EXHIBITION HOCKEY - Displaying their wares for the first time this season the Olympia Royals of Summerside played a fast clean exhibition game with the Middleton Bombers in the Bedeque rink on Wednesday night with both teams displaying a brand of hockey which promises to give the fans plenty of excitement and a run for their money when the league opens up the week-end. Exhibition hockey is generally more somewhat inferior hockey as a rule as there is nothing at stake but Tuesday nights game has all the elements of a team apparently determined to hang up all and any scalps in their own wigwam for the balance of the season. The over one hundred fans got plenty of excitement throughout the three periods after waiting until ten o'clock for the game to get under way. Due to lack of goalie equipment which was late arriving the game was late starting but the officials were determined that the league opens all games will start promptly on time. So far only Summerside and Middleton are in the league but with the fine open winter which has so far prevailed showing promise of continuing it is expected that other teams will be coming in to play. The game ended in a three all tie. 1-7-44

Championships Awarded At Fox Pelt Show

It is expected that the George A. Callbeck trophy, Summerside, will be awarded the aggregate score trophy at the sixth annual pelt show at the western capital. The award was not announced but it was thought that on the basis of his showing Mr. Callbeck was almost certain to be leading the race.

The award is made to the ranch collecting the most points, which are awarded on the basis of one point for the last placing in each section and as the position ascends one point is added for each.

Mr. Callbeck was a strong winner yesterday in the new type classes, including white marked and platinum pelts.

In the standard silver class the grand champion award went to Kair Woodside of Melpeque, with Peter White taking the reserve award.

The champion standard silver adult pelt was owned by D. O. Stewart of Summerside and the reserve champion by J. M. Rogg. The champion standard silver pup pelt was owned by George Woodside and the reserve by Peter White.

The best pair of matched silver adult pelts was owned by George Woodside and the second place group by the McLeure and MacKinnon Silver Fox Farms Ltd., of Charlottetown.
