No human genius, skill, or power has ever been able to produce life of any kind, even a living blade of grass or a little violet. Still less can any human power give new life to a dead soul. Only Christ can do this. We must get our life from him.

"Teach me to live and find my life in thee
Looking from earth and earthly things away;
Let me not falter, but untiringly Press on, and gain new strength and power each day."
—Dr. Miller.

LIFE

Life is a mockery. We can note its manifestations, but we cannot find its source, we see that a man lives—we see what it is that keeps the heart beating, beating, beating, without pause, for sixty, seventy, years. We can read the poet's lines and look at the artists pictures, and hear the musician's songs; but what do we know of the inner mental life that produced the poem, the pictures, the songs. It is hidden life.

So spiritual life is hidden. We see one supported in quiet peace, amid great trial; another comforted into sweet acquiescence in a bitter sorrow; another living purely and nobly amid sore temptations; another lifted up out of degradation, and transformed. We cannot understand the processes; we see only the effects. So all life is mysterious.

But we know that it all comes from Christ. He is the fountain of all life.

The Waltham

THOSE who realize the need of always being on time know best the value of a Waltham Watch. For whenever doubt may arise, a Waltham gives the assurance of accuracy. That's why most railroad men throughout the world have adopted the Waltham Watch as a necessary part of their equipment. Strong, sturdy and well able to resist the shocks of railroad use, the extra-long mainpring and the jewelled main wheel of the Waltham "Vanguard" ensure an even action and extraordinary accuracy. The Winding Indicator on the dial signals when the watch needs winding. Your Jeweller will recommend the Waltham "Vanguard" or any of the Waltham Railroad Watches. Write for the booklet "Concerning a Timepiece."
