UNION COMMERCIAL COLLEGE

Excellent Work Being Done by this Progressive and Up-to-date Institution. Graduates at Home and Abroad, Holding Excellent Positions. Business Men and Others Appreciate the High Standard Set by this College.

The Union Commercial College re-opens on Tuesday, Sept. 4, and judging by the number of applications, the attendance will be even larger than last term. During the holidays the large class rooms have been renovated and everything done for the comfort of students.

The College entered upon its career with the determination to be honest with its patrons and the general public. It has never permitted itself to resort to deceptive or unscrupulous methods to catch trade, nor has it ever permitted itself to overstate in any way the quality of its work.

Every subject in the course of study is taught by competent and experienced teachers. There is no waste time and every student is required to work diligently during college hours, and do a certain amount of home work as well.

One great feature in connection with this College is its monthly final examinations held the last three days of every month. This means a saving of time and money to the student, and is well worth considering. Nothing but the most modern methods in Bookkeeping are taught. Special attention is given to Arithmetic and Penmanship, two subjects that are almost wholly neglected in some Colleges.

This term the celebrated Gregg system of Shorthand will be taught. It has been adopted by the leading Business educators both in Canada and the United States. It is easier to learn and can be mastered in a shorter time than the older systems, which means a saving in money for the student.

During the past few months some of the best positions in Charlottetown have been filled by students from this College. The secret of the success of its students lies in the fact that nothing but the most practical training is given in all branches and there is no time wasted in nonsense. Parents are assured if they send their sons and daughters to the "Union Commercial" that there will be no waste time and that every moment will be put to the best advantage.

This College will advertise nothing they are not prepared to fulfil to the fullest extent.

Every day letters are coming to hand from students who have left the Island, and they all contain words of the highest praise concerning the instruction received at the College. Good positions are secured without difficulty.

In selecting a school of Business training, it is of the utmost importance that the closest investigation be made. This College welcomes such investigation knowing it has everything to gain and nothing to lose by it.

Students should make it a point to enter as soon as possible after Sept. 4th. During the coming term gold and silver medals and other valuable prizes will be offered.

This College enjoys the distinction of graduating the only touch typewriters, ever graduated from a Business College in this Province. Touch Typewriting is the only up-to-date method of operating the typewriter.

A copy of the new illustrated prospectus will be mailed free on application.

That the high standard set by this College is much appreciated is shown by the fact that students from the other Provinces have made application for next term.

The Union Commercial College is certainly doing a great work and it is pleasing to see the people of this Province appreciate such work. Prin. Moran will leave nothing undone to place the Union Commercial on a level with the best Colleges in America.

An Inquiring Age.

People are not quite so liable to "open their mouths and shut their eyes" as they used to be, and in nothing does this hold good more than in the matter of medicines. Most people like to have some idea what is contained in the preparation they are advised to take.

Probably that is one reason why FERROL has so rapidly gained the favor and confidence of the public as well as of the physicians.

FERROL

the original and only combination of **Cod Liver Oil, Iron and Phosphorus**, is absolutely unequalled for the cure of Consumption and all pulmonary diseases, Bronchitis, Croup, Whooping Cough, Chronic Coughs and Colds, Anæmia, Insomnia, Neuralgia and Chronic Rheumatism, General Debility and all Nervous affections.

FERROL is easy to take in all seasons of the year, easy to digest and you know what you take.

FERROL is not a patent mystery. The formula is freely published. It is prescribed by the best Physicians. It is endorsed by the most eminent Medical Journals. It is used in prominent Hospitals, Sanatariums, etc.

Do You Seek Health?

Consult Dr. Hamilton And You Will Be Shown the Way.

Thousands are in the same boat,—all sickly, bilous and feeling far from well.

Trouble is, the system is clogged with impurities which need to be cleared away.

Before downright sickness arrives you should cleanse and purify the system with Dr. Hamilton's Pills.

At once you'll feel their mighty influence building up weak spots, clearing out disease, and putting you again on your feet.

These purely vegetable pills change your tired, worn-out condition to one of health and vigor, because they supply the body with nourishing blood that builds up and enlivens the entire system.

Mr. John Whitley of Stanwood, P. O., Ont., knows the merit of Dr. Hamilton's Pills, and says: "I wouldn't be alive today had it not been for Dr. Hamilton's Pills. Last winter I was sick with grippe, and when spring came I was weak, bilious and rheumatic. I used enough medicine to cure twenty times, but I didn't get any help till I tried Dr. Hamilton's Pills. They purified my blood, took the yellow color out of my face, put new tone in my stomach, and increased my appetite. The bilious attacks and rheumatic pains gradually departed, and Dr. Hamilton's Pills made a new man of me. I proved their merit, and proclaim them a medicine for all men."

If better health and prompt recovery are important, get Dr. Hamilton's Pills of Mandrake and Butternut today. At all dealers, 25c per box or five boxes for $1.00. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.
