These dances held under the auspices of the ladies of St. Mary's Church are always enjoyed and this one was no exception. The hall was very gay with its Christmas trimmings and Christmas tree. Cards were indulged in by a number of the guests. During the evening refreshments were served by the ladies. The popular Gaiety Orchestra furnished the music for the dances which were thoroughly enjoyed by young and old. S.

KENSINGTON RINK OPENING.—The big ice arena opened on New Year's night under auspicious circumstances. The roads and weather were all that could be desired. A crowd of 450 people graced the ice and promenades. The immense volume of music from the electric amplifier had a most cheering effect on skaters and spectators. It is certainly a most pleasing sight, to see three hundred skaters in gay red toques and tartans indulging in the great health giving exercise of skating. The hockey sessions at the big rink promise to be more lively than last year. Competition is keener. More teams in the P. C. League. The Granites will have played the Summerside C. Y. M. THE A. E. MACLEAN INTERMEDIATES PLAN BUSY SEASON.—The annual meeting of the executive of the Maclean Intermediate Hockey Association, was held in Mr. MacLean's office on January 2nd. President Ralph Dodds, opened the meeting with an expression of appreciation for the honor which was given him as president of the association at the annual meeting and asked that the same splendid support and co-operation be given him as the previous presidents and assured them that he would do everything in his power to make the association a success. The minutes of the last meeting were read and adopted. Correspondence from Harold V. White, Secretary of the Maritime Amateur Athletic Association, in which permission was given to register the ten teams in the MacLean League as one without playing certificates, but all players should hold amateur cards. The playing certificates could be issued later in the season for winners who may wish to compete in play-offs for the Maritime title. It was moved and seconded that each of the players in the MacLean Association take out amateur cards. The Wellington Hockey Club, after much discussion, was placed in the central section. All section games must be completed before Feb. 15, 1931 in order that the play-off games may take place before the season closes. It was moved and seconded that at least two home games be played, that is to say, each team must play the other teams in their respective rinks twice and that in case of a tie, home to home games with goals to count. It was suggested that an electrician be sent to the different rinks to assure that there would be sufficient light for hockey. This will be attended to at once. The matter of referees was next in order and it was passed that each section choose their own referee and that for play-off games, the referee would be left to the discretion of the executive committee. The business of the association will be carried out on the same lines as last year. The meeting voiced its hearty approval of last year's league and expressed its appreciation of the willingness of Mr. Ralph Dodds to carry on the duties of president. Every club in the League was represented.—S.
