A. R. McDonald, carriage manufacturer, of East Souris, P. E. I., who is on a tour visiting his many friends and relatives in Cape Breton, was in town yesterday. Mr. McDonald who was born at Irish Cove, C. B., left his native home when a young man and went to Massachussets, where he lived for a number of years, there he made the acquaintance and married a young lady of Summerside, P. E. I. In 1879 he went to Souris and established his present business which he has carried on with great success. Mr. McDonald is much impressed with Sydney, and believes that the future prosperity of the place is certainly assured.—Sydney Post.

JOHN R. Gillis, brother of N. J. Gillis M. P. P., has purchased the business carried on so successfully by T. J. Morris, at the junction of Main, Union and Commercial streets, and will carry on the business under the firm name of John R. Gillis & Co. It is understood that Mr. Morris will return to P. E. I. to conduct a wholesale produce business. While regretting to lose Mr. Morris, we congratulate his successor on the purchase. Mr. Gill's personal popularity, added to his extensive business experience should qualify him to conduct a large and successful business.—Glace Bay Gazette.

"THE public examination of the Park-corner school took place on Tuesday morning June 30th when a goodly number of parents and visitors were present to adjudicate upon the results. The teacher Mr. Irvin B. Howatt, B. A. was assisted by J F Profitt, teacher, French River, who subjected the pupils to a rigid and thorough examination in the various subjects. Miss Stella Campbell Park-corner who was present also took part in the exercises. The pupils, judging by their answers of the many and perplexing questions gave evidence of careful and attentive training, and reflected much credit on their teacher who has labored faithfully and acceptably during the past year. At the close of the examination remarks were made by Messrs. Andrew McLeod, Albert Simpson, George McKay, Mrs. Albert Simpson, who expressed themselves as being agreeably surprised with the proficiency of the school in general, also by J F Profitt, who spoke of many improvements made in the classification and discipline of the school since his last visit on the date of Inspector Campbell's visit over a year ago."

THE following letter of condolence has been passed by Pleasant Valley Auxiliary to Robert Keating. Dear sorrowing Friend,—Where as it has pleased Almighty God in his infinite wisdom to call your beloved wife away from her earthly home to the home he has prepared for her in Heaven, to live with him in glory for ever, we the members of Pleasant Valley Buxiliary of the Women's Missionary Society tender you our sincere sympathy. You are not alone in your grief, dear friend. We miss sister Keating in our Auxiliary, we miss her in the church, we miss her in our homes, where she was always a welcome visitor. There is nothing more solemn in life than death. The moment the light falls from the face of our beloved, we are conscious of an invisible presence, the presence of death, and under that awful shadow, we bend in silent sorrow. It is true as the poet says, "That death translated into the Heavenly tongue means life," and yet death is very sad. Only those who know what it is to come back from the grave and look on the vacant chair so lately filled with the form of the beloved dead, can understand how awfully vacant that chair looks. Dear friend our united prayers to Almighty God are that you may be able to look beyond the dark cloud that rests upon you now, and that beyond it you may see the side that is Heavenward.

MRS. HENRY MURRAY,
MRS. GEORGE MALBETT,
MRS. THOMAS BERTRAM,
MRS. DAVID MCLURE,
In behalf of Pleasant Valley Auxiliary.

SHAKY NERVES.

Sufferers from Nervous Troubles are in a State of Continuous Torture—Suggestions as to how the Trouble Can be Overcome.

When your nerves are shaky your self-control is shattered—your will power is broken. Sudden sounds startle you; your temper is irritable; your hands tremble; there is weakness in your knees; your skin is pale and parched; you are restless at night and tired when you wake. It all comes from nervous exhaustion, perhaps due to overwork and worry, late hours, hot days, and want of blood. Dr. Williams' Pink Pills is the only cure. They make new, rich, red blood. They brace up jangled nerves and strengthen tired backs. They give strength and energy to dull, weary, despondent men and women. Strong proof is offered in the case of Mrs. Wm. Westcott, of Seaforth, Ont., who says:—"For a long time my health was in a bad state. I was subject to headaches, dizziness and nervous exhaustion. My appetite was poor, and I was so badly run down I could not stand the least exertion. I tried several medicines and consulted different doctors but they did not help me any. One of my neighbors strongly urged me to try Dr. Williams' Pink Pills, and before the second box was finished the turning point for the better had been reached, and by the time I had used a half dozen boxes, to the surprise of my friends and neighbors I was again enjoying good health, and have since been strong and well. I do not know anything to equal Dr. Williams' Pink Pills when the system is run down."

What the pills have done for others they will do for you, if you will give them a fair trial. Sold by all medicine dealers, or sent post paid at 50 cents a box or six boxes for $2.50, by addressing the Dr. Williams Medicine Co., Brockville, Ont.
