—TENNIS AT SUMMERSIDE—The third of a series of games to be played this season between Summerside and Charlottetown Tennis Clubs was played on the Summerside Tennis Grounds on Wednesday afternoon. Much more interest is being taken in the game this year by the Western team and they are out to win some of the laurels if possible this year. Although the weather was rather warm for playing, both sides showed up well. Charlottetown sent several veteran players, which had the desired effect of bringing out the best in their opponents and a really good afternoon's play was the result. In the Men's Singles Summerside put up a very good game and in spite of the excellent play of Mr. G. F. Hutcherson of Charlottetown, an old veteran at the game, the local team came out with the score of 4-2. In the Men's Doubles the Summerside boys came out strong in spite of their opponents more experienced play with a score of 3-2. The ladies on both sides made some excellent passes, the Misses Bourke being the star players on the visitors side. The local ladies were more evenly matched. The ladies singles tied with 1-1, with the visiting team winning out in the doubles with the score of 2-0. In the Mixed Doubles Charlottetown made the very excellent score of 5-1. The total scores were Charlottetown 13; Summerside 9. Very keen competition is expected as the season advances and with the extra court the Summerside Club has laid out for the local team will have better scope for practice. Refreshments were served by the ladies in the club house. It is expected the next match between the two teams will be played in Charlottetown next Wednesday. S.
