Abegweits Will Leave by Special This Evening

Red and Black Hockeyists Confident Lives—Much Interest in Result of Giving Crystals Game of Their Tonight's Fixture.

(By "TEC") Tonight is the night so far as the Prince Edward Island Hockey League is concerned. Abegweits, with a slight margin over the Crystals in the present second section of the League and looking forward to a bigger edge after tonight, will leave by special train at 5:30 this afternoon for the stamping ground of the Summerside puckmen, where, it is predicted, one of the hardest hockey games of the winter will be played.

RURAL HOCKEY

KENSINGTON DEFEAT HOLMAN'S 5-2

On Tuesday night Kensington and Holman's of Summerside, again battled for supremacy in the seventh game of the Prince County Intermediate League for the A. E. MacLean Hockey Trophy at Kensington. Despite the uneven score, it was a well fought game which was thoroughly enjoyed by the spectators.

win for the latter team would put the C. Y. M. L. definitely out of the running for the MacLean Cup. Let Kensington try to do it, if they can, is the way the Summerside boys are talking. Enough said.—S.

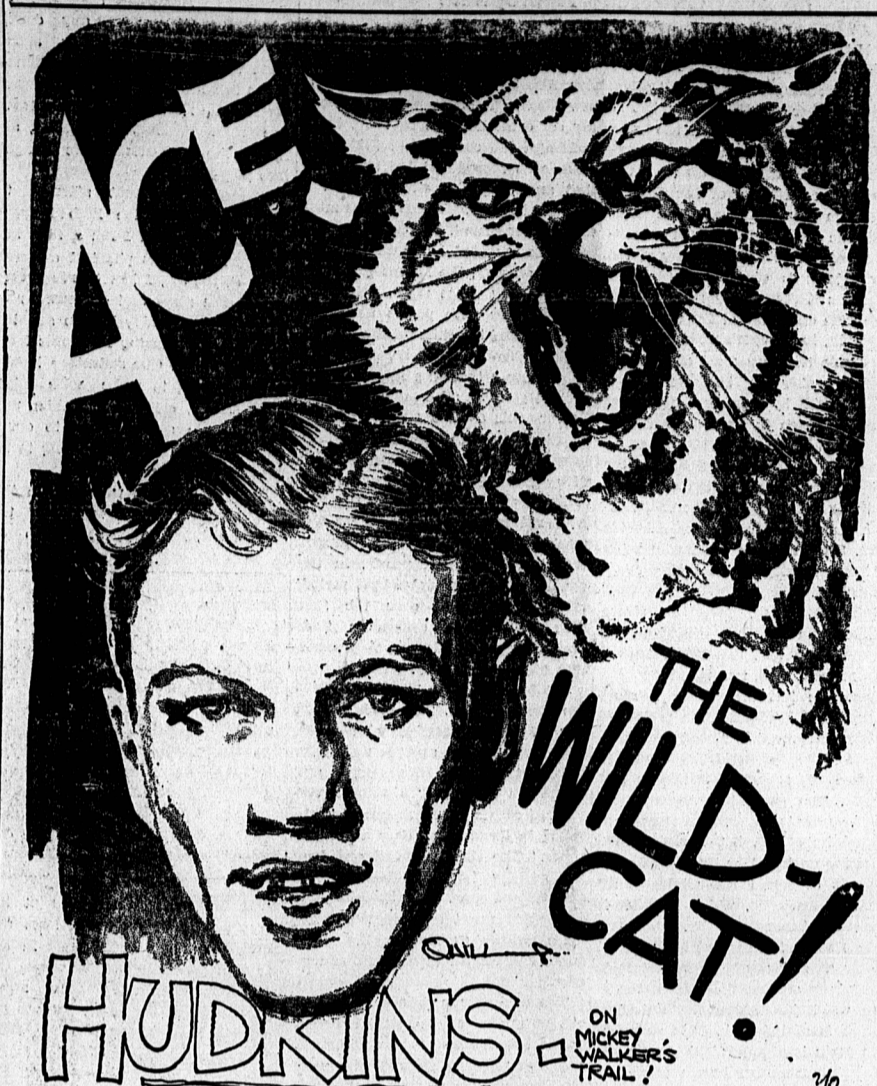

BLOODHOUNDS 4; BEARCATS, 2

The Cape Traverse Bloodhounds were again victorious Feb. 4th, when they defeated the Tryon Bearcats 4-2 in Cape Traverse rink. This is the fourth straight win for the "Cape" boys. Norman "Casey" Campbell was the referee. Claude Howatt of the Bloodhounds was the star for his team, while Inman of the Bearcats played a brilliant game for a kid.

Stanley Bridge Racing Notes

To complete some of the pleasures and pastimes, Mr. Ground Hog appeared out of his den on Saturday afternoon to have a look around at himself and decided by the look of the day and surroundings, that we are going to have a fairly good winter. Owing to the mild weather in December it took the rivers some little time to get fit for the traffic, and now they are faced with a coat of new ice, which has to be of a superior quality this year in order to stand up to the heaviest rain.

THE CAT IS SNARLING AGAIN

BY QUIN HALL

ACE HUDKINS, the Nebraska Wildcat, having successfully disposed of Rene De Vos, the Belgian Fox, is again on the trail of Mickey Walker for another crack at the middleweight title. Hudkins, by socking down all of the competition in sight, deserves this second shot at the Toy Bulldog, especially after the adverse criticism which followed the handing of the decision to Walker in Chicago last summer in rain-soaked Comiskey Park.

Walker has built up a sizable fortune in the ring, but he doesn't like the game nearly as much as his actions when in the ring would indicate. He is still a youngster in years, but he's seen lots of active service in the squared circle. He started in as a wrestler when he was fourteen years old but quickly discovered that if he was to cash in on his efforts he would have to take up boxing.

Walker was supposed to meet the winner of the Hudkins-De Vos duel, but under the slick management of Jack Kearns, the Bulldog is likely to avoid the issue. Kearns believes in keeping his champions well under cover and there'll be plenty of parrying before the match is made—if ever. The site for such a battle would be a problem unless the boys can decide on New York City. Ace will never again attempt to lift the crown of Mickey's dome in Chicago and Ace is too big a favorite on the Panama Coast for Walker to want to take the chance surrounded by oranges and sunshine.

It's pretty tough when a fighter of the Hudkins type has to retire because of a thing like that. Hudkins, born almost in poverty, favorably with the brand doled out in the Eastern Nova Scotia League? Such is the question which is being discussed a great deal in Pictou County at the present time.

IS IT AS GOOD?

NEW GLASGOW, Feb. 7.—Does the A. P. C. League Hockey compare he went side about, a sensational pacer without straps and cleaned up the bacon from a field of good performers, under the name of Cook of the North. So this year he is hitting square again under the management of his owner, Mr. Ed Graham. He is sired by that well known producer of speed Acquia and his first dam by Happy George.

NOVA SCOTIA GIRL IS READY

TORONTO, Ont., Feb. 7.—"That suits us," said Richard Brooks, father of Mrs. Lela Brooks-Potter, former world's champion and present Ontario titleholder today, when notified Loretta Maltz, Detroit girl, who recently set two world's speed skating records, would meet the Toronto girl in a series of special match races Saturday and Sunday.

BUCKLEY'S GOAL IN OVERTIME WINS TITLE

WOLFVILLE, Feb. 7.—Scoring the winning goal near the end of the first overtime period, Acadia today won the championship of the Valley League, defeating Wolfville by the score 2-1. The game was nip and tuck throughout, each team scoring a goal in the second period. The free use of subs by Acadia led to the downfall of Wolfville, the latter being without the services of Capt. Lloyd Vaughan, who has been out of the last three games due to an infected foot, and also Harry Hoyt of Canning. The only sub used was Regan who relieved Parker for a time in the third period. The winners played a more aggressive game and used more team work. Every man on the team was a star, McLean and Howard being especially effective on the defence. Bishop did not have as many hard stops as Munro but what he had were handled in top notch fashion. Munro was the shining light on the Wolfville team. His sensational stops time after time saved what looked like sure scores. The town forwards played a wonderful blocking game. Johnson being especially effective with his poke-checking. Bishop and Besanson played hard through the whole seventy minutes and Lyons and Parker played their usual steady game on the defence. The Acadia students are jubilant tonight over the victory of their team, while the Wolfville fans are naturally disappointed. It is a satisfaction to them that the championship is to remain in town, Wolfville having two players, Johnson and Williams, on the Acadia team.

FIGHTER KILLED; Boxing Banned

SEATTLE, Wash., Feb. 7.—Boxing was put under an indefinite ban in Seattle yesterday by Mayor Frank E. Edwards, as a result of the death here Wednesday night of Eddie Cartwright, 32 year old Portland negro pugilist. Cartwright was knocked out during a preliminary fight and died in a dressing room 20 minutes later. Doctors said he died as a result of hitting the canvas. Boxing in this state is forbidden by state laws.

MORE POWER SOUGHT FOR COMMISSION

MONTREAL, Feb. 7.—The power to place all sports, including hockey, football and baseball, under the jurisdiction of the Montreal Boxing Commission will be asked by the city of Montreal when the Montreal bill comes before the Provincial Legislature this season. At present the commission has control of boxing and wrestling only.

M'KENNA NAMED

NEW GLASGOW, Feb. 7.—Local boxing followers were quite pleased to see Jack McKenna's name classed in the late Tex Rickard's ranking of world boxers on their record for 1928. This selection was made in this month's edition of the Ring, widely known boxing magazine. McKenna is classed in fourth place in the fourth division in the middleweight class. He is rated ahead of such stars as Jock Malone, Joe Zinck, Harry Fuller and others. McKenna is well known here, having spent part of his early life in New Glasgow and of later years competing in one or two boxing bouts in the Stellarton Arena. This is an excellent showing for hard-hitting Jack, who only a year or so ago broke into the big racket, and furthermore taking into consideration that there are over seven thousand boxers fighting at the present time in the middleweight ranks throughout the United States.

CIRCUIT SCORING

AMHERST, Feb. 7.—While Bill Miller, of Mount Allison, is leading the Central Hockey section with the actual number of points in goals and assists Stephen Esterbrooks, of the Amherst club, recruit left winger, is well up toward the top with eleven points, including nine goals and two assists. Teifer Harrison, Amherst centre has the greatest number of assists, having given six distinct passes for tallies and has scored two goals himself. Johnson Fraser, right defence on the Amherst team, leads all defence men in the section with six goals. Nelson, right wing for the locals with eight goals is also up among the leaders. Esterbrooks, of Amherst, and Siddall and Legere of Sackville are all bunched for second place in the scoring race.

SACKVILLE TO MEET AMHERST IN PLAY-OFFS

AMHERST, N. S., Feb. 7.—The Amherst and Sackville hockey teams in the Central Section M. A. H. A. are now awaiting the playoffs which will result in the sectional title, and the right for one of the two clubs to meet the Island champions. Sackville has gone through the season without a defeat. They had one tie game with Mount Allison, the contest going into extra periods without result. Amherst has met with two defeats, both being administered by the veteran Sackville club. Hockey enthusiasts expect that two hard fought home and home games will be witnessed when Amherst and Sackville come together. Sackville has several experienced veterans on their line-up, including Ken Wry, Jack Amos, Tommy Horsler, Frank Siddall and Charlie MacAllister. Lev Legere, the right winger, has had some years of experience, but is still a mere youth, and incidentally turning in a finished performance this season. Sackville is weak in its substitute strength, although Vincent Stultz and Legere are two of the best men who have not been given any great opportunity to show their wares.

THE COLONEL TALKS ON PROTECTION

"Don't you believe in protection for cigars?" I asked my friend Taylor. "Oh, let's not talk politics," said he. "I don't mean that kind of protection. I mean protecting the flavor of the tobacco—protecting the cigar from breakage—protecting it against drying out—protecting..." "Oh, certainly, I believe in that kind of protection," said Taylor. "Well then, what you should smoke is a foil-wrapped Marguerite cigar in the handy pocket packs of 5 cigars, for if ever a cigar was well protected, it's the Marguerite."

MIAMI BEACH, Fla., Feb. 7.—Col. Charles A. Lindbergh's name is the latest to be drawn into speculation regarding the make up of President-Elect Hoover's administration.
