SOIL ROTATIONS
From the standpoint of the re-
duction of soil insects like white
grubs and wireworms, short crop
rotations are preferable to long
ones. High soil fertility assists
farm crops to withstand attacks of
these insects and hastens recovery
of the soil after attacks.

pleased with the fruit crop this
season and plans to return to New
York as soon as she disposes of her
bounteous crop.

NEW GLASGOW W. I.
Mrs. (Dr.) Carson entertained
the New Glasgow Women's Insti-
tute for their September meeting
with fifteen members and five vi-
sitors in attendance. The president,
Mrs. Harland Hill, presided and
the meeting opened by singing
"The Maple Leaf", followed by re-
peating Club Creed in union. The
roll call was answered with many
suggestions for the annual district
convention next year, among them
being a first-aid demonstration by
Mrs. W. J. MacLeod, a one-act
play, a list of helpful household
hints, and many others. The min-
utes were read and with a couple
of omissions added, signed.
It was decided that we donate
\$5.00 to the Sanatorium as a gift.

ladies, served a delicious lunch, af-
ter which the members sang the
anthem "For She's a Jolly Good Fel-
low."

Premier King Claims He Was Misreported

OTTAWA, Sept. 25. (CP) -
Prime Minister Mackenzie King
said in an interview tonight that
in his speech at Freilighsburg, Que.,
last week, he had not intended to
make no reference to provincial
elections past or future.

There was nothing in his speech
he said, that could be interpreted
as substantiating the report car-
ried by The Canadian Press from
Freilighsburg that Mr. King had
said he believed the defeat of the
provincial Liberals 15 months ago
could be traced to a lack of pre-
paredness and a lack of concerted
effort.

Mr. King also said there was no-
thing in his speech that could be
a basis for the statement in the
dispatch that the Prime Minister
was saying that Mr. Godbout was
the man the federal Liberals
wanted in Quebec, added that "we
will see it is that, he returned
there in the next election."

"Never in my life," Mr. King
said tonight, "have I mixed in
provincial elections. I not only
made no references to provincial
elections in my speech on Saturday
but I hope everyone who reads my
remarks was quite different."

Other newspaper (Le Canadien)
reports of the speech, Mr. King
said, confirmed that almost all
his speech was concerned with the
importance of world affairs to Can-
ada in the future.

Mr. King said he did mention
that on more than one occasion he
had said that Mr. Godbout was
the man the federal Liberals
wanted but on each occasion Mr.
Godbout had taken the position
he could be best serve in the
provincial field.

BREADALBANE W. I.
The September meeting of the
Breadalbane Women's Institute met
on Tuesday, Sept. 19th, at the home
of Mrs. Bruce Somers. Meeting
opened by singing the Ode and re-
peating the Institute's motto. Mrs.
Somers presided and the minutes
of the last meeting were read and
approved and signed by the
president. The correspondence was
read, and it was decided that we
leave same over for discussion till
next meeting. The reports of the
committees were given and the
following new ones appointed:
Sick: Mrs. Somers and Mrs.
Graham; school: Mrs. Hickox
and Mrs. Seaman; lunch: Mrs. Hickox
and Mrs. Seaman.

A special discussion took place re-
garding the covering for the wool
puff, and it was decided that we
try and get white cotton if pos-
sible. Mrs. Woodside invited meet-
ing to her home for next month.
A home improvement I have made
or would like to make.

Meeting closed by singing the
National Anthem, after which a
social half hour was enjoyed by
all.

Missionary Says Atomic Bomb Shortened War

BY JOHN D. HAMILTON

NEW YORK, Sept. 24. (CP) -
The atomic bomb, despite the vast
destruction it caused, shortened
the Pacific war by months, and
saved many thousands of Allied
and Japanese lives, Father Henri
Langlois of Montreal, said here to-
day.

"If war itself is permissible, the
means to end war are also permis-
sible. No doubt the atomic bomb
is a fearful weapon when faced
by a fanatical enemy like Japan.
The Allies had to think of the de-
struction caused by invasion and
its resultant loss of life. If we had
tried to land an army in Japan,
a war of five to 10 years would have
occurred. The B-29 and the atomic
bomb averted that."

Father Langlois was accompanied
from Montreal by other Canadi-
an missionaries. Brother Galiste
Simard of his own order, and Rev.
John St. Pierre of the Sulpician Order,
both veterans of many years in
Japan. Brother Simard is a native
of Charlevoix County, Que., and
Father Aubry is from Montreal.

Weekly Market Report

SUMMARY

Early and orderly marketing of
cattle is being practiced by pro-
ducers and the current week saw
another record when 40,000 head
at stock yards and packing plants
second only to last week. The
week was receptive and while
there were some carryovers from
last week, all stock was cleared
by the close of the week's trading.
The week's receipts were ex-
ceeded but they were due to the
lower quality of the offering
than the heavy supply. Any
cattle coming from the stock
yards are readily taken. Demand
for stocker cattle picked up
and the week saw a number of
offerings were shipped out at
fully steady rates. There was a
tendency toward eagerness in the
market ground but was not dis-
turbed in western Canada and sheep
and lambs continued strong sell-
ers at all centres.

Arrivals at stock yards
and packing plants for the week
totalled 51,400, compared with 29,
300 in the same week last year.
This year's marketing to date
1,220,000, as against 988,000 head
in the same period last year. Mar-
ketings of sheep and lambs to date
and the total commitment to date
this year is 831,400, compared with
586,000 in the corresponding peri-
od of a year ago. Many buyers
sales are also heavy but well
cleared and the total since Janu-
ary is 1,200,000. The week's mar-
ketings of sheep and lambs were
76,682, compared with 63,993 in
the same period of 1944.

WESTERN CATTLE MARKETS

The Toronto cattle market start-
ed out steady but bidding was
lower and final clearances
were made at a decline of 25c to
35c on best grades. Choice steers
sold at \$11.50 to \$12.50 for good
to choice and butcher steers and
vealers closed at \$10.50 down.
Trade was active in stockers with
good feeding steers up to \$10 and
\$10.15. In Montreal trade was
slow in getting under way but
the best 100 lbs. Prime Alberta
steers were well cleared, with good
steers at \$11.25 to \$11.75 and a
top load on Monday at \$12.50.
The best 50 lb. cow steers sold
at \$8.50 to \$9. Quality continues
on the plain side in the Maritimes
but prices are steady with best
steers quoted at \$10 to \$10.50 f.o.b.
country points.

EXPORTS TO UNITED STATES

Exports of dairy cattle to the
United States at 1,277 head com-
pares with 641 in the same week
last year. Shipments since Janu-
ary last total 36,246 and in the
same period last year were 28,800.

CALVES READY TO KASHER

For the most part calf prices
were unchanged except for a little
eagerness, particularly on the lower
grades at Montreal and Winnipeg.
Toronto paid \$13.50 to \$14 for
choice veals; Montreal \$13 to \$14,
and \$12.50; \$13.00; Winnipeg up
to \$12.50; and Vancouver \$11.25 to
\$11.75.

DARNLEY W. I.

The September meeting of Dar-
nley W. I. was held in Darnley Hall
on Wednesday evening, September
12. Madam President presided and
meeting opened by singing the
Institute Ode and repeating the
Creed. 10 members responded to
roll call by donating a 12" quilt
block. There were 2 visitors pre-
sent. Minutes of previous meet-
ing and a special meeting were
read and signed.

The sick committee reported visit-
ing sick and taking treats. No
school committee had no re-
port. Correspondence was read and

Margie's
Trouble-Shooter

THIS is Margie. She spends her days
meeting trouble - and then setting
it right. She's one of the most popular
girls we know, because she never gets
fussed or annoyed.

Girls like Margie can't afford to
have nerves. That's why she - and
hosts of folks like her - drink Postum.
Postum is free of caffeine or any other
drug that might disturb heart or
nerves or digestion. And Postum is a
grand drink. Has an appealing flavor
all its own - not like tea, not like
coffee, but wonderfully delicious in
an altogether different way.

Make Postum your regular meal-
time drink! Drink it between meals
too. You'll love it.

discussed. Several members offered
to collect for Salvation Army. It
was decided to write Miss Mac-
Donald regarding the re-organi-
zing of the sewing class. It was
also decided that each member
donate one or two quilt blocks at
next meeting and five members
offered to donate bags for quilt-
lining. The secretary reported
proceeds from ice cream social,
\$61.32, and from cake lotteried,
\$26.20. All bills and dues were
accepted and ordered paid.

Discussions regarding the re-
pairing of hall chairs and enter-
taining the returned soldiers were
left over until the next meeting.
Collection amounted to 36c. A
delicious lunch was served by
Mrs. James Hickey and Mrs. John
Pickering. The National Anthem
closed the meeting.

WESTMORELAND W. I.

The members of Westmoreland
Women's Institute met Sept. 4th
at the home of Mrs. Llewellyn
Gamble with eight members and
two visitors present. The president
presided and the meeting was
in the usual manner. Collection
amounted to 66 cents. Minutes of
last meeting were read, approved
and signed. The reports of the
different committees were heard;
the sick committee reported hav-
ing taken fruit to sick members.

T.C.A. PASSENGER INCREASE

MONCTON N.E. Sept. 26. - Mr.
G. E. Gray, City Traffic Manager
for Trans-Canada Air Lines, re-
turned to the city yesterday from
Winnipeg, where he attended the
company's annual traffic and sales
meeting. A feature of the meeting
was an address by Mr. W. F. Eng-
lish, vice president, concerning the
company's future plans for domes-
tic, international and overseas
services. Also discussed were plans
for the expansion of T.C.A.'s sales
organization in anticipation of in-
creased services during the next
two years, the streamlining of poli-
cies and procedures in respect to
handling of passenger traffic, the
employment and training of re-
turning service personnel and plan-
ning of larger, more adequate
ticket offices to cope with expect-
ed increases in traffic.
