Down The Back Stretch

Not for years have racing conditions been as bad as in the third heat of the three classes raced at St. Peters Wednesday afternoon.

have ever heard of the wrong way of the Charlottetown Park track.

Wrong way of the track miles are not very popular with our local drivers.

There will be a little break in the racing program.

New Annan is August 3rd with 2.15, 2.21 and 2.29 classes.

Montague follows New Annan on August 10th with a Free-For-All.

Toll Gate 2.00 1-4, a Canadian pacer that has had a remarkable career.

King Spruce, now bearing a win race of 2.14 made at St. Peters, has been to be a great pacer.

The sire of King Spruce was Hedgewood Boy 2.01 a famous pacer of twenty years ago.

Speaking of sensational speed, we have seen some pretty good quarters at our local track.

King Spruce referred to above was bought a little over a year ago by Will Keyes from a party in Illinois.

Toll Gate 2.00 1-4 can hardly be distinguished in a recent photograph on the front page of the American Horse Breeder.

Counterpart 2.02 1-4, sold for a few hundred dollars at the Old Glory sale five years ago.

Peter S. green pacer bought by Well McNeill a few weeks ago, has been converted to the pace and takes to the new gait well.

The stable of Billy Hood consisting of Abbe Worthy 2.10 1-4, Flo Abbe 2.12 and Nell Frisco 2.03 is expected here shortly.

Inquiries for Charlottetown Exhibition race programs are coming in fast, indicating that there will be well filled classes here for our three day meet.

The Halifax Herald's Sporting column gives our Provincial Exhibition a good boost.

We notice the name of Danny Steele as a driver in the matinee at the Charles River speedway.

Quite a number of ladies at Lexington, Ky., have taken up horse racing as a hobby.

Del Volo 2.10, Monte's race horse, a mile in 2.13 3-4 to a cart a few days ago, but this is not all.

Yesterday was the liveliest morning of the season so far at the Charlottetown Driving Park track.

fifteen horses were given workouts and the stop watches were busy clocking them.

Marjorie M. 2.11 and Golden 2.12 hooked up for a couple of heats.

Marjorie M. has about the best manners of any race horse that we know of.

Speaking of John Kelly, he has probably owned more race horses than any man in the Maritimes.

Peter Dawes 2.12 made Dr. McIntyre's happy yesterday morning when in company with Johnny Miles he trotted in 2.14 with the utmost ease.

Col. D. A. MacKinnon, owner of Johnny Miles, was so disgusted with him after about ten attempts to get away with Peter Dawes yesterday morning that he switched him back to the pace by cutting seconds.

Other workouts at the track were Bingen Aubrey 2.25, Poinsette 2.22, The Willys 2.16, Peter S. on the pace 2.26, Del Volo 2.16.

Peter S. green pacer bought by Well McNeill a few weeks ago, has been converted to the pace and takes to the new gait well.

Liked Bouts

Mr. Sports Editor— In regard to the boxing bouts at Indian River Picnic, which proved the greatest attraction of the day.

The first bout was between "Young" Gallant, of Summerside, and Jimmy Evans, of Irishtown.

The next bout was between "Kid" Nickerson, of Charlottetown, and "Tiger" Harrington, of Morell.

I would kindly ask the promoter of this bout to match his boys more evenly.

The next bout was between "Kid" Nickerson, of Charlottetown, and "Tiger" Harrington, of Morell.

I am, Sir, etc., A CHARLOTTETOWN BOXING FAN.

"Jap Invasion"

NANKING, China, July 22—The Kuomintang official Chinese news agency, reported today that "armed resistance without neglecting diplomatic methods" is the policy decided upon by the Nationalist Government.

Our tracks are not as spry for one thing and our heavy salt air seems to slow up the mid-section horses that come here.

More than two hundred thousand dollars, a record price at public auction in recent years for an English stallion was paid on July 11th at New Market, England.

As we write this the Buffalo Grand Circuit race meet with its million dollars worth of world's champion trotters and pacers are racing over one of the finest plants in America.

Over three hundred fall fairs and exhibitions starting September 6th, and continuing until late in October will be held in Ontario.

Guy the Tramp, Canadian pacer, from whom so much has been expected was ill, his first start on the Grand Circuit.

Major S., 2.12 1/4, now owned in the Western Metropolis, electrified spectators yesterday afternoon at the Summerside race track.

The management of the Montague Race Track has announced classes for their race meet on August 10th.

Free-For-All Purses \$300.00 2.14 Trot Purses 300.00 2.21 Trot and Pace Purses 300.00 2.28 Trot and Pace Purses 100.00

The last named race is for horses owned in Kings County only.

A considerable amount of work has been done on the track this season and is now in excellent condition.

Bertha Patch who showed up well at the ice races last winter and for whom a Halifax horseman was negotiating a few months ago, has been breaking track records and winning races almost every week.

Inquiries for Charlottetown Exhibition race programs are coming in fast, indicating that there will be well filled classes here for our three day meet.

Speaking of Ontario horses and their performances, it is the writer's impression that in buying a horse in Ontario to race in this country you must figure two seconds slower time performance here.

THE GRAND CIRCUIT

FORT ERIE, Ont., July 22—(A.P.)—After a slow track had caused postponement of two races on the opening card of the Grand Circuit here today.

Although pacing considerably slower than her best time of 2:08 3-4 the mare won the third heat by double the length of horse and sulky.

The postponed event, the National Handicap Stake trot and the 2.16 pace for the Buffalo Evening News purse, will be the first two races on tomorrow's card.

SUMMARIES 2:20 Trot, Purse \$500 Arthur Mower, br s, by the Laurel Hall (Stokes) 8 1 1

Eleanor Forbes, br (Lacey) 4 5 4 Senator McKillop, Horton, The Belmont, and Vansand also started.

Time: 2:09 2-5; 2:06 1-4; 2:09 1-4. HALIFAX, July 22—(By the Canadian Press)—Defeating a field of 64 pacers, Mrs. S. E. Goodwin, of Ashburn Club, Halifax, today turned in a gross score of 190 to win the Nova Scotia women's amateur golf championship.

Miss K. Ladd of Yarmouth was runner-up with a score of 191. Mrs. W. L. Muir of Ashburn, who was leading by one stroke at the end of the first day's play, finished in third place, with 192.

The first division prize for the best net score went to Miss V. Stockwell, Ashburn, at 149. Mrs. W. Rowlings of Brightwood, Dartmouth, was runner-up with 154.

Ashburn topped the Chronicle Cup, team prize for the best score: Mrs. Goodwin, 190; Mrs. W. L. Muir, 192; Miss Stockwell, 197; Mrs. W. K. Mackean, 204; total, 783.

In the second division, Miss Alice Mielke of Gorsebrook, Halifax, won the prize for the best gross score, 212, with Miss Barbara Trites of Bridgewater next in line at 214.

The best net score in this division, 159, was turned in by Mrs. H. Hiseier of Gorsebrook, who was followed by Mrs. S. Holloway of Brightwood at 168.

The second division team prize was won by Gorsebrook: Miss Mielke, 212; Mrs. Hiseier, 219; Mrs. O. Lovett, 225; Mrs. V. P. Mullock, 230.

Mrs. G. Creighton of Brightwood won the driving competition at 391 yards. Mrs. D. Campbell, Bridgewater, was next at 376.

Mrs. T. Moon of Ashburn won the approaching and putting competition over Mrs. R. MacGregor of New Glasgow, and the sealed hole prize went to Miss K. Ladd, Yarmouth.

The 1932 tournament will be held on the Ken-We Club course at Kentville.

MAKE EFFORT TO SECURE CURE FOR DISTEMPER

LONDON, July 22—(By the Canadian Press)—In efforts to secure a serum cure for distemper in dogs at the Farm Laboratories of the British Medical Research Council two kennel maids live under strict discipline.

Every time one of them goes out she has to submit to an infected bath and a complete change of clothing.

Her working clothes are never allowed to leave the compound. These two kennel maids must be the most germ-free girls in England.

Every bit of food given to the dogs is sterilized or boiled. The dogs themselves are pictures of health and good spirits.

"Buckingham New Crop Fine Cut is the best tobacco for cigarettes that I have ever used. It's very mild and satisfying." P. J. Wolfville, N.S. BUCKINGHAM FINE CUT PACKAGES 10c-15c-20c-Also 1/2 lb. Vitepack Tins

Empire Wheat Under Review

OTTAWA, July 22—(By R. K. Carnegie, Canadian Press Staff Writer)—One of the chief tasks of the Imperial economic conference will be deciding what steps shall be taken for maintaining advantages for Empire-grown wheat in the markets of the Motherland.

Since Canada is by far the largest producer of wheat within the Empire, the Imperial conference discussions will be of peculiar interest to this country.

The delegates will find at their disposal a wealth of information on every phase of the wheat market.

During the five years from 1926 to 1930 inclusive, Canada exported an average of 257,963,000 bushels of wheat annually.

Australia's average for the same period was 64,159,000, British India's 7,696,000 and other British countries 357,000.

During that period British countries exported a total of 330,068,000 bushels annually, Canada supplying 78.2 percent, Australia 19.4, British India 2.3 and other British countries 0.1 percent.

This is exclusive of what the United Kingdom re-exported.

During the same five years Britain itself produced 49,261,000 bushels of wheat annually, imported 196,650,000 re-exported 1,572,000, and consumed 244,339,000.

Commonwealth countries exported more than the United Kingdom imported.

With the average annual exports of all British countries except the United Kingdom at 330,000,000 bushels and the average imports into the United Kingdom 196,000,000 bushels, Commonwealth countries will have to find a market for roughly 134,000,000 bushels each year outside the Empire.

They would meet the competition of the foreign wheat which had been kept off the British market.

During their studies it is expected the delegates will make particular use of statistics for the years 1926 to 1930.

Most of the data being prepared for the conference is for this particular term of years. One reason is that it covers a more or less normal span in world conditions including both a boom year and a depressed year.

Then again, the year 1930 is the last for which complete statistics are available for all the countries with which members nations of the Empire trade.

And when it comes to wheat flour, Canada also leads the Empire.

During the five years 1926-30, she exported an annual average of 9,509,000 barrels; Australia 5,109,000; British India, 637,000; British Malaya, 49,000; other British countries 95,000 barrels.

This made a total of 15,399,000 barrels annually, Canada exporting 61.8 percent; Australia 32.2 percent; British India 4.1 percent; British Malaya 0.3 percent; other British countries 0.6 percent.

Lord Sumner And The Parley

(By Thomas T. Champion, Canadian Press Staff Writer) LONDON, July 22.—Viscount Sumner, one of England's greatest jurists until he was overtaken by ill-health, writes in the Saturday Review that for months the word "Ottawa" has represented a "bright vague aspiration, like the cry 'celso!'"

The conference habit is now an old one, says Lord Sumner. Locarno began it. Geneva, in his opinion, is a dreary place now and politically the word connotes "gas."

As for Lausanne, it suggests "hand-some" giving up something you know you cannot get.

Lord Sumner is kinder to Ottawa. "The conference there is at any rate a domestic affair and an amalgamation of peace," he observes.

"Great publicists have acclaimed it is unthinkable Ottawa should fail. Of course it is. Conferences are not allowed to fail; something is always patched up for the delegates to take home—that is the technique of the thing."

The former Lord of Appeal thinks it is improbable Ottawa will be a great success all at once. "Imperial preference," he remarks, "is a sound and indeed indispensable policy, but after the principle come the figures, which is a difficult matter to decide. On the other hand, politically, there should be no real difficulties. We at home had better keep quiet, content to live in hope."

FEAR TROUBLE AT DEER LAKE

ST. JOHN'S, Nfld., July 22—(By the Canadian Press)—Fearing trouble among the workmen at Deer Lake, Hon. K. McK. Brown, Minister of Labor, and Hon. H. A. Winter, K. C., Minister without portfolio, went to Corner Brook recently to confer with W. Abbott, member of the legislature, in regard to the labor situation in the district. Mr. Winter is the government representative on the directors of the International Power and Paper Company. It is reported that a faction of workmen at Deer Lake have threatened to destroy the company's property if certain concessions are not made to them.

EXHIBITION NEWS NOTES

"It is going to be a big success." That is what Secretary J. W. Boulter has to say concerning the 1932 Provincial Exhibition. "Believe it or not" as Ripley says, "we have nearly double as many inquiries for our prize list this year than we have had for several years and mind you, they are coming from all over Canada."

Why, just recently I opened up two letters, one from Vancouver and one from Victoria, B. C., asking for information. Then Nova Scotia and New Brunswick are very much interested. Yes, you can put it down for a fact that we will have the biggest line of exhibits we have ever had and given good weather we will stage the best show that has ever been staged on Prince Edward Island."

Enter now. If you have not received our Provincial Exhibition prize list, send for it right away. Decide on your entries and send them in so as to help us out in our clerical department. We are sure to have a big rush the last few days and we want to be as well prepared as we can to meet it. Address: J. W. Boulter, Secretary, Charlottetown, P. E. I.

For the comfort and convenience of grandstand patrons the practice of vending peanuts, ice-cream, etc., will be again discontinued. A great many complaints have been received from our patrons in the past that just as something interesting was occurring their attention would be distracted by vendors shouting in their ears. Strict orders are given not to allow any vendor in the grandstand this year and they will be carried out to the letter.

In connection with the vaudeville program in front of the Grandstand, one of the features will be Yarro, the Australian sheep dog, a marvelously intelligent canine, who will perform its act in centre field.

Good news for all. The Prince Edward Island officials of the Canadian National Railway have arranged special fares good from all points on Prince Edward Island, leaving Tuesday morning and returning any time up until Thursday afternoon's train, at one first class single fare. This is the best concession that we have had for many years and should mean that many thousands will take advantage of the special excursion rates to our Provincial Exhibition. It is hoped to have trains also held on race days for further convenience of exhibition patrons.

Ontario breeders of cattle are showing their interest in our Provincial Exhibition by numerous inquiries addressed to J. W. Boulter, Secretary.
