of this ad can furnish testimonials where garments after several years of wear have not lost their original shape and when presented are as shapely as on the day the garment was first put on.

The Representative (Mr. Thompson) of The "Fashion-Craft" Manufacturers, Wholesale Tailors, will demonstrate

All That is New in Men's High Class Tailoring

Every model will be artistically displayed and will give the public an opportunity to learn what is being worn abroad and in the largest Canadian and American Centres.

We call upon the male element of this city to look upon this as an invitation to

Prompt
