

The Last Call For Christmas --- The Last Chance to do Xmas Shopping---Act Now

Santa Claus Will be Here all This Week

A telegram from Santa Claus advises us that he will be at Holman's Store all this week, and will appear in the Toy Window each afternoon from 4 until 4.30, commencing Monday afternoon and ending Saturday. Santa warned us in the telegram to tell all the children about his arrival, and tell them to be sure and meet him at Holman's. He wants to see the children from far and wide in front of the window on the hours mentioned. Don't disappoint him.

This is our last large Xmas advertisement--our last appeal to you to do your Xmas shopping early. It is only a matter of days and hours until Xmas. It is a matter of "wading in" and getting your shopping over with as quickly as possible.

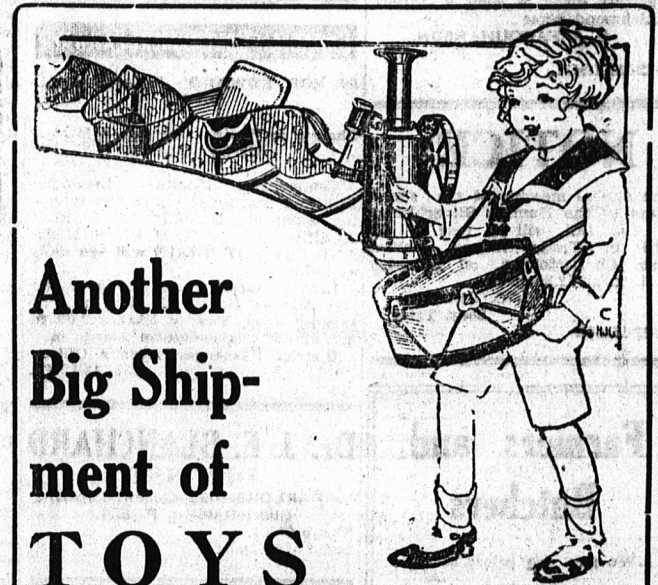

There is one consoling feature, and that is the unexcelled position of this store to answer your gift problems quickly and satisfactorily. There is no store in Eastern Canada in which you can accomplish so much shopping in a given time as at Holman's, because Holman's is in reality ten or more stores under one roof--with everything arranged and classified for your convenience.

Despite the difficulty to secure goods this store has excelled itself this year in the vast collection of appropriate gift suggestions accumulated for your benefit. Never we think was our stock larger--never was selecting better than right now.

Don't wait until the eleventh hour--commence your Xmas shopping at once.

You can almost hear the Xmas Bells in the distance, so closely is Xmas approaching. Don't let it find you unprepared--don't leave your Xmas shopping until the best goods are picked up.

Commence your shopping today, get under your hat, and head for Holman's

Another Big Shipment of TOYS

Santa sent us another big shipment of Toys, and they just arrived in time.

You can see them in the Toy Department--mechanical wonders of various descriptions--the greatest assortment of ingenious devices, interesting novelties, and amusing creations. Table upon table, display stand upon display stand--hundreds of thousands of articles to select from. Never before have we had such a quantity--never before such a variety for your selection.

Bring the children to Holman's and let them see with their own eyes the most remarkable collection of Toys ever seen in this store.
