Sackville to Play Here This Week

GAMES WILL BE PLAYED TUESDAY AND WEDNESDAY WITH THIS FAST AGGREGATION

The next game in the Eastern Hockey League will mark the first appearance here of the Sackville team. During the trip of the Abegweit in their recent mainland tour the boys were loud in praise of the splendid treatment given them by the Sackville people who are true sportsmen and it is hoped that Sackville will be given a warm welcome by the fans. The visitors have a splendid team, well-balanced and exceedingly fast. In fact the Abbots state Sackville has the fastest of the mainland teams. It was only in the last minutes of the game that our team was enabled to pull out a victory.

It is possible that the Sackville band—a splendid musical organization may accompany the hockey sextette. Sackville will play their two fixtures on Tuesday and Wednesday.

It is believed that the games will attract very large audiences. The sale of seats for Tuesday's game will begin this morning at Hughes Drugstore.

Jimmy Wilde A Fallen Idol

LONDON, Jan. 28.—Part of London looked today with feelings almost akin to despair on the shattered pieces of her last ring idol. Part of London saw Jimmy Wilde victorious in defeat and looked upon him as the bantamweight champion of the world.

The tiny Pontypridd Atom was technically knocked out before the Prince of Wales and others by Pete Herman, the American bantam in the seventeenth round of a bout recently in Albert Hall.

The Morning Press agreed that Wilde undertook a superhuman task in giving the American a fifteen and one-half pounds weight handicap.

Wilde entered the ring against the advice of his best friends. By coming into the ring suffering of overweight Herman forfeited the bantam weight championship although defeated. Wilde is the bantamweight champion of the world today, the Daily Graphic said.

Herman was outboxed from the beginning. His superior weight saved him, said the Times.

Wilde tried the impossible. Herman was always too strong, only in the fifth round did Wilde show his real form and it didn't bother Herman, the Mail said.

After the fight, Herman told the United Press, "Wilde is the greatest little boxer I have ever seen in my life. That's all I can say." Herman plans to sail Saturday for America.

As the end came in the seventeenth the referee interferred and stopped the bout to save the little Welshman from the ignominy of a knockout.

Although in the last round Wilde three times had been knocked through the ropes, he was still coming back for more punishment when the referee caught him in his arms, ended the battle and gave the decision to Herman. The fight had been advertised as being for the bantamweight championship of the world.

The man had agreed to weigh in at 118 pounds, but Herman was one and a half pounds over the stipulated weight. The first five rounds were in favor of Wilde. Then the advantage alternated until the fifteenth, when Herman's weight began to tell on the Welshman.

NEW YORK, Jan. 28.—"Slim" Sallee, veteran pitcher with thirteen years of service in the National League and whose threats to retire have been numerous for several years, has signed a contract with the New York Giants.

In 1919, after he threatened to leave the game forever unless transferred to Cincinnati, so that he could be near his Higginsport farm, Sallee, along with Catcher Bill Baridani, was sent to the Reds. Slim came back to the Reds last fall by the waiver route.

Now he's done with kicking over the proverbial traces and says he will stay "for good" this time.

Drink More Water If Kidneys Bother

EAT LESS MEAT AND TAKE SALTS FOR BACKACHE OR BLADDER TROUBLE

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headaches, dizziness, stomach gets sour, tongue coated, and you feel rheumatic twinges when the while it is only trouble. weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Drugists here say they sell lots of Jad Salts to folks who have in overcoming kidney trouble had a very pleasant evening.
