

Economically clean

She saved work—Sunlight Soap washed the clothes without rubbing. She saved time—she did other work while Sunlight did the wash. She saved money—Sunlight is an absolutely pure soap, therefore there is less soap used for washing than with ordinary soap, and less wear and tear of the clothes.

Sunlight is a war-time soap—it's so economical.

IN MEMORIAM

MRS. JAMES A. MACKINNON

On the 13th. of Dec., 1918, there passed to her eternal reward at Grand River, Lot 14 one of its oldest and most esteemed inhabitants, Mrs. James A. MacKinnon. Deceased was born at "The Glen" Ellis River, 76 years ago of the marriage of Donald McDonald and Nelly Brown. She married James A. MacKinnon brother of the distinguished churchman and the Rev. Neil MacKinnon S. J. of New York. She was the last survivor of a large family the last to die before her being Dr. William MacDonald of Lynn Mass. She leaves to mourn their loss four daughters in Grand River. Mrs. Cornelius MacLellan, Mrs. Frank Gillis, Mrs. Venetia Morrison and Mrs. Joseph J. McLellan and three daughters who joined the religious life in New Jersey as Sisters of Charity, and now filling important positions in Seton Hall, New Brunswick and Patterson, N. J. She was a type of the true christian lady. To a cheerful and deeply religious disposition she added the practice of thrift and instilled these qualities into the minds of her children. She was known for her charity

though she wished it to remain unknown. The large concourse that followed her remains to their last resting place evinced the esteem in which she was held. The funeral service was conducted by her pastor the Rev. John A. MacDonald assisted by a full choir. Her earthly remains were placed beside those of her late husband in St. Patrick's Cemetery under the shadow of the Mission Cross there to await a glorious resurrection. R. I. P.

HAZEL L. BURLEIGH

In loving memory Hazel L. Burleigh aged 21 years 1 month 20 days. Died in Brooklyn, New York, on Dec. 28th 1918, of Spanish influenza. She was daughter of Ida and late James Burleigh and niece of William Burleigh, of Ellerslie. The remains were accompanied to the Island by her mother and brother Geo. Arnold, of South Carolina, who wore the khaki of a U. S. soldier. She was a girl of good character, loving disposition and loved by all who knew her. She became a member of the Methodist Church of Bideford, P. E. I. in 1916 she went to Brooklyn, N. Y. where she there became associated with the same church and was a faithful worker in both church and Epworth League, where she had the love and respect of all who came in her surroundings and spoke their highest praises of her. Although her life was short it was well spent. Her work was done and she has passed through the pearly gate of the great beyond, to be with her father whom she never saw in this life, but she claimed had come to her in her last hours to carry her to his eternal home where sorrow cannot enter and death never comes. But she has only gone before. To welcome us on that peaceful shore. When we shall meet, To part no more. She was laid in the lone and silent grave by John Ellis, Horace Welsh, John Ford, Stanley Barlow, Beecher McDougal, Alvin Phillips, who were her former school mates, as pallbearers. She leaves to mourn besides her mother, of Somerville, Mass. and brother of S. C., her grand-parents, Ir and (Mrs. T. Burleigh, of Ellerslie, three uncles Mr. W. Burleigh, Mr. E. Burleigh, both of Ellerslie, Mr. Lemuel Burleigh, of Tyne Valley, also three aunts Mrs. W. Burleigh, Mrs. Alfred McLean, Ellerslie, Mrs. S. D. Lidstone, of O'Leary. Despite the piercing winter winds and blinding snow and hail storm the funeral was largely attended which showed the respect of her young life spent in Ellerslie. 3236-1-5mlipd.

MR. MAURICE KELLY

On Dec. the 8th., 1918, the shadow of death cast a gloom on the home of Mr. Maurice Kelly of Blooming Point when it claimed his loving wife at the early age of 37 years. Mrs. Kelly had been sick for about three weeks, and after all what medical skill and kind nursing could do her spirit passed peacefully away to the Great Beyond. In her last moments she was consoled by the rites of her church administered by Rev. Father MacIntyre. Mrs. Kelly was a kind wife and loving mother and will be greatly missed in the home as well as by her many friends. She leaves to mourn her husband and seven small children 6 boys and one girl. The pallbearers were Henry Powell, John N. MacDonald, Thomas Smith, John Beaton, James MacDonald, and Joseph A. MacDonald.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

Look at tongue! Move poisons from liver and bowels at once. Mother! your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once. When listless, pale feverish, full of cold, breath bad, throat sore, doesn't eat sleep or act naturally, has stomach-ache, diarrhoea, remember a gentle liver and bowel cleansing should always be the first treatment given. Nothing equals "California Syrup of Figs" for children's ills: give a teaspoonful and in a few hours all the foul wastes sour bile and fermenting food which is clogged in the bowels, passes out of the system and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good inside cleansing. Directions for babies children of all ages and grown ups are plainly on the bottle. Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."

Worms, however generated, are found in the digestive tracts, where they set up disturbances detrimental to the health of the child. There can be no comfort for the little ones until the harmful intruders have been expelled. No better preparation for this purpose can be had than Miller's Worm Powders. They will immediately destroy the worms and correct the conditions that were favorable to their existence.
