SIX ILL WITH POLIO
DEERFIELD, Ill., Sept. 16—(AP)—Mrs. Luella Jeff, whose six children are stricken with infantile paralysis, said today she "can't believe they won't recover." It was nothing short of astonishing, she said in an interview. "Their cases first were diagnosed as flu, but when they became violently ill and stiff and didn't want to move, we discovered it was infantile. Three of them came down with it in one day."

Backache is often caused by lazy kidney action. When kidneys get out of order excess acids and poisons remain in the system. These backache, headache, rheumatic pain, disturbed rest or that "tired out" feeling may soon follow. To help keep your kidneys working properly—use Dodd's Kidney Pills. Time-tested, popular, safe, non-habit-forming. Demand Dodd's Kidney Pills, in the blue box with the red band. Sold everywhere. 125
