—HOWLAN.—Mr. Russell Webb continues to improve under the efficient care of the P. C. Hospital staff. We are glad to note that the operation was successful. Mr. Jerry Peters went down to the Summerside Hospital last week for an operation. Favorable reports have been received and we hope to see him back again soon.

—CHILDREN'S AID MEETING.—The Children's Aid Society of Prince County held its regular monthly meeting on Tuesday evening, March 9th at 7.30 in the Town Hall, Summerside. Fourteen members were present. Mr. George McNutt, the Agent for the Society and the Traut Officer for the Town of Summerside made as usual an excellent report of his work. At present five boys are on probation for theft having been ordered by Mr. Ernest Strong, acting for Judge McQuarrie as Juvenile Court Judge, to report regularly to their pastor and to the Agent to attend school regularly and not to loiter on the streets. The ring-leader of these boys has been sent away from the Town. One girl is also on probation for a similar offense having to report to her pastor and to the agent regularly. A discussion arose re provision for the support of delinquents when sentenced to reformatories or industrial homes. In the other two of the Maritime Provinces it is understood that the Provincial Governments are responsible for the maintenance of juveniles in suitable homes and this was felt to be a matter which should be settled on the island. At present the Juvenile Court judges are unwilling to commit juvenile delinquents to reformatories when there is uncertainty about provision for carrying out the sentence. Collections in the Maritimes are as a rule used for capital accounts, the interest from which is used for building, salaries, etc., and the charge made for each inmate is only for his or her maintenance. Mr. McNutt's report showed that there has been a marked improvement in school attendance and Rev. Father McDonald, whom all were glad to welcome back to the Society commended him very highly for his untiring and conscientious work. There has been no canvassing for membership for this Society, consequently the membership consists at present of very few in addition to the Board of Management. The organization is proving itself most useful in looking after delinquent and neglected children in the community its activities being by no means confined to Summerside. The Secretary would gladly hear from any one who wishes to join the Society, the fee being one dollar (\$1.00) a year and the meetings being held on the second Tuesday of each month at 7.30 in the Town Hall, Summerside.

Blackheads Go Quick By This Simple Method

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body go quickly by a simple method that is simple and safe. To do this get about two ounces of peroxide powder from your druggist—sprinkle a little on a hot wet cloth and rub the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. Pinching and squeezing blackheads only open the pores of the skin and leave them large and unsightly—while the simple application of peroxide powder at the water dissolve them right out, leaving the skin soft and the pores in their natural condition.

DANIEL STEWART

A wave of sadness was cast over Lewis and vicinity when the news came that Daniel Stewart, a highly respected resident of that place had died suddenly while at work in the mines of Westville, N. S. Owing to the delay of mails the sad tidings came to his bereaved family with startling abruptness, they had just received a letter from Mr. Stewart stating that he was in good health followed by a telegram saying that his body would arrive at Melville Station the next evening. The remains in charge of Jas. D. Macdonald of Westville arrived in Charlottetown on Feb. 24th where it was met by a niece Miss Jessie Bell of Mt. Herbert both accompanying it to its destination. Much credit is due three young men of Melville the Messrs MacPherson, Gillis, and Mr. and Mrs. Ronald McGilvary and family, The Misses Dorion and

of the night, with indomitable courage and endurance, battled their way through almost impassable snowdrifts bringing the remains and passengers the six miles from the station to the home. The late Mr. Stewart was a man of sterling character, respected and beloved by all with whom he came in contact and one who will be greatly missed throughout the entire neighborhood.

He leaves to mourn, an aged and invalid father, a devoted wife and seven small children at home, also a son "Donald Angus" of Ontario and one sister Mrs. J. E. Purchase of Mt. Vernon. In the absence of a pastor an impressive service was held at the home by Mr. Ewen MacKinnon assisted by Mr. Geo. MacLean and beautiful hymns were rendered under the leadership of Mrs. MacLean. The pall-bearers were John MacPherson, Donald MacAulay, Jas. E. Macdonald, Henry Brenick, Donald Nicholson, Jas. E. Purchase. A large concourse of sorrowing friends gathered at the house but owing to the state of the roads few could follow the funeral cortege as it wended its weary way through snow drifts to the cemetery at West Caledonia where he was laid to rest beside his former wife Margaret Lamont who predeceased him twenty two years ago.

Thy God in whom thou trusted
He doeth all things best
He saw that thou wert weary
And called thee home to rest.

Sleep on, beloved sleep
Beneath thy native sod,
Thy head is pillowed on His breast
Thy Saviour and thy God. 8117

FELL FROM TOP OF BOX CAR

Sustains painful injury but gets quick relief

Men who handle big hazardous jobs demand quick, effective help for sprains, strains, lame backs and bruises. A freight brakeman on the Chicago and Northwestern Railway fell off the top of a box car on his left arm, spraining it and tearing the ligaments loose.

"I suffered great pain" he writes. "Then I got a bottle of Sloan's Liniment and it relieved the pain right away. I have now no pain to speak of at all. The swelling has nearly all gone down." (Name and address given on request.)

What is the magic of this amazingly effective remedy? Sloan's Liniment contains a supply of healing blood right to the spot that hurts. That's what Sloan's does the whole job. Just put it on. Quickly and surely, it kills pain, reduces swelling and inflammation, drives out stiffness from lame muscles. Get a bottle. All druggists—35 cents.

Miss Gerlie McDonald, also beloved of sympathy.
The remains were laid to rest in South Shore cemetery, High Mass of Requiem was sung by his pastor Father Waish. The pall bearers were Messrs John Smith, Mrs. Smith Herbert Gorrett, Mrs. Murphy, James Hogan, Miss Dorion. May his soul rest in peace.

A Great Canadian Industry Contributing to Canada's Prosperity

General Motors, manufacturing CADILLAC, CHEVROLET, OLDSMOBILE, OAKLAND, McLAUGHLIN-BUICK and PONTIAC cars at Oshawa for Canadian and foreign trade, spent more money in Canada during the year 1925 than Canadians paid General Motors Dealers for their cars.

MALPEQUE

The many friends in Malpeque and vicinity will learn with deep regret of the passing of Miss Sadie McMillan of Halifax, eldest daughter of the late Rev. Dr. John McMillan of that city, and niece of the late Rev. George McMillan former pastor of Princeton congregation. As one reviews the sacred associations connected with the manse Malpeque in those days, in which the deceased lady was a frequent visitor, one cannot but recall loving memories of her as she was known to her friends. Very many will extend their deep sympathy to the bereaved sisters, Miss Millie McMillan and Mrs. W. H. Preedy. The following is a clipping from the "Evening Mail" Halifax re her passing. "There passed tranquilly away this morning, at the residence of Mr. and Mrs. Preedy, 20 Harvey Street, Sarah Sanford, eldest daughter of the late Rev. Dr. John McMillan, for many years minister of the old Chalmers Church, when that church stood where is now the King Edward theatre, and who at the time of his death, about three years ago, was one of the most honored and revered veterans of the Presbyterian church in the Maritime Provinces. Miss McMillan suffered from disease of the heart and had long been in delicate health. About a week ago she had a sudden alarming seizure, rapidly sinking thereafter, to the grief of the household, and the sincere sorrow of many friends. She was a consistent and devout christian and a valued member of the congregation of St. Matthew's Church where news of her death will be received with a special sense of loss. There survive her two sisters—Mrs. Preedy at whose residence as above mentioned she passed away, and Miss Millie McMillan. The interment will be beside her father and mother, in the family lot in the Truro Cemetery."

Miss Dora Matheson of Charlottetown is visiting in Malpeque, the guest of Miss Elizabeth Keir.
