IT PAYS to buy in this Province.

Everything has been provided by Mrs. J. J. Davies, Mrs. Jack Davies and family. The cause is a very worthy one and we trust that the tea and sale will be generously patronised. Home-made candy will also be on sale.

ANOTHER EARLY SHOPPING OPPORTUNITY FOR COUNTRY SHOPPERS.—The merchants of Charlottetown are so satisfied with the response to last week's appeal for "shop early and avoid the crush," that they have resolved to put in another "Early Shopping Day" next Wednesday when special inducements will be offered customers. A special train will leave Murray Harbor at 7.30 a.m. Wednesday, and return fares at first class single fares will be issued from Souris, Georgetown and Summerside.

BRIDE RECEIVES.—Last Friday evening at the close of the session of LaHave Lodge of Oddfellows, a beeline was made by the members for the residence of Dr. Harrington, where a very pleasant informal reception took place. A large rocking chair was especially in evidence, the gift of some of the lodge members and Rebekahs to Mrs. Harrington, who has been for some years very prominent in the work of the Order. Bridgewater, N. S., Nov. 30. (Mrs. Harrington was formerly Miss Mary Essery of Charlottetown.)

BIBLE SOCIETY MEETING.—The Executive of the Prince Edward Island branch of the British and Foreign Bible Society met yesterday afternoon in the Y. M. C. A. A number of the city Ministers and laymen representing the City Churches were present. The President being in the chair. Prof. J. D. Seaman the energetic Secretary read a short report of the general work of the different branches of the organization in this Province. Mr. G. D. Sterns the treasurer responded, that notwithstanding the many calls for Patriotic purposes, the funds were coming in very well from the branches, and urged that all collections be sent in, not later than the end of this month, in order that a complete report be given out at the Annual Meeting, Thursday during the week of Prayer, in Charlottetown. The president and secretary were appointed to make arrangements for the annual meeting after which the Rev. Dr. Fullerton closed with prayer.

WEDDING BELLS.—A very pretty wedding took place at the home of Mr. and Mrs. H. B. Mills, Kent Street, on Tuesday, when Miss Minda Gillis and Private Hugh McKinnon, of the 105th Regiment, were married by Rev. Geo. C. Taylor, pastor of Zion Church. The bride was attended by Miss Sadie Mills, while the groom was supported by Mr. Givin McDonald. The bride was charmingly attired in a beautiful dress of blue silk, wearing a veil and carrying a bouquet of white carnations. The bridesmaid's dress, of pearl silk, was also pretty and attractive, and she held a pink bouquet. Handsome presents were received, a splendid purse having been presented Private McKinnon by a number of his fellow soldiers, while one the evening before the wedding the bride was tendered a fine linen shower by her friends. After the ceremony the married couple and about ten others drove in automobiles to the station, whither about 20 men of the Infantry had gone to extend congratulations to Private McKinnon and his young bride. Mr. and Mrs. McKinnon, accompanied by some friends, proceeded to Wood Island; the bride's home, where a dance was held. Mrs. McKinnon is a popular young lady and the groom, needless to say, is as well known, and their friends friends wish them a happy and prosperous married life.

TRAINING COURSE.—The Teachers' Training Course for Sunday School teachers, which has been running the past ten weeks, came to a close on Thursday evening. After the session a discussion took place as to the advisability of continuing the training work after the New Year, and it was unanimously agreed upon that it would be well worth while to start a new series of studies, possibly next March. The need of a normal class at which the lesson for the following Sunday would be taken up and discussed was mentioned. It was suggested that such a class might be formed, or that part of the session of the regular course might be devoted to this work. A committee consisting of Mrs. Ed. Chandler, Mrs. A. E. Morrison, Miss Barrett, Mrs. J. A. Clark and Mr. H. C. Cross was appointed. Further announcements will be made when the class will be commenced.
