### SLIGHTLY SOILED

Two theological students were walking along an "old clothe" street in the Whitechapel district of London. Suddenly one exclaimed, "What a splendid text for a sermon to young men" pointing to a suit of clothes that hung swaying in the breeze at the side of a window. "Slightly Soiled. Greatly Reduced in Price." "That's it exactly," he went on. "We young people get soiled so slightly just seeing a vulgar show in a theatre, just reading a course book. Just allowing ourselves a little indulgence in dishonest or lustful thoughts, just slightly soiled, and lo, when the time comes for our manhood to be appraised, we are 'Greatly reduced in price.' Our charm, our strength is gone. We are just part and parcel of the general, shop-soiled stock." Congregationalist.

### THE MONEY MARKET

OTTAWA, Nov. 11.—A favorable turn in the money markets is forecasted but while exchange will improve the Minister of Finance intimates that for a considerable time British finance in Canada will be carried out by the extension of the policy of imperial credits.

### Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of leftover waste, toxin and ptomaine like poisons are found and sucked into the blood.

Men and women who can't get feel right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of lime stone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drugstore and begin practicing internal sanitation. This will cost very little but is sufficient to make anyone an enthusiast on the subject.

### HERE IS PROOF

**Detroit, Mich.**  
"I got into a weak, run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—within two weeks I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."  
Mrs. John F. Watson.

**Texarkana, Texas.**  
"I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever. Every run-down woman should take Vinol."  
Mrs. Emma Britt.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

# Keep Your Money Earning Interest

If you have money coming in during the next twelve months,

—if you have promissory notes coming due, a mortgage maturing, an estate to be settled, dividends or interest accruing to you,

—money from any source which is reasonably certain;

—You can buy Victory bonds in anticipation by arranging with any chartered bank to carry you until your money comes in.

—And it won't cost you a cent to do it,

—because the bank will lend you the money at the same rate of interest which the bonds will be earning.

It means that from the moment you get your money and repay the bank, your money begins to earn interest at 5½ per cent—your money is not idle for a minute.

Canada's Chartered Banks have offered to assist investors to buy Victory Bonds with money they expect to get during the year.

This is your opportunity to help your country and to keep your money invested in an absolutely safe security bearing good interest.

Why not see the banker about it to-day!
