Rotary Salutes Victory

As the news of victory spread to all corners of the city at noon yesterday, Rotarians gathered at their luncheon to pay solemn tribute to the Canadian men and women in the services, who have played so great a part in making V-day possible.

"Commemorating the day, Major T.E. MacNutt paid tribute to the men who made the supreme sacrifice. Rotarians bowed their heads in prayer and thanksgiving as Bugler Sgt. Doiron sounded "The Last Post". Major N.W. Lowther spoke briefly urging Rotarians not to forget during this hour of tribulation, that our service men and women would shortly be returning from the battle-fronts and would need a helping hand in their re-habilitation.

The program included the singing of "There'll Always be An England" and "Land of Hope And Glory" by the Rotarians and the special singing of "The Ghostless Army" and "The Veteran's Song" by Flt. Lt. Bruce MacDonald, R.C.A.F. All branches of the fighting services were represented by the presence of guests, Lt. R. MacMillan, D.F.C. and Bar, R.C.N.V.R.; Capt. Roy McCabe, Wing Cmdr. Angus MacLean, Lt. T. Shaw, R.C.N., and six members of the Allied Club representing the Air Forces of the Allied Nations. Other guests included D.B. Lusty, George Sinclair, Fred Cannon, Lloyd Shaw, and Warren Burns.

The nominating Committee announced Rotary's new board of directors, who take office on July 1st. They are President Lt. Col K.S. Rogers, Vice-Pres. Art MacPherson; Secretary D.M. McGuire; Treasurer, J. Montgomery; Directors, Lt. Com. C.P. MacKenzie, J. Cerry and T.R. Cudmore.

In referring to the significance of yesterdays news, President Roy Cudmore said:

"This is a day of rejoicing and thanksgiving. We rejoice that the years of war horror in Europe have come to an end and express our thanks to Almighty God that he has deemed us worthy to be Victorious.

"The guiding forces of decency and Democracy, as described in the Atlantic Charter must continue to be the corner stone of the New World. We cannot go back, we MUST go forward, and the same guiding force which has sustained us through the weary war years, must be invoked to carry us onward during the years which lie ahead.

"Today we celebrate the great Victory over Hitler and his German followers. May God speed the day when we will be expressing our joy and thanksgiving, over the subjugation of Japan and all the lost some doctrines to which that nation ascribes her waning greatness."

Prince County Sets New Mark In Red Cross Drive

Total figures for 1945 Red Cross Campaign in Prince County have been released by Chairman P. G. Clark today, showing the magnificent total of $39,403.14 contributed.

This is $5,004 more than the 1944 total. The town of Summerside was asked for $15,000 and $15,318.00 was contributed. The rest of the County including St. Eleanors, Mt. Pleasant and Tignish R.C.A.F. Stations was asked for $20,000 and $24,100 was contributed.

The increase of $4,100 in the County outside Summerside, was largely due to the magnificent contributions of the St. Eleanors and Mt. Pleasant R.C.A.F. units, the latter of which was reported on previously. Figures just received show No. 1 R. & N. School at St. Eleanors, with 1550 men including 380 Officers, as compared with 2100 men including 760 Officers in 1944, have contributed $2,000 in excess of 1944 with a total of $4952.—S

Ban Likely To Be Lifted On V-E Day

(By The Associated Press)

WASHINGTON, May 6 — With proclamation of V-E day, expected any time, removal of the ban on racing probably will be the first government action directly affecting sports in the United States.

Some racing officials who heretofore have declined to comment on when the $1,000,000,000 sport might be resumed said Saturday they had learned the ban will be lifted V-E day or "within hours thereafter."

Otherwise, the immediate effect of V-E day on sports will be principally psychological with a feeling that much of the wartime pressure is off.

How S'side Received The Momentous News

Big Program Planned For Today; Will Begin With Thanksgiving Service At 11 A. M.

The unofficial news that victory in Europe had been achieved was received in Summerside yesterday with joy and thanksgiving but there was no spontaneous demonstrations. At about 3.30 flags and bunting commenced to appear in the different store fronts and by supper time nearly all the stores in the business district and many residences were gaily decorated with the flags of the United Nations. At 5.30 the ringing of bells and the blowing of whistles proclaimed the news to all who might not have heard it.

Today the Victory Day Committee, which has been functioning for some time, has drawn up a program that should be fitting to the occasion.

At 11 a.m. divine service will be held in all the churches of the town and it is hoped that large crowds will attend.

At 2 p.m. a grand parade of military units, Canadian Legion, and school children will move off from the High School grounds and after marching through the principal streets of the town will terminate at Memorial Park where an interesting program will be carried out. The chairman will be His Worship Mayor Arnett and the invocation will be given by Rt. Rev. Msgr. G. J. McLellan. Prayer will be said by the Rev. Charles Carnegy of the Summerside Presbyterian Church and there will be speeches by prominent military and civil leaders.

In the evening to fittingly terminate a momentous day, there will be a display of fireworks on the High School grounds at 8.30.

It is hoped that as many people as possible will turn out and take part in all these events. S

Reminiscence

Childhood, come back! I have missed thee too long
Bring to me gay-hearted laughter and song.
Life has grown sombre, it's woes press me sore;
Days bring their toil and are care-free no more.

Child of those lost days, Oh come back to me!
Live again those short years I wandered with thee;
How mused we on mysteries 'round us that lay,—
The song of the lark—the light of the day!

Come back to me childhood's Springtime once more,
Thro' thick wooded glades we sought nature's lore;
Where moss as a carpet spread green 'neath our feet,
There the Mayflower hid, as Spring-fresh and sweet.

Come! bring to me sunny days by the brook
Where we loved to roam with our line and hook.
Gay-speckled beauties we lured by disguise
Then full-hearted turned t'ward home with our prize.

Bring back to me those school days of yore
When earnestly sought we those lessons to store....
Life's school has grown hard; it's problems too long—
Dear childhood return with thy laughter and song.

—Hazel Fraser.

Army Call-Ups Are Suspended

OTTAWA, May 7 — (CP) — Suspension of the call-up for compulsory military service and arrangements for the enrolment of volunteers for the Pacific war were announced today by Labor Minister Mitchell in a revision of Canada's manpower policy following the defeat of Germany.

Delinquents—men who have been ordered to report for military duty May 7 or earlier and have not done so—are still required to report and if found medically fit will be enrolled in the army, Mr. Mitchell said in his announcement, which followed a telephone conference with Defence Minister McNaughton.

Further call-ups are immediately suspended but men who were instructed to report for medical examination today, or previously, must still undergo examination. Those found medically fit will not, however, be ordered to report to the army at present.
