EARL OF HILLSBORO CHAPTER, I. O. D. E. — The regular monthly meeting of the Earl of Hillsboro Chapter, I. O. D. E. was held at the home of Miss Margaret Macmillan on Monday, April 4th, 1949, with the Regent, Mrs. A.H. Roper in the chair. The meeting opened with prayer, followed by the minutes of the last meeting which were approved as read. The treasurer, Miss Adams, read her report, also a letter of thanks received from the National Treasurer for our contribution. It was moved by Mrs. E. M. Phillips and seconded by Miss Dorothea Stewart that we buy a print of the film "Opening of Parliament". This film will be shown at the various schools throughout the province for educational purposes. Mrs. Roper brought up the subject of increase in price of I. O. D. E. magazine "Echoes" and suggested that the number of issues be increased. It was unanimously agreed upon that four issues per year at a cost of 75c was our choice. Owing to the resignation of Mrs. George Ives, Mrs. Albert Roper was appointed post war convenor. The meeting closed with the King. At the conclusion of the meeting Miss Mildred Harrington gave a very interesting paper on Trinidad, which was greatly enjoyed by all the members. Mr. Martin of the Film Board then showed the film "Opening of Canadian Parliament" and all agreed it was most educational and enjoyable.

picture "Fighting Father Dunn" at the Prince Edward Theatre, the president reported. Reference was made to numerous other activities, and thanks was expressed to the executive and members for their co-operation, to Rev. Father McCordie, spiritual director, for his attendance and kindly advice, and to all concerned in furthering League objectives during the year.

Secretary's Report

The secretary, Mrs. R.J. MacDonald, reported that nine regular meetings and seven executive meetings were held during the year. Members of the Subdivision attended the Diocesan Retreat preached by Rev. Father Fisher at Notre Dame Academy in July and the president, Mrs. Walker, attended the Diocesan convention at Kinkora as voting delegate. The report continues: "We had charge of the fancy work booth at the Hospital Bazaar and we thank the members who made contributions to this booth and who worked in it during the week of the Bazaar. The financial proceeds were very satisfactory. "On Remembrance Day this Subdivision in conjunction with the Knights of Columbus offered a Requiem High Mass for those who made the supreme sacrifice in the past two wars. A wreath was placed at the Soldiers' Monument by our President who was accompanied by Mrs. James Coyle.

"Funds to carry on the work of the League were raised by means of a Tag Day, a Pantry Sale, a Card Party and a sponsored picture "Fighting Father Dunn". All undertakings were financially successful. "All National and Diocesan obligations have been met and contributions were made to the Sisters of St. Martha's Building Fund, Red Cross, T.B. League, Girl Guides, City Hospital Bazaar, Free Dispensary, P.E.I. Musical Festival, United Empire Fund for Britain, Christmas Charities. Our major donations were five hundred dollars to the City Hospital to furnish a room in the new annex now under construction, and one hundred dollars to the Social Service to help carry on their works of charity. Flowers were sent to both churches at Christmas and Easter. "At the February meeting we were privileged to have with us Very Reverend Father E. Baldwin O.S.B., Rector of the Church of the Most Holy Redeemer, who gave us a most interesting and instructive address on the history of the Catholic Church in Newfoundland.

"We deeply appreciate the attendance, when possible, of our Rev. Director, Father MacCardie whose words of advice and encouragement have never failed to spur us on to greater efforts in our work. "In conclusion, I wish to thank our president and all members for many acts of kindness and courtesy during the year. I have a special word of thanks for Mrs. F.J. Casey who so kindly assisted me in my secretarial duties. Encouraging reports were also submitted by the convenors of the various committees

EVERY SKIN HAS TO HAVE GOOD BASIC ATTENTION

Your skin needs basic attention, no matter whether you are a blonde or a brunette, fair as a lily or dark and dramatic. Your hair may be richly brown, blue-black, or golden as sparkling champagne, but it will never look as beautiful as it should unless you take time to care for it, says Lois Leeds.

I find so many women neglecting to follow a pattern for skin care. They neglect all of the cosmetic principles of basic care; they rely entirely upon makeup, with an occasional application of cream or a mask once in a while. And then they complain that cosmetics just don't help them! Any program for skin and hair care must be followed consistently to preserve beauty or to gain it. A spree of cleansing,

toning, stimulating the skin and shampooing and brushing the hair just won't give the results that you want to see. Of course you are busy, but you must take time. Plan your days and nights and you will always find time for good grooming. A few minutes spent on beauty care is a necessity.

Extra Pocket Dresses Up '49 Male Sportswear

FOURTH patch pocket is newest feature on jackets for male "dressed-up" casual wardrobe.

NEW YORK — (NEA) — Mr. America, in the 1949 version, will be a connoisseur of specially-designed clothes for every occasion. The standard wardrobe of a couple of business suits and whatever odd duds might be hanging in the closet for weekend wear is outmoded these days. Because there is more leisure time, there are also more specially-designed leisure time clothes. The clothing industry, recognizing these facts, has put new features in the 1949 suits and coats that will be highlighting the male fashion parade for spring. The major item is an added pocket. It belongs with the dressier appearance that is highlighting all

COMPLETELY CASUAL look for the U.S. male spells the utmost in comfort—open-neck sports shirts, slacks, and loafers.

men's wear this spring. The jacket with four pockets—all of the patch variety—is the newest note in formalized sportswear. Although only a designer will tell you why the extra pocket has been added—its for symmetry, the experts insist—the sportswear trend in most cases runs as much toward the formal as the dressed-up every-day wardrobe runs toward the casual. But variety is the keynote. Today's American male wants a wardrobe for every season and every weather change. He wants a sports shirt, for instance, that can be worn with or without a tie, and look equally well in either case. Mainly, however, he wants comfort in this leisure-moment wear.

IN-BETWEEN the dressed-up and and completely casual, this informal coat, cashmere sweater and lightweight wool sports shirt is a leisure time costume. Thus, the best wardrobe is one that makes for versatility. It starts out, for instance, in the garden or even behind a lawnmower. But with the flick of a fore-in-hand—or with the addition of a casual jacket—it can dress a man up for the weekend.
