

## The Scourge Of Scrofula.

Scrofula is a disease closely allied to consumption of the lungs. It is often caused by poor nutrition, low vitality, impure blood or a vitiated condition of the system.

Some of its common symptoms are sores, abscesses, swollen glands, enlarged joints, thick lips, loss of flesh and pallor of the face.

It is one of the most difficult diseases to cure known to medical science.

That Burdock Blood Bitters has made many permanent cures of the worst cases of Scrofula goes to prove the wonderful power this remedy has over the most malignant diseases.

Mrs. James Carr, Umfraville, Hastings Co., Ont., says:

"My little boy, two and a half years old, was so bad with Scrofulous Sores that he was in a terrible condition. My husband bought a bottle of Burdock Blood Bitters for him and by the time he had finished the second bottle there was not a sore to be seen on him. On account of this wonderful cure in my own family I can honestly recommend B.B.B. to all who suffer from any disease arising from bad blood."

A Wonderful Advantage.

## CAN CATARRH BE CURED?

Shepherd G. Frost, Chatham, N. B., writes: "For a number of years I have been troubled with catarrh and headache, and have tried many remedies during that time, but without avail. At last I heard of your medicated air treatment and procured a Catarrhzone outfit. Within twenty-four hours my headache disappeared and has not since returned, and in a short time I have been completely cured of Catarrh. I recommended Catarrhzone as the safest and cheapest cure for Catarrh. One bottle did the trick for me." Catarrhzone is sold by all druggists. Trial-outfit sent for ten cents in stamps. N. C.
