SPRING MEDICINE
Hood's Sarsaparilla, the Great Blood Purifier, is the Best.
Spring sickness comes in some degree to every man, woman and child in our climate. It is that run-down condition of the system that results from impure, impoverished, devitalized blood. It is marked by loss of appetite and that tired feeling that in many cases by some form of eruption. The best way to treat spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alternative and tonic and is absolutely the best Spring medicine. Get your blood in good condition at once—now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it for nothing else can take its place.

Mrs. William Phillips, of New Glasgow was among the passengers yesterday on the Prince Edward on a visit to her mother Mrs. G. F. Steele, 45 Brighton Ave.

- 8.45 a. m. Manoeuvres. "Fight the good fight."
- 11.15 a. m. Swedish Drill. "Sweep us suffer grief and pain."
- 1 p. m. Dinner. "Come, ye thankful people, come."

Nerves Were So Upset Could Not Endure Noise

NEURALGIC HEADACHES AND EXTREME NERVOUSNESS CAUSED KEENEST SUFFERING—LASTING CURE BY USE OF DR. CHASE'S NERVE FOOD.

"Once the nervous system gets run down everything seems to tend to make it worse. You worry over your condition, are unable to get the required rest and sleep, noises excite and irritate you and the future is most discouraging. The nervous system does not get the proper nourishment from the food you eat, so you must have something also to lift you out of the run-down condition. You may find that your experience coincides with the writer of this letter and be encouraged to get Dr. Chase's Nerve Food to the test. You will make no mistake in employing this food cure, for acting as it does hand in hand with Nature, it is bound to do you good. Mrs. Jas. Jensen, Gwynne, Alta., writes: "About ten years ago I was troubled with severe attacks of neuralgia and nervousness, and was for several months so bad that I could not get a night's rest. I used several medicines recommended by the druggist. My doctor also prescribed, but nothing he gave me brought any relief. Instead I got worse and worse until I could scarcely do anything or bear the least bit of noise. My nerves were all upset. My husband read about Dr. Chase's Nerve Food and got me some. Although I had no faith in it, I began its use, and after a few doses began to sleep well and the neuralgia left the entirely. I used six more boxes and have never had any troubles from neuralgia of the nerves since. This is to certify that I know Mrs. Jensen, and believe this statement to be true and correct. Fred Freeman, M.P. Dr. Chase's Nerve Food 50 cents a box, \$ for \$2.50, all dealers, or Ed. Hanson, Bates & Co., Limited, Toronto. Yours very truly, T. G. McMULLEN."

- 2.15 p. m. Rifle Drill. "Go, labour on."
- 3.15 p. m. Lecture by Officers. "Abide with me."
- 4.30 p. m. Dismiss. "Praise God from whom all blessings flow."
- 5 p. m. Tea. "What means this eager, anxious throng?"
- 6 p. m. Free for the night. "O Lord how happy we shall be."
- 6.30 p. m. Out of bounds. "We may not know, we cannot tell."
- 10 p. m. Last Post. "All are safely gathered in."
- 10.30 p. m. Light Out. "Peace, perfect peace."
- 10.45 p. m. Inspection of Guards. "Sleep on, beloved. God Save the King."
