S'IDE AND PRINCE GO.

REGULAR meeting of Court Cabot I. O. F. this evening. Important business. A full attendance is requested.

Miss J. D. Reid arrived here last evening from the United States on a visit to her father, Mr. James Reid of this town, who is very ill.

DR. CAMPBELL, of Northam, went to Charlottetown yesterday to attend the funeral of his mother, the late Mrs. Hugh Campbell, whose death occurred the previous evening.

A social and entertainment will be held this evening in Epworth Hall, under the auspices of Epworth League. Extensive preparations have been made to make this affair a pleasant one. A musical and literary programme will be rendered and refreshments will be served during the evening. A pleasant time is in store for those who attend.

MR. R. T. HOLMAN received yesterday the sad news of the death of his little grandson Douglas Parsons, youngest son of Mr. and Mrs. Allan Parsons, which occurred last Saturday at the home of his parents in Montreal. He had been ill for some weeks with whooping cough, although not thought to be seriously so, and his death resulted from the rupture of a blood vessel in the brain during a fit of coughing. He was 18 months old and was a bright promising little fellow. To his sorrowing parents and relatives THE GUARDIAN extends its deepest sympathy.

THE LATE MRS. CAMPBELL.—Entered into rest Wednesday March 22nd, Mary Carruthers, relict of the late Hugh Campbell of Charlottetown, aged 88 years. In the year 1819 she with her parents emigrated from Dumfriesshire, Scotland. Much of the country was then in a primeval forest and the family experienced all the inconvenience, hardships and toil of settlement in a new country. But she lived to see a portion of the wilderness converted into productive fields. At the age of 19 years, under the ministry of the late Rev. Donald McDonald, she was by the word in the hands of the Holy Spirit made conscious of her simple and lost state before God. In due time grace enabled her to accept Christ as her Saviour. Her godly life evidenced the sincerity of her confession. Hers was an ornament of a meek and quiet spirit which is in the sight of the Lord, of great price. "Them also which sleep in Jesus will God bring with him."—Com.

The Case of Mr. James Brayley.
One of Hamilton's Enterprising Manufacturers, Causing a Great Deal of Comment.

He Had Made up His Mind to Suffer Torture to His Dying Day. But Doan's Kidney Pills Have Made a Complete Cure.

The way in which Doan's Kidney Pills are curing the most severe cases of Kidney complaint and urinary diseases in Hamilton, Ont., has set the whole city talking about them. People are asking for DOAN'S, will have nothing but DOAN'S and the druggists are kept busy supplying the demand. One of the most remarkable cures by these pills is that of Mr. James Brayley, 58 King William St., the well-known manufacturer of saddlery hardware, punches, dies, etc. Mr. Brayley states that for years he had been troubled with gravel and weakness of the kidneys. To pass water was excruciating agony, and the pain in his back was intense. He continued doing from bad to worse till an operation had to be performed. Nothing seemed to do him any good, and, as he says himself, "I had made up my mind to suffer torture to my dying day!" But one day Mr. Brayley saw an advertisement of Doan's Kidney Pills, and he determined to give them a trial. He took one box, then another, then another, till he finished four boxes. By that time he began to get decided relief, and he continued taking them until all the pain had left his back. "Now I am as limber as an eel," says he. "Instead of getting up a dozen times at night, I never get up more than once. My urine was thick with mucus, but now it is perfectly clear and has no sediment of any kind. I am delighted to testify on behalf of Doan's Kidney Pills, as they cured me after the last ray of hope had fled." Doan's Kidney Pills are sold by all dealers at 50c. a box, or 3 for \$1.25. Ask for Doan's and refuse all others.

THE OLD WAY

Of Treating Dyspepsia and Indigestion by Dieting a Dangerous and Useless One.

We say the old way, but really it is a very common one at present time and many dyspeptics and physicians as well consider the first step to take in attempting to cure indigestion is to diet, either by selecting certain foods and rejecting others or to greatly diminish the quantity usually taken, in other words, the starvation plan is by many supposed to be the first essential.

The almost certain failure of the starvation cure for dyspepsia has been proven time and again, but still the moment dyspepsia makes its appearance a course of dieting is at once advised.

All this is radically wrong. It is foolish and unscientific to recommend dieting or starvation to a man suffering from dyspepsia, because indigestion itself starves every organ and every nerve and every fibre in the body.

What the dyspeptic wants is abundant nutrition, which means plenty of good wholesome, well cooked food and something to assist the weak stomach to digest it. This is exactly the purpose for which Stuart's Dyspepsia Tablets are adapted and this is the method by which they cure the worst cases of dyspepsia, in other words the patient eats plenty of wholesome food and Stuart's Dyspepsia Tablets digest it for him. In this way the system is nourished and overworked stomach rested, because the tablets will digest the food whether the stomach works or not. One of these tablets will digest 3,000 grains of meat or eggs. You druggist will tell you that Stuart's Dyspepsia Tablets is the purest and safest remedy for stomach troubles and every trial makes one more friend for this excellent preparation. Sold at 50c. For full sized package at all drug stores. A little book on stomach diseases mailed free by addressing F. A. Stuart Co., Marshall, Mich.

DON'T WAIT TILL WARM WEATHER

For your cough to go. Have it cured now by Dr. Wood's Norway Pine Syrup.

Many people are waiting till the warm weather comes for their cough to go. Perhaps it won't leave then—got too tight a grip on the system.

Better have it checked now by using a bottle or two of Dr. Wood's Norway Pine Syrup, which is a positive cure for the worst kinds of Coughs and Colds. Miss Bertha Snider, Glenfield, Ont., writes: "For a long time I was not able to work on account of a cough and sore throat which weakened me frightfully. I got a bottle of Dr. Wood's Norway Pine Syrup and it did me so much good that I got another which completely cured me."

There are so many spurious "Pine" preparations on the market that it would be well to always ask for Dr. Wood's Norway Pine Syrup and refuse anything else. Price 50c. and all dealers.

AGONCILLO OFF FOR PARIS.

LONDON, March 22.—Agoncillo, the agent of Aguinaldo, and the members of the former staff of the Filipinos at Washington, have gone to Paris in order to confer with the Filipino junta there.

Neither body has received news from the Philippines during the past eight days. They say they fear the Americans have discovered and stopped their means of sending news from Manila.
