Mr. Marin Gallant, who has been inspecting the schools in the vicinity during the past week, returned to his home, Abram's Village, by the noon train on Friday. In almost every case, he said there is a marked improvement since his last visit.—T.

SUDDEN DEATH.

The sudden death occurred on Thursday, May 15, of Mrs. John Ready, a respectable resident of Nail Pond. It was wholly unexpected as she was apparently in excellent health previous to her death. She was just making of lunch, prior to retiring and conversing with her husband at the same time, when she suddenly fell unconscious to the floor. Medical aid was at once summoned, but life was found to be extinct. The sympathy of the whole community is extended to the bereaved family in their great affliction.—T.

Blaquere, Mrs. Augustina Poirier and Miss Ida Arsenault were visiting in Summerside on Saturday.—Mr. Philip C. Poirier, Summerside, paid a visit to St. Nicholas on Sunday.—The people of St. Nicholas intend erecting a telephone line to run from the residence of Mr. G. S. Gaudet and connect with the Linkletter Road line which is also to be built during the coming summer. All the residents of this district are working hard towards the realization of this convenience. As soon as it is in working order, central will, no doubt, have a large number of calls for connection with the Charlottetown exchanges, for many residents are interested in this great and progressive industry.—Mr. Hercules Gaudet was visiting in Summerside on Monday.

CONFEDERATION JUBILEE STAMPS.

An effective and artistic means of advertising the coming Confederation Jubilee is being used by Mr. Hugh McInnis, editor of the Summerside Journal, in the shape of a jubilee stamp. It is somewhat larger than a postage stamp and both in design and coloring is really a work of art. In the centre is an outline map of the province, having under it the dates of the celebration August 18, 19 and 20, and above the words "Confederate Day Jubilee." At the top are the words "Confederation Celebration" and at the bottom "Charlottetown, P. E. I." in white letters in a setting of red. These stamps are intended for advertising the celebration and incidentally the province. They are designed for use on the backs of letters sent out by business men and others, and will no doubt be in demand all over the province. As everyone will be anxious to help along the celebration, Mr. McInnis is to be congratulated on his valuable contribution to the publicity scheme as well as on the development of a talent which has hitherto lain dormant.

We are showing now a full line of the most delightful Talcum Powders on the market. Terrible Dizzy Spells Would Come Over Me

The Nerves Were on Edge—Noise Excited and Irritated—System Restored by Dr. Chase's Nerve Food

Overworking and underresting—these words describe the cause of many a woman's physical breakdown. The body is a delicately-constructed machine, calculated to perform only a certain number of hours without rest. If overworked there is no time allowed for the reconstruction of the wasted cells, and breakdown is inevitable. Rest is absolutely necessary to every woman who allows herself to become run down from overwork. Dr. Chase's Nerve Food will help wonderfully in bringing back health and strength of mind and body. Women are particularly enthusiastic in praise of this great feed cure because no treatment was ever discovered that will so thoroughly restore vigor and energy to the tired, overworked and run-down nervous system.

Mrs. T. P. Cullen, Fairview Farm, Shephard, Alta., writes: "My nervous system was so run down and exhausted that terrible dizzy spells would come over me, and I would have most peculiar feelings. Every thing appeared as if it was falling on me, and caused me to jump after taking a few steps. While in this frightfully nervous condition I heard of Dr. Chase's Nerve Food, and began using it. This treatment built up my nervous system and completely cured me, and for this reason I am always glad to recommend it for the sake of those who suffer as I did."

No ailments cause greater suffering than diseases of the nerves, for they affect mind as well as body. You can get the nerves right by using Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.50. All dealers, or Edman-son, Bates & Co., Limited, Toronto.
