WEST ST. PETER'S NOTES
Mr. Frank Anderson had the misfortune of losing a very valuable horse some time ago. Messrs. Lloyd and Emory McEwen of West St. Peter's are busily engaged in sawing laths this winter. Mr. Joseph McDonald, West St. Peter's paid a flying visit to Montague recently. A very pleasant evening was spent on Feb. 7th at the home of Mr. and Mrs. John F. Adam of Savage Harbor, the occasion being the "wind up" meeting of the West St. Peter's Whist Club. The game started as usual at eight o'clock and after a couple of hours playing the points were counted and prizes given. Miss Catherine McDonald received the ladies' prize while Mr. Roy Douglas received the gents' prize. The booby prizes were awarded Miss Theresa McDonald and Mr. Alfred McEwen after which supper was served in Mrs. McDonald's best style. After the inner man was satisfied the rest of the evening was spent in music, both vocal and instrumental. The following solos were much appreciated by all present: Solo, "K K Katy" by Mr. Alfred McEwen; Solo, "When Irish Eyes are Smiling" by Mr. Joseph A. McDonald; solo, "When You and I Were Young Maggie" by Mr. Riddie McAdam and solo "I'll Take You Home Again Kathleen" by Mr. Ronnie McDonald, while Mr. Hugh J. McIntosh delighted all with his solo "Beautiful Sunday." After which all retired to their homes, feeling that they had enjoyed a very pleasant evening.

The "Tudor" Design 1915 - in Twin Pair

Pure - Clean - New

In these three words is summed up one of the greatest services ever performed for the households of the Dominion. Simmons Mattresses BUILT FOR SLEEP—wholly of pure, clean, NEW cotton. No "renovated" materials. Each Mattress MADE clean. And KEPT clean. Sealed in CARTON ROLL—dust-proof, germ-proof. Delivered to the home sweet and clean.

On the face of it—here is a service that appeals instantly to the instincts of the housewife.

And perhaps she cannot comprehend all it means until she knows more about conditions in the Mattress industry.

True, the responsible merchant takes all possible precautions, and sells his mattresses in good faith.

But there are no Dominion-Wide Pure Bedding Laws.

Much still depends on the integrity of the manufacturer. We say this without prejudice to any mattress maker of integrity.

We do not for a moment imply that Simmons Limited is the only maker of sanitary mattresses.

But it is a fact that many mattresses are still made of "renovated" materials.

Even materials out of old mattresses discarded by hospitals, or by homes where there has been infectious disease. There is nothing to prevent it.

Even clean mattresses are still hauled in open trucks through the dust and dirt of the streets.

As originators of Simmons Beds, Springs and Mattresses built for sleep—as the largest single factor in the business—

Simmons Limited is concerned for the integrity of the industry and the consequent well-being of the people of this country.

Simmons Limited makes this unqualified statement to the merchant—

"Cut open any Simmons Mattress that comes into your store. If you do not find it up to specifications or better—ship back every item of Simmons merchandise and never send us another order."

Canada has no Pure Bedding Laws—but Simmons Limited has!

Simmons Mattresses are now at your service in five styles—distinguished by Labels of different color—at a popular range of prices—

Table with columns for mattress labels and prices. Includes Blue Label (\$25.00), Purple Label (\$40.00), Green Label (\$16.50), Red Label (\$21.00), White Label (\$10.50).

Each mattress sealed in carton roll—pure, sweet and clean.

A Service due the Canadian Public

That fair hair is bound to darken as its owner grows older is an accepted theory, but there is no reason why the fair-haired girl should endeavor to delay the changing process as long as possible...
Instead of ordinary toilet soap a pure white Castile soap on into three shavings and made into a jelly with hot water, should be used. It is risky for the owner of fair hair to buy ready prepared shampoo powders, as they may contain darkening ingredients...
