Do You Feel That Way?

How provoking these symptoms are! How they fret you, when you awaken in the morning, and find your head aching, your eyes sore, and your stomach full of bile!

Instead of being alert, having quickness of apprehension, there is languor, dullness, a disinclination to do things, and a feeling of depression.

Lazy liver, lazy kidneys, and a mighty lack of tone in the system, are the causes of this. Note the consequence—blood is filled with wastes—poisons weigh down the nervous system—rebuilding processes are absolutely stopped.

You'll note an instant change when you take Ferrazone.

Appetite improves, digestion becomes good as ever—skin grows ruddy and clear, all sense of languor, uneasiness and depression fades away and finally disappears.

Ferrone clarifies the brain, supplies tone and vigor, imparts clearness and strength. You feel like a new person, and you are able to do things that you thought you were unable to do.

Think it over. Ferrone is a tonic that uplifts, invigorates, that nourishes and restores the weak by supplying the elements their weakened system need.

It can't help but do you good. For men, women and children, in fact anyone suffering with any of the above symptoms, is invaluable; try it, sold by all druggists in 50c boxes.

Synopsis of Canadian North-West HOMESTEAD REGULATIONS.

ANY one numbered section of Dominion Land in Manitoba, Saskatchewan and Alberta, excepting 8 and 28, not reserved may be homesteaded by any person who is the sole head of a family, or any male over 18 year of age, to the extent of one-quarter section less 8, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Subagency for the district in which the land is situated. Entry by proxy may however be made at an agency on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:

- (1) At least six months' residence upon and cultivation of the land in each year for three years.
- (2) A homesteader may, if he so desire perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.
- (3) If the father (or mother, if the father is deceased) of homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity such homesteader may perform his own residence duties by living with that person.
- (4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than five miles by a direct line, exclusive of a highway or road allowances crossed in the measurement.
- (5) A homesteader intending to perform his residence duties in accordance with the above provisions must notify the agent for the district of such intention.
- (6) Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for a patent.

Deposits of the minister of the Interior, N. B. - Unavailable. Substitution of the act of Parliament will not be paid for.

Card

January 3rd, 1908

To the Electors of Ward Four.
At the request of a large number of the Electors of Ward Four I have consented to again offer as a candidate at the coming civic election. I wish to take this opportunity of again asking for support, as it will be impossible to make a personal canvass of the ward. If again elected I will in future as in the past do my best in the interest of the City generally and especially for ward four.

Signed,
D. STEWART
