Mrs. George Stone Was Delivered from Dangers and Sufferings When Physicians Failed.

Mrs. George Stone, of Eganville, Ont., says: "For more than twelve years I was afflicted with kidney, stomach and female troubles, and had been attended by five doctors, and tried medicine after medicine, without any good results. My sufferings a year ago from the kidneys and stomach were dreadful. I was in such a state that I thought I could not live. I was advised to use Paine's Celery Compound, and finally decided to give it a fair trial. Before I had finished the first bottle I had improved very much, and after the use of a few more bottles I felt better than for long years, and am now altogether a different person. The use of Paine's Celery Compound also banished my nervousness. I can therefore recommend Paine's Celery Compound to any one suffering from kidney, stomach and female troubles."

of to-day. There's a difference in wearing qualities, too. In fifty years we have improved our secret chemical process—our methods of treating the raw material—our way of making up the rubbers—their styles, their weight, and their fit. To-day we have rubbers that we are proud of—they are light weight and the standard of excellence, and they
