Piles Go Quick

Under Dr. Leonhardt's Internal Method

Large numbers of sufferers from itching, bleeding or protruding piles have learned that quick and lasting relief can be accomplished with an internal medicine, when salves do not help and wish to escape operation.

Bad circulation of the blood in the lower bowel causes piles. The veins are flabby, the bowel walls weak—the parts lifeless. To end Piles an internal medicine should be used to stimulate the circulation, and help to heal the affected parts.

Dr. Leonhardt was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for large numbers of patients with a fine record of success and then decided every Pile sufferer should be able to get HEM-ROID tablets from their own druggist, with money-back if not joyfully satisfied with the help one bottle gives.

So isn't it wise when other ways fail to go to Hughes Drug Co., also Taylor Drug Co., of Kensington who have, "No matter what kind of Piles you have, one bottle of HEM-ROID tablets must show you the safe, clean way to get rid of your Pile misery or money-back."

YOUR GROCER CAN HELP YOU TO Keep on the Sunny Side of Winter

Raw, bleak days bring a change in living habits. You get less outdoor exercise—less vitalizing sunshine. At this time of year you must maintain your strength and energy to help ward off colds and other winter infections.

Your grocer can help you to sunny living. On his shelves you'll find Kellogg's ALL-BRAN, the cereal that helps keep you free from common constipation, due to insufficient "bulk." This ailment is the most frequent cause of sluggish days, loss of appetite and energy.

You can correct common constipation safely by proper diet. Serve ALL-BRAN regularly. Its gentle bulk, much like that in leafy vegetables, aids elimination. ALL-BRAN also furnishes vitamin B and iron.

Get Kellogg's ALL-BRAN in the red-and-green package at your grocer's. Two tablespoonfuls daily are usually sufficient. With each meal, in severe cases. If not relieved in this way, see your doctor.

Unlike cathartics, the same amount of ALL-BRAN continues to be effective when served regularly. Sold by all grocers. In the red-and-green package. Made by Kellogg in London, Ontario.

Children's Death Baffle N.Y. Police

CARLELE, Pa., Nov. 28.—(CP)—Three days of intensive hunting along trails which extended the entire breadth of the United States found police still groping for a solution of the mystery of the three

light-haired girls whose mountain side birch woodmen stumbled upon. Of the few clues which have so far escaped the discard local police were most intent upon one with a San Francisco source.

Baffling police, too, are the bodies of a man and a woman found shot to death at Dunansville. The five hundred miles of mountainous country separated the children from the man and the woman. Police worked on a theory that the five are part of a single tragedy.
