THE FIRES OF LIFE

Five sixths of the food we eat goes to keep us warm. Death by starvation is in reality death by cold. If the nutrition of the body is insufficient, the body itself is consumed.

Growing thin or wasting away is a process of burning up.

In order to stop the process increase nutrition, supply food.

OUR EMULSION OF COD LIVER OIL

is the best remedy to use in all cases of wasting diseases. It provides material for fuel and produces increased strength and energy.
