A RIGHT WAY and A WRONG WAY

Many people have many ways to bring about the same result. Most of them are mistaken ways, but this is not known until the test of time points plainly to the error.

DOAN'S KIDNEY PILLS

have a way to cure backache, a way that's all their own--the right way. They're made for the kidneys only. When the kidneys fail in their work of filtering the blood the back aches because they are situated in the small of the back; backache is the kidney's warning of trouble, and every day you let the warning go it brings you nearer to urinary disorders, Diabetes, Bright's Disease, etc.

WHAT ABOUT THIS. The following figures are taken from the Dominion Government report for 1905.

The profits earned for the previous year per \$100,000 of insurance in force by the different Life Insurance Co's here mentioned are-- Canada Life \$5.75, Confederation \$3.00, Federal \$3.75, Great West \$3.45, Imperial \$2.20, Manufacturers \$4.35, Mutual of Canada \$6.37, North American \$1.55, Sun \$4.83, LONDON & LANCASHIRE \$10.80. The profits accumulated per \$100,000 on the business in force by the same Co's are-- Canada Life \$13.32, Confederation \$18.08, Federal \$3.48, Great West \$14.10, Imperial \$7.24, Manufacturers \$12.17, Mutual of Canada \$19.07, North American \$14.15, Sun \$13.76, LONDON & LANCASHIRE \$86.02.

The reason this rottable English Co. and show such a difference in profits compared to the Canadian Co's is quite apparent to any person who knows. Anticipating the action of the Dominion Government and the reductions that would occur in interest rates, the management of this Co. set aside a large sum in 1892 and later again in 1897, thereby providing for the decreasing rate of interest and the guaranteeing of the profits at each quinquennial period towards strengthening the Co's Reserves.

This certainly reflects credit on the management of the LONDON & LANCASHIRE LIFE. Lewis H. Beer, Charlottetown, is the representative for and will be pleased to quote rates at any time, 11-11druiths twt
