Way Freight Hotel.
Proprietor of the Popular Montreal Hostelry Talks About Dodd's Kidney Pills.

Used them Some Years Ago for a Bad Case of Kidney Weakness—Recommends them Highly to all those who are Worried by any Urinary Sediment.

MONTRÉAL, August 30.—Dan W. Allan proprietor of the Way Freight Hotel here made a strong statement about the well-known remedy Dodd's Kidney Pills. Mr. Allan's hotel is at 463 St. James Street and enjoys considerable popularity with railroad men. Some of the latter were discussing ailments peculiar to engineers, brakemen, firemen, conductors and train crews generally. It was acknowledged that the greatest difficulty a railway man has to contend with is Kidney Trouble. The continual jarring of the train weakens the filters of the system and various forms of Kidney Trouble result. "Every man that works in any engine cab or on any part of a railway train ought to use Dodd's Kidney Pills," said one man. "Are Dodd's Kidney Pills what they're cracked up to be though?" put in a second. "Yes, sir," returned the first emphatically, "Dodd's Kidney Pills are what they're cracked up to be and I'll leave it to Mr. Allan."

"Gentlemen," said Mr. Allan, "I firmly believe Dodd's Kidney Pills will do every thing that is claimed for them. They are a genuine medicine. They cured me of Kidney Trouble, I know that. My urine was full of a kind of red brick dust for years. I knew it was my kidneys, but could get nothing to stop it. Two boxes of Dodd's Kidney Pills did the work finally and I've been all right ever since."
