Semi-finals Reached At Forest Hills

BY BILL BONI Associated Press Sports Writer (AP)—Only two nations still were represented at the end of today's fast-paced program that brought the men's and women's United States singles tennis championships down to the semi-final stage.

The United States has three survivors in each division and Australia one in each. Tomorrow will face Sidney Wood of New York and Gene Mako, Budget's doubles partner, will play John Bromwich of Australia. In the women's matches it will be Alice Marble against Mrs. Sarah Palrey Fabyan and Dorothy May Bundy against Nancy Wynne of Australia.

Budge, Wood, Miss Marble and Mrs. Fabyan came through to the next-to-last round of this afternoon each with a master-piece of his or her's individual art.

Budge completely overpowered Harry Hopman, wily Australian Davis Cup captain, 6-3, 6-1, 6-3; Wood left Billy Grant utterly helpless to stave off 6-2, 6-3, 6-2 shellacking; Miss Marble turned on the steam to rout England's beautiful southpaw Kay Stammers, 6-3, 6-0, 6-1; and the fumbling first set, and Mrs. Fabyan, winner of the last two United States doubles titles with Miss Marble, upset Ladywyne Jeddree, 6-1, 6-0, 6-1.

At Brooklyn St. Louis Cardinals saved sixth place with a doubleheader sweep over the Dodgers, winning 7-1 and 8-4.

Lefty Clyde Shoun allowed seven hits and fanned six to take the opener.

Budge was on top of Hopman all the way. The only time Australian was in it all was at the start of the third set, when Budge eased up a bit to give Hopman a 2-0 lead, then came storming back for three service breaks and the match.

But Eyston is not satisfied at driving an automobile at a rate of nearly six miles a minute. He said he may try again next week, presumably in an effort to boost the clin above 360.

Two flashing runs by Eyston's "Thunderbolt" on the glaring sale course regained for him the speed which Cobb wrested away yesterday with an average of 350.2.

On Aug. 27 Eyston had raised his last year's record of 311.42 to 348.49 and there were indications that the two champions might continue their hazardous contest.

Cobb announced after hearing what his rival did that "after due deliberation we have decided to abandon further quest for the world land speed record so far as this visit is concerned."

Eyston's seven-ton "Thunderbolt" was extensively remodelled for today's run.

Shoun proudly afterwards, "we're getting the speed so fast now that we're treading on very dangerous ground each time we try to jack it up a bit."

Pirates Spilt Doubleheader With Boston Bees To Hold Three Game Lead Over Cubs

NEW YORK, Sept. 16 (AP)—Pittsburgh Pirates, following the example of the other contenders, marked time in the drive for the National Baseball League pennant today by splitting a double-header with Boston Bees.

The Pirates maintained their three-game lead over the second place Chicago Cubs, whose game with fourth-place Giants was postponed. The third-place Reds remained stationary by dividing a twin bill with the Phillies.

Three-hit pitching by Hugh Mulcahy held the Reds to an even break.

After Paul Derringer blanked the Phils 2-0 in the opener to his 20th game of the season, Mulcahy turned in his great performance in the second game for a 2-1 victory and his 10th triumph of the campaign.

Giants Lose Services Of Dick Bartell

(By Alan Randall, Canadian Press Staff Writer) NEW YORK, Sept. 16—Al Schacht, the renowned baseball coach, performed before 492,000 minor league fans this season, his work since war-time has started. George Selkirk, only Canadian with the world champion Yankees may as well kiss 10 bucks goodbye. Last spring he bet Lefty Gomez and Red Ruffing had a better than the two pitchers combined. George's hitting roundabout 259 with Gomez at .160 and Ruffing .200.

Wonder where they get this stuff about the "daffy" National League pennant race. With the it looks as though the American League is the early set-up. The former Chicago Black Hawk hockey player is now in the cafe business.

Dick Bartell, peppy Giant of them all is out for the season with a broken finger. Another worry for Manager Bill Terry. Seven straight wins for Freddy Fitzsimmons seems enough to make Terry weep. Last spring he thought Freddy would turn the tide for them needier. Galenhouse was pitching one of his better games when a combination of a walk and two singles gave Boston the two runs needed. Archie Main gave the Indians seven hits.

The defeat, coupled with Yankees win, put Cleveland definitely out of the pennant race.

Strain of the National League pennant race has been such that Pittsburgh owner Bill Benswanger has had two kinds of nerve tonic in the past month. England's polo ball monopoly is broken. Up to this year balls had to be imported at two bits a throw. Now they are being made for 20 cents on Long Island. But the boys still pay up in the several thousands for a right smart polo "hoop."

Garrison wasn't much of a puncher, but he showed the fans an iron heart and an iron jaw and Montanez, who definitely is in the race for Henry Armstrong's lightweight crown, his hard-fought since he lost to the then champion Lou Ambros just a year ago.
