A., to Mr. Lewis Deane, Jr., of Bridgewater, Mass. The ceremony was held at the home of Mrs. McKenzie, a sister of the bride, at Quincy, Mass., Wednesday evening June 4th. The double ring service was used. The officiating clergyman was the Rev. Nicholas Van der Pyl, D. D., of the Centre Congregational Church, Haverhill, Mass., of which Miss McLeod has been a very highly respected member since coming to that city. Mr. Deane comes from an old New England family, who settled in the region of Bridgewater in the early days of the founding of the Massachusetts Colony, and in recent years has been residing in the city of Haverhill. A large company of relatives and friends gathered to witness the ceremony. The house was decorated for the occasion with spring flowers. Refreshments of ices and Strawberry punch were served, and all gathered to bid God speed to the young couple as they started off on their wedding journey. On their return they will make their residence at Haverhill, Mass.

That Tired Feeling

that is caused by impure, impoverished blood or low, run-down condition of the system, is burdensome and discouraging. Do not put up with it a day longer, but take Hood's Sarsaparilla, which removes it as no other medicine does.

"Last spring, being run down and having a tired and worn-out feeling, I was advised by a friend to take Hood's Sarsaparilla. I did so, and one bottle made me feel stronger and better than ever." John Kaye, 487 Pall Mall St., London, Ont.

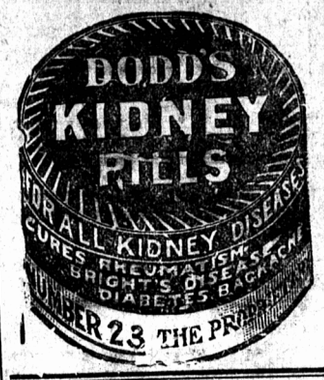
ST. PETERSBURG, June 5 (Special).—Russian creditors alleging claims of $15,000 have procured through the courts the administration of the Russian business of the Lake Torpedo Boat Company, of Bridgeport, Conn.

The government also has entered claims for $478,000 and additional claims to the amount of $2,000,000 damages for alleged breach of contract respecting the construction of four submarines.

The court record mentions undisclosed American creditors, but the abrogation of the treaty of 1832 leaves the matter subject to Russian creditors must be paid first.

The police visited the hotel apartments of Frederick Brown Whitney, of Washington, D. C., the company's American lawyer, and seized his property.

Mr. Whitney says the incident is without international importance, as Russian sufferance determines the status in Russia of American citizens in the absence of a treaty.



EASTERN GUARDIAN

COLOGNE, June 5 (Special).—Cancer has been proved to be a contagious disease, caused by a parasite, and it can be healed, according to Dr. Otto Schmidt, a cancer expert, who reported at a meeting of the Medical Society here the results of his investigations into the origin of and the possibility of curing cancer.

Dr. Schmidt declared he had proved through experiments and had confirmed his findings by means of repeated tests that the disease was a contagious one, brought about by the presence of a parasite which he had discovered in cancerous growths.
