DISAPPEARANCE.—Considerable uneasiness is being felt by his relatives and friends concerning Mr. Joseph Conway who disappeared on Thursday night. He resided with his brother on Grafton St. On Thursday night he had visited a neighbor's house and has not been seen since. As he gave no intention of any intended journey as was his wont it is feared that something has happened to him. Yesterday a number of friends spent some time grappling in the vicinity of the Marine Wharf where he had been working and where it is thought that he might have met with an accident. Nothing came of the search however and his disappearance is still a mystery.

FEAST OF THE PATRONAGE.—Yesterday the Feast of the Patronage of St. Joseph was celebrated in St. Joseph's Convent Chapel. The Chapel was beautifully decorated and illuminated for the occasion by the sisters of that institution. At 7.30 a. m. mass was celebrated by the Director, Rev. Dr. McLellan, at which a very large number of the members of the sodality received Holy Communion. In the evening at seven o'clock an eloquent sermon, suitable for the occasion was preached by Rev. Stephen McDonald of St. Dunstan's College, followed by the reception of thirty-one members into the Sodality. Benediction was then given by Rev. Dr. McLellan assisted by Rev. Father Poirier and Rev. Stephen McDonald. The choir of the Sodality furnished appropriate singing at both services.

ARTISTIC WINDOW.—One of the best dressed windows in Charlottetown Saturday night, was that of the MacKinnon Drug Co., Corner Great George and Kent Sts., which was admired by all those whose pleasure it was to see it. Arranged centrally in the window was an enlarged photo of Their Royal Highnesses, The Duke of Connaught and Princess Patricia, in the barouche in which they driven during their visit to Charlottetown last year, and which was taken on Kent St., between Queen and Pownall streets. On the left of the picture was the trophy presented by His Royal Highness for general efficiency in heavy artillery competition, won permanently by No. 4 Company 4th Regiment. Another photo of this Company's honors, the Wilson-Smith Challenge Cup for efficiency in gun practice at Petawawa, gave an artistic finish to the arrangement. On the whole the window was certainly commendable and reflects credit on this up-to-date drug store.

PROSPECTUS OF THE Martin Black and Silver Fox Company LIMITED

Capital \$24,000.00 (twenty-four thousand dollars) divided into 240 shares at a par value of \$100.00 (one hundred dollars) each.

The ranch is situated at Kiguross, within one-half mile of Uigg Station, on the farm of J. S. Martin, who, with S. A. Martin, of Winnipeg, Manitoba, are the promoters, and have secured two options on pedigreed Royal Foxes, their parents being selected from the Dalton and Frank Tuplin Ranches; and we believe we have a quality equal to the best.

Mr. Martin will erect the ranch and will equip the same in the most up-to-date manner for safety and health of foxes, and will care for and feed said foxes for 12 per cent of increase first year, to Sept. 1, 1914. When stock are all subscribed, a meeting of stock holders will be held to appoint managing directors to make arrangements for care of foxes after Sept. 1, 1914, and other business in connection with same.

Ten per cent of amount subscribed must accompany the application.

PROSPECTS

The prospects for the future are bright. Prices are still advancing, and are now higher than ever. Options are taken for 1914 pups at \$12.00 per pair. Figuring conservatively, the profits for 1914 on two pairs are estimated as follows:

Allowing for only two pairs, increase should yield 88 per cent.
Allowing for three pairs at \$12,000 (\$36,000) equal to 150 per cent.
About \$16,000 of this stock has already been subscribed, and parties wishing to secure stock should do so quickly, as the list will be closed soon.

Applications should be made to John S. Martin, Kinross, or Sam A. Martin, 393 Rosser Ave. Winnipeg, Manitoba.

APPLICATION FORM

To J. S. Martin, Kinross:
