Rheumatism

is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and rheumatism wouldn't occur. Rheumatism is a Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the *cause* of those fearful shooting pains and stiff, aching joints. There is but one sure way—

Eczema's Itch Is Torture

Mrs. Ann McDonald, Kingsville, Ont., writes:—"For about three years I was a dreadful sufferer from eczema. At times the patches of raw, flaming flesh would extend from my waist to my neck and from the knees to the ankles. The intense itching almost drove me crazy and though I tried all the local physicians, they could not even relieve the suffering. The flesh would crack open, and I don't believe anyone ever suffered more than I did.

"I was told of Dr. Chase's Ointment but did not believe that it could help me. After the fifth application of this preparation, I began to feel the benefit of its soothing, healing effects, and now attribute a cure to the persistent use of this wonderful remedy. It is truly worth its weight in gold and I never tire of recommending it to other sufferers."

Besides being a thorough cure for eczema and salt rheum, Dr. Chase's Ointment comes useful in a hundred ways in every home for every form of skin irritation and eruption, chapped skin and chilblains. 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Dr. Chase's Ointment
