After Ten Years CHAMBERLAINS

A WOMAN'S OPINION "I have sold Chamberlain's medicines for fifteen years and have always recommended them to my customers," writes Mrs. P. H. Brown, of Wilson, Pa. "I could not do otherwise when my opinion was asked, as I know from experience that Chamberlain's Cough Remedy is far superior to any other. I would not put in a week's time in my home without it. For a cough there is nothing that exceeds Chamberlain's Cough Remedy."

COUGH REMEDY

"I did not even object when I found my maid waiting for me at the door," she was saying a few minutes later to Paul and Patty by the fire in her drawing room. "And I do dislike being treated as an invalid or an old woman" was may not walk along the street at night alone! Fancy Felice running down there and waiting."

"How I should love that!" the girl said turning happy eyes upon her. "How I should too," Paul burst out. "Do you know that this is the first real visit together we've had since we've known each other?"

But ever afterwards she referred now and then to her "stage experience." She remembered next her trip to Italy, abandoned because Humfrey had lost his money. She began answering ads of people who wished traveling companions.
