Dear sirs,—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to anyone suffering from throat or lung trouble. J. F. VANBUSKIRK. Fredericton.

PHILHARMONIC SOCIETY.

The date of the first concert is set for Thursday 19th inst in the Kindergarten Hall. The program will consist of two parts. Part one miscellaneous, part two the cantata John Gilpin. The music of the latter is a fitting corollary to the humorous words. Asinine brays and leonine roars were used by Mendelssohn in his overture to Midsummer Night's Dream. With such a precedent the composer of John Gilpin has seized his opportunities; come and enjoy them. We want an audience of four hundred. If it is your opinion that we shall be wanting after the concert date at least don't be in the position to say "I told you so."

An English peer, just from college, was to contest a borough in London. His committee begged him not to address a meeting at the docks as the men there were in sympathy with the labor candidate, his opponent. The committee feared he would be treated to eggs whose age could not make them (or their odor) venerable (junius with apologies).

He replied I shall face the music and did so. In some court, sarcastic words his opponent introduced him as "My Lord—and so who deigns to come and see you when you have your Sunday togs on." As his lordship bowed, a be-charred handed, muscular coal heaver yelled out "Does your mother know your oak." Before the audience had time to laugh Lord R. replied, "Yes, and next Tuesday (election day) she'll know I'm in." The roar that went up was good-natured. He saved his odoriferous and by no means vernal offerings and won his election. Thursday 19th inst is the date.

GAINED WEIGHT AND STRENGTH

Winnipeg Man's Experience with Dodd's Dyspepsia Tablets—They Digest the Food, and the Different Parts of the Body Get the Nourishment They Require.

Mr. H. Bailey, of 256 Patrick St., Winnipeg, Man., has been using Dodd's Dyspepsia Tablets, and his experience should be of interest and benefit to all those suffering from stomach troubles. Mr. Bailey says:

"It is with pleasure I speak of the great benefit I have received from the use of Dodd's Dyspepsia Tablets. I have been taking them for the last few months, during which time I have gained in weight eight pounds.

"Before I began to use Dodd's Dyspepsia Tablets no matter what I ate I never seemed to gain much strength or put on much flesh. But with using the Tablets I think my food was properly digested and gave me flesh and strength."

Mr. Bailey figured the matter out exactly right. If the food is not properly digested the different parts of the body do not get the nourishment they require. They become starved and weak. Dodd's Dyspepsia Tablets digest the food and make the body strong and hearty.

CARD OF THANKS.

The Hall Committee at Kelly's Cross hereby return their sincere thanks to all who in any way contributed to make the first entertainment in their new hall on Wednesday, Nov. 4th, such a success. For generous patronage on this, as indeed on every such occasion, the committee are under a debt of gratitude to the residents of Hampton, Victoria, Tryon, Crapanod, Emerald, Kinkora and Wiltshire; to the ladies and gentlemen who contributed towards the musical and literary specialties between the acts of the play; but especially the thanks of these who took part in the play are tendered Mr. W. J. Brown of Reddin Bros., for his valuable aid and timely suggestions in preparing the drama for presentation. M. A. SMITH, Secretary Com.

Let others experiment and so risk health and lose time.
