Laugh When People Step On Your Feet

Try this yourself then pass it along to others. It works!

Ouch! ? ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority who claims that a few drops of a drug called freezezone when applied to a tender corn stops soreness at once, and soon the corn dries up and lifts right out without pain. A delightful surprise awaits all who try this.

He says freezezone is a sticky substance which dries immediately and never inflames or even irritates the surrounding tissues or skin. A quarter of an ounce of freezezone which will cost very little at any drug store, is said to be sufficient to remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels.

WON THE MILITARY MEDAL.—Among the Island boys who had the honor to win the Military Medal for gallantry in the late war and of whom mention has never appeared in the papers was Gunner Robert Hurry of West Royalty. Gunner Hurry left here with the Fifth Siege Battery (later known as No. 8 Battery) and took part in all the principal fighting in which the battery was engaged. He was among those who were gassed last May and received the medal for his bravery on that occasion. He is a son of Mr. Daniel Hurry of West Royalty.

MARRIED.—A very popular young couple were united in marriage by the Rev. J. S. MacKay at the Mansie Hampton, P. E. I., on Saturday evening, January 4th when Geddie MacLeod, (son of J. J. and Mrs. MacLeod, Bonshaw) led to the altar, Jennie, daughter of Angus and Mrs. Darrell of New Haven. They were unattended. The bride entered the parlor while Mrs. MacKay who presided at the piano, played "The voice that breathed o'er Eden". She looked charming in a black velvet suit trimmed with rows of black silk braid, and hat to match and fox furs. The parlor was decorated for the occasion with potted flowering plants and abundance of bridal wreath. After the ceremony was performed, and lunch served, the young couple left for their future home in Bonshaw.

COMING HOME.—Her friends here will be interested to learn that Mrs. James Leightizer and child, born in England, are now on their way to P. E. Island, having left England on January 4th. Mrs. Leightizer went to England shortly after the war began and has resided there since. Her husband at last reports was at Mons, being attached to the 7th Battery (McGill). He has had a very successful career in the war. He left here as a Sergeant-Major with No. 2 Battery and soon after his arrival overseas was promoted to Lieutenant and in October last was further promoted to a Captaincy, being made second officer in command of the Second Siege Battery. "Jimmy's" many friends here will be proud to learn of his success, and will hope soon to see him back again after his strenuous experiences throughout the greatest war in history.

—GRIEF STRICKEN FAMILY.—Among the most grief stricken and bereft families, as a result of the ravishing, recent epidemic, is that of the family of Archibald Bernard, Tignish, in whose home, five deaths have taken place within the short space of fourteen days. Ferdinand aged 19, while in Trenton, N. S., contracted influenza and died within twenty-four hours. His body was brought home for burial and the day following his interment, two other sons remaining, Fidel aged 26 and Emile aged 16 died within a few

hours of each other. The former leaving a sorrowing wife and three small children. Their lately widowed son-in-law Edward Perry, who at that time had been residing with this family also contracted the dread disease and lived but eight days after the others. He leaves to mourn one little daughter Alice. The youngest daughter, Mrs. Emily Peters, came to assist in nursing the remaining survivors and succumbed after a short illness of four days, at the early age of 21. She leaves to mourn besides her parents and one solitary sister, a husband and young daughter. The sincerest sympathy of all is felt for these grief burdened but still heroic parents in his dreadful calamity.

RECENT TRANSFER.—Two of Charlottetown's most popular young bankers, in the persons of Messrs. E. D. Davis and Louis S. Blanchard, of the Royal Bank staff, city, left on Monday morning for Mount Stewart, where they will officiate at the opening of the new branch of the Royal Bank of Canada there. Mr. Davis goes as Manager and Mr. Blanchard as teller. On the eve of their departure they were tendered a sumptuous repast by their friends and co-workers, when a pleasant evening was spent and the toasts were well worthy of the occasion, the two guests also being the recipients of many useful gifts. Their transfer will leave a wide gap in hockey circles, Mr. Blanchard having played forward on the Bankers' Team here, while Mr. Davis made a name for himself on Nova Scotia ice. Their numerous friends in Charlottetown wish them many successes in their new field of labor and a happy entry into the social doings of Mt. Stewart rural district.

KINDLY REMEMBERED.—J. H. Malcolm, who for the last four years has been the popular manager of the Bank of Nova Scotia at Yarmouth, left on Saturday morning for Charlottetown, P. E. I. to take up his duties in that town. Before his departure Mr. Malcolm was the recipient of several addresses accompanied by substantial tokens of the high estimation in which he was held by the business public, church and Masonic brethren of the town. The first of these presentations took place on Monday evening when Hiram Lodge, No. 12, A. F. & A. M., presented Mr. Malcolm with gold cuff links and scarf pin bearing Masonic emblems. On Tuesday evening at the home of the president, E. K. Spincey, the Merchants Club presented Mr. Malcolm with a handsome mahogany clock and on Tuesday afternoon St. John's Presbyterian Church, of which Mr. Malcolm was the choir leader, presented him a purse of gold; while from the business men of the town he received an Edison phonograph with a Victrola attachment for the same, and a number of records.—St. John Ex.—Mr. Malcolm has taken up his duties in the Bank of Nova Scotia here and is a guest at the Russ.

—HOME FOR BURIAL.—Mr. E. Burnett, Station Agent of White River, Ontario, is spending a few days in town guest of Mr. Wm. M. Flynn, Station Agent, and Mrs. Flynn. Mr. Burnett, a representative of the Knights of Columbus of Chapleau, Ont., was appointed by that body to convey the remains of the late, Ernest Lewis, a brother member, who recently passed away from influenza, for interment at his former home at Cardigan. On arrival at Sackville, the remains were met by Mr. Wm. M. Flynn, Summerside and Mr. P. S. Brown, Charlottetown, also, accompanied the remains to the K. C. Rooms at Charlottetown and leaving New Year's morning for the destination at Cardigan from which place the funeral was held. Deceased was a man among men and from childhood a spring of literary activity. Among those who accompanied the remains to Cardigan were, his aunt, Mrs. Wm. M. Flynn, also his sister-in-law, Mrs. Murray, Alberton, besides a number of the Knights of Columbus brethren.—H. FRIDAY

WEDDING.—The Sydney Post says—Gunner John Moffat, recently returned, and Miss Etta McFadyen, daughter of the late Lauchlin and Mrs. McFadyen, were married in the home of Mr. and Mrs. Herman McFadyen, Worgan street, on New Year's evening. Rev. John McIntosh performed the ceremony, which was witnessed by only immediate relatives and friends of the couple. They will honeymoon in P.E.I., Boston and other cities and will then reside in Sydney.

On Saturday afternoon 7 p. m. in the home of Mr. and Mrs. B. Rix of Locke Road, Halibuton was plunged into sorrow on account of the passing away of Mr. Rix which was also keenly felt by the many friends of the family. The deceased was at O'Leary station only a few days ago to welcome one of his soldier boys back from over the seas, thus his passing away is very sudden. The deceased was a gentleman in the true meaning of the word, living up to the Christian principles which he learned to proclaim as a member of the Baptist Church. The sympathy of the residents go out to the widow and also to the family in their loss of a dear husband and father.

—DEATH OF MR. THOMAS HODGSON.—The many friends of Mr. Thomas Hodgson were saddened to hear of his death which occurred suddenly from heart failure at his residence, Centreville, yesterday morning. The deceased had apparently been in good health and was about his usual work when he suddenly passed away. He was 67 years of age and a highly respected resident of Centreville, for the past ten years, a man of more than ordinary intelligence, of a quiet and unassuming manner. He leaves to mourn his widow and one sister, Mrs. Lewis Yeo, of Lot 16. The funeral takes place from the Methodist Church, Bedeque, tomorrow, Saturday afternoon under the auspices of the Independent Order of Foresters.—L

The angel of death visited Emerald on December 28th and claimed for its victim Stephen Bennett Murtagh the third son of Mr. Patrick Murtagh.

The deceased had been enjoying excellent health until about eight days previous to his death, which resulted from influenza.

Stephen was a young man of excellent character, honest and charitable in his dealings.

He was a faithful member of the Catholic Church and received his last rights from the hands of his pastor, Rev. J. T. Murphy. There are left to mourn their irreparable loss a sorrowing mother and father; two sisters and also two brothers. The funeral took place Monday morning to St. James' Church, Freetown where a requiem Mass was sung for his soul, after which all that was mortal of him was laid to rest in the adjoining cemetery there to await the glorious resurrection.

HORSEMEN MEET.—The annual meeting of the Charlottetown Driving Club was held on Wednesday evening. The attendance of members was large, and the greatest interest evidenced in the report of the President which showed the club had a membership of about one hundred and fifty—the largest in its history. The financial statement was very satisfactory, balance remaining after all expenses being paid. Votes of thanks were tendered the retiring president, J. S. Wedlock, the secretary, G. R. Hooper, J. Arbing, caretaker of the Charlottetown Driving Park, J. McEachern and others. The election of officers was then held which resulted as follows: President, F. W. Hughes, Vice-President, Jas. McEachern, Secretary-Treasurer, J. S. Wedlock. The various plans for the conduct of ice-racing were talked over during the meeting and committees appointed to carry out the plans. If the ice is at all satisfactory, it is hoped to have at least one weekly meeting open to members of the club, and possibly a two day meeting open to the entire Province. The first two races on the Club's programme will be a three minute pace, both classified races.

On Sunday night, Jan. 6th at the early age of 22, Ina Althea Jenkins, beloved wife of Mr. Benjamin Simpson, City, of the P. E. I. Railway, passed to her eternal reward.

The deceased had enjoyed excellent health until about a week ago, when pneumonia developed, and though everything was done that loving hands could do to relieve her suffering, it was without avail. Besides the husband and two little children, here are left to mourn, her father and mother, Mr. and Mrs. John R. Jenkins, Dundas, three brothers on active service in France and two sisters at home.

The remains were forwarded on Monday afternoon to her former home and the funeral was held Tuesday morning at 10 o'clock. The Rev. Mr. Heron conducted an impressive funeral service in the Presbyterian Church Dundas, the large assemblage testifying to the high esteem in which deceased was held.

The sympathy of the whole community goes out to the bereaved in their sorrow.

Soldiers Home **Coming Campaign**

A Mighty Task Ahead

An Insight into the Salvation Army's Relief Work amongst Soldiers' Families.

APPROXIMATELY 300,000 Canadian soldiers will arrive home within the next twelve months. Home! To some that word means joyful compensation for all they have gone through. To others, home will mean simply hardships in a new form—struggles to keep a roof overhead; to find a job; leaving a sick wife in bed, children unattended, while the daily bread is earned!

The Government is putting in operation its plans for repatriation, with pensions and employment bureaus, but notwithstanding all this, and the work of other organizations, many practical problems remain to be coped with, calling for IMMEDIATE relief.

If YOU hear no cry for help, it is because help from the Salvation Army is never far away.

The Emergency Receiving Home **Soldiers' Families Home Visitation**

Here are a soldier's wife and three children passing through the city. The train is delayed. The connection is missed. Where shall they go, for it is after midnight and zero weather. Imagine those children!

The Salvation Army officer sees the distress, conducts them to the Emergency Receiving Home where a very small and plain but well-warmed suite of rooms with two beds is available for a few hours.

Few people realize the distress that goes on in their own city. A soldier at the front received word from the Salvation Army that his wife had died, and that, as no one had appeared to take care of the six children, the Salvation Army would look after them until his return. A few days later the father was killed. The children are safe!—As far as it is humanly possible, the Salvation Army endeavors to keep the family unit intact.

BEAVER FLOUR

MILLED OF BLENDED WHEAT

"Beaver" Flour equals any of the "special pastry flours" because it is, in itself, a special pastry flour—being the choicest Ontario fall wheat, blended with western spring wheat to give it strength.

This is why Pies, Cakes, Cookies, Tarts, Doughnuts, Buns and Fancy Pastry—when made with "Beaver" Flour—are so light, so flaky, so uniformly good.

This is also why the Breaux and Rolls—made with "Beaver" Flour—have a delicate, nutlike flavour that is totally lacking in western spring wheat flours.

Just try "Beaver" Flour for anything you are baking—and see what happy results you get, every time.
