Cubs Pins Shutout  
Defeat On Dodgers**

(Canadian Press)  
Johnny Schmitz, Cub southpaw who was chosen for the National League all-star squad but was held out of the top-tided game in Boston, lived up to his all-star rating yesterday when he pitched the Cub to a snappy 1-0 victory over the league-leading Brooklyn Dodgers.

A mound duel that was run off in an hour and 58 minutes Schmitz bested Brooklyn's Joe Egan, allowing only three hits, no runs and one error.

Hatten pitched five-hit ball and it wasn't until the first inning that the Cub batters performed to the satisfaction of 27,977 cash customers who turned out for the opener of a three-game series.

After Eddie Waitkus had filed out, Phil Cavettta batted a double to deep left, to put the winning run on base. Pennuts Lowrey was purposely passed, then Marvin Rickert singled to right sending Cavaretta home with the game-winning run.

The Dodgers didn't get a runner past second base and only two got that far.

(Schoolboy) Rowe knocked the last-place Pittsburgh Pirates with three hits to lead Philadelphia Phillies to a 4-1 victory. The Buccos were saved from a shutout by Frank Guthrie's first home run of the season in the seventh inning.

The victory was the third straight over the Bucs for Rowe this year. He yielded two hits in the first inning, and then held the Pirates batters hitless except for Guthrie's circuit blow.

**Robinson Vs.  
Curcio Tonight**

NEW YORK, July 11 (AP)—Sugar Ray Robinson, who has been disposing of right-handed opponents at a rapid clip lately by way of tuning up for what he hopes will be a shot at Marty Servo's welterweight title next month, tackles his first southpaw tomorrow night.

The first left-hander Robinson has looked at in 69 professional bouts—57 of them winning efforts—was rugged Joe Curcio of Newark. Joe besides being a "wrong way" fighter, has won 32 out of 33 bouts in the last two years.

Robinson, beaten only by Jake Lamotta and held to a draw by Joe Basora during his professional career, has an overwhelming favorite to get past this obstacle to his title quest.

Mrs. Gordon and Caughey grossed an 88 while the other pair came in with 86. The winners of the tournament also posted the low net of the day, but as they could not win more than one prize, the award went to Miss Wilson and Graham, whose net score was 78.

There was a tie for the second division leadership. Mrs. H. S. Gray and E. O. Clark, of the Riverside Golf and Country Club, and Miss W. Redmond and R. M. Redmond, of the Algonquin Club, finished the round with 90's. Both couple will receive awards.

BISLEY CAMP, Surrey, Eng., July 11 (CP Cable)—Three Canadian marksmen competing in the first post-war Bisley today won their way through to the second stage of the King's Prize competition, premier event of the Empire rifle shoot.

The Canadians—competing individually because Canada has no team entered this year—are Capt. S. W. Hampton, formerly of Guelph, Ont.; P. C. Giles of Ottawa and Lt.-Col. P. J. Marlinson of Quebec.

Capt. Hampton today tied for first place in the Conant Doyle statistics competition with a perfect score of 10 bullseyes at 500 yards range. His wife lives at Chute Point, Que.

Scores so far have been below pre-war standards since most of the British entrants are past their best shooting age.

**Anchors Increase  
Section Lead With  
Win Over Legion**

The L.P.U. Anchors, who led their win ten Legion errors last night to send the Legionaires down to their seventh defeat in eight starts by a 9-7 score and took a firm grip on the championship of the second section as they were winning their fourth game against one setback in their first.

It was Lefty McAlister's second win over the Legionaires last night and he did a workmanlike job on the Anchors' mound being especially tough on the Legion lefthanded batters while sending sixteen batters back to the bench via the strikeout route. The Anchors ace pitcher was given good support in the field and aided his own cause nicely by making the Legion baserunners closely once they reached the bases. He combined with his lefty mate Vernie Larner so cut down four Legion runners on cut-temped steals after they had hit safely.

It was a hard game to lose for Ready who allowed the Anchors to hit for three runs, four hits while striking out seven, but damaging errors behind him by his mates had him in difficulty all through the contest.

Bruce McCullum made his third attempt to start a game for the Anchors but retired in the first inning in favor of Lefty McAlister, the first batter to face him. McCullum then sacrificed and Art Perry got his sixth successive hit off McAlister to score both runners. Anchors tied it up quickly in their first time at bat on walk to Jack Gallant, two successive errors and an infield fly by Charlie Ryan, left for a hit and the sacks loaded that accounted for two runs.

Vernie Larner got a "life" in the top of the second when Ready struck him on his slow roller down the third base line. Had McAlister then dropped Hennessy's short line allowing Larner to score and Gallant and McKinnon hit safely to drive in two more runs and the Anchors led 4-0 for the first time in their first game.

The Anchors led 4-0 for the first time in their first game. The game was split two runs in the next three innings and started the seventh with the Anchors leading 4-0. The Anchors, at this stage the Legion took a new lease on life and tied the game up by sending three runs across on a pair of hits, a hit batter and an Anchor error.

The Anchors lost no time in re-taking the lead in the eighth and the seventh and were helped along by Ted Strain when he dropped Gallant's easy fly to centre field.

**Selke Succeeds  
Gorman As Manager  
Of Montreal Forum**

By W. R. WHEATLEY  
MONTREAL, July 10—Without any formal contrast or the flourish of signatures, Franke Selke replaced Gorman as manager of the Montreal Forum and the Canadian Hockey Club of the National Hockey League.

Simply on the basis of a friendly mutual understanding and verbal agreement between Selke and Gorman, the former president of the Canadian Arena Company, the former publicly director for Montreal and Gorman, long a spectacular figure in the N.H.L. and for a decade holder of the dual position in the two organizations operated by the Arena Company.

Gorman's resignation was announced by him a week ago in Ottawa, where he will operate the Ottawa Auditorium as president and general manager.

Selke, who last May signed a two-year contract, Selke was closely associated with Irving in Toronto for a nine-year stretch when Irving coached the Maple Leafs.

Selke, who will have full charge of running the Canadiens hockey team, Selke will handle contracts or may be consulted by Irving on matters of policy, but there will be no front-office interference with the N. H. L. championships and Stanley Cup holders.

KANSAS CITY, July 10 (AP)—Only Byron Nelson, the mechanical golfing man, declined today to nominate Nelson as the man to beat for first money in Kansas City's 1946 International tournament beginning tomorrow.

Several of the players predicted a free-for-all with Nelson, "n'tam Ben Hogan of Hershey, Pa., Sam Snead of Hot Springs, Va., and Lloyd Mangrum of Chicago as the big-four in the four-day affair, but the majority of the contestants said they felt Nelson stuff to win.

Joe Mahar, young City golfer, had the N. B. P. E. I. championship in his grasp Wednesday carrying a two-stroke margin over his nearest competitor into the final round but shot poorly on golf on his last time out to card an 82 and finish one stroke behind the winner.

He was a member of the St. Dunstan's hockey team last winter but has been improving his golfing game steadily and earlier this season scored a hole-in-one over the Charlottetown golf course. Mahar, who is a member of the Charlottetown Golf and Country Club, who scored a 79 in the last eighteen holes of play which enabled him to overcome Mahar's two-stroke lead.

**Russell's Double  
Gives Boston Sox  
10-Inning Victory**

(By The Canadian Press)  
The pace-setting Boston Red Sox edged Detroit 3-2 in 10 innings yesterday for their seventh American League glory in a row over the Tigers at Fenway Park.

Rip Russell's double off the left field wall with two out after Bob Doerr had singled to centre brought home Boston's winning run.

Fred Hughson, who went the route for the Red Sox in hanging up his 10th victory against the club, shut out the Tigers until the ninth.

Then, Roy Cullenbine walked. He was forced at second when Doerr made a spectacular back-hand stop of Roger Cramer's lead off single. Cramer's grounder near second, Birdie Tebbets came through with a single, sending Cramer to third. Eddie Lake brought home Cramer and Al Ligon running for Tebbets, with a double over Dom D'Amico's head in centre field.

St. Louis made only two hits off Phil Marchiondo and Bob Savage but combined these two singles with three bases on balls to score four runs in the seventh and defeat the American League Philadelphia Athletics 4-3.

Marchiondo paved the way for his downfall when with one out in the Browns' big frame he walked Jeff Heath, Chet Laabs and Walt Bond. He gave up a home run to Laabs in the seventh and made the Browns' first hit, a double that scored Heath and Laabs and when pinchhitter Joe Schultz singled both Judnich and Christman crossed the plate.

**Yankee Threat  
Still Feared  
By Sox Fans**

By GAYLE TALBOT  
NEW YORK, July 10 (AP)—Boston Red Sox fans are feeling extremely hopeful these days that they'll see a world series at Fenway Park next October, but it would be a mistake to say they are overconfident. Their nerves still twitch at any careless mention of New York Yankees.

Not only Sox fans, but even Sox officials and players to some extent are afflicted with the well-known "Yankee complex," and admit it readily. No matter that they are 7-2 big game in front and winning along like champions they still spend their odd moments worrying.

"If any other club in the league besides the Yankees was in second place we would know we were in," explained one spokesman for the group. "But you never know what they're going to do. What's keeping them up there anyway? They haven't got any hitting or pitching, except for Spud Chandler."

All of which is more or less true. The Yankees are last in team batting, but they are in second place in the league standing, and since the Red Sox got over their first sensational spurt they haven't won any more games than the Yanks. They still can't beat the Yankees at Yankee Stadium, and even the Sox players worry about that one.

When Ted Williams was congratulated recently on having pounded out some important hits at Fenway Park, he said: "That's but 'em at don't count unless you hit 'em at Yankee Stadium. I can't even be a hit in that place."
