POLICE COURT.—Edward Hennessey for drunkenness was fined \$ 2 or 10 days at the Police Court yesterday morning.

CHARLOTTETOWN Engineers will meet for drill at drill shed this evening at 8 o'clock. A full attendance of recruits requested. By order.

THE dwelling house of Mr. Jesse Corbett, of South Granville, was burned to the ground with all its contents about 4 o'clock Sunday morning. The family barely escaped in their night clothes and everything was lost. The house was a comfortable one and well furnished, and Mr. Corbett's loss is a very heavy one. He had, we understand, no insurance. The barn narrowly escaped. Great sympathy is expressed for Mr. Corbett, who was always ready to lend a helping hand to those of his neighbors placed in unfortunate circumstances.

A POST CARD, received in the city last night, announces the death in Haverhill, Mass., of Samuel Hood at an advanced age. Mr. Hood died on Saturday morning last after an illness of but eight days of la grippe, and was buried on Monday. He went to Haverhill when quite a young man and, after a number of years, founded the boot and shoe business of S. Hood & Son, now conducted by his only son, Mr. F. W. Hood. Mrs. Hood survives him, as do also his brothers Messrs. Richard Hood of Cornwall and George Matthew Hood of Tryon, and a sister, Mrs. and Charles Muttart, Bedeque, besides a large circle of friends and relations. THE GUARDIAN extends sincerest sympathy.

OBITUARY.—Friends and acquaintances will learn with regret and sympathy for the bereaved of the sudden death of Benjamin Bears of Brooklyn, Lot 61, in the 59th year of his age, on the first day of April. He took a cold that developed into inflammation of the lungs and died after a patient suffering of ten days. He leaves seven sons and two daughters to mourn the loss of one of the kindest and pleasantest of parents. He was married but nine months to his second wife, to whom the family are much attached. They will keenly feel the loss which will take some time to reconcile. His neighbors, friends and acquaintances will long miss his pleasant companionship.

The residence of Mr. and Mrs. Geo. Bowness, Norboro, was enlivened on Thursday evening last, by the ushering in of a number of friends who had gone thither to do honor to their guest, Miss Lucy Clarke, Kensington who has been visiting there for the past week. The first part of the evening was spent in games until the arrival of the last member of the company after which a musical, literary and dancing program was gone through in which the following took part: Misses Rhoda Bowness, Lucy Clark, Ida Stewart, Hattie Bowness, Maggie Stewart, Jessie Stavert, Isabella Stavert, Mabel Bowness, Messrs. THERE IS ONLY ONE

Permanent Cure for Catarrh. That is What a Well-known Toronto Gentleman says about Japanese Catarrh Cure.
Mr. John Sloan, 78 McGill st., Toronto, writes: "I have had catarrh in the most disagreeable form for years: have at times got remedies which would relieve me, but nothing to cure me completely, until I tried Japanese Catarrh Cure. From the very first it gave me much relief, and every day's use showed a marked improvement. I used it all six boxes, and it has completely cured me. It certainly does all claimed for it, which I cannot say of scores of other remedies tried, and I feel it my duty to attest my appreciation of anything so worthy."
