

Our good name!

When you buy Maple Buds, look at a few to make sure that the name "Cowan" is stamped on the back of every piece. This name is your assurance of quality. It is put there so that you can distinguish the genuine rich, pure Maple Buds from the many cheap imitations that flood the market.

Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine, easily prepared, and saves about \$2.

If you have a severe cough or chest cold accompanied with a sore throat, tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with cough and want quick help try this reliable old home-made cough remedy. Any drugist can supply you with 2½ ounces of Pinex. Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup instead of sugar syrup if desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief. Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

ITCHY ECZEMA ON ARMS

In Pimples, Could Not Sleep. Cuticura Heals.

"My trouble began with eczema which broke out in pimples and spread rapidly. It affected my arms from the elbows to the tips of my fingers. I could not put my hands in water, they itched and burned so, and I could not do my regular work. I could not sleep on account of the irritation.

The doctor advised me to use Cuticura Soap and Ointment and in two weeks I was completely healed, after using one and a half cakes of Soap and one box of Ointment." (Signed) Miss Sylvia B. May, Marshfield, Vt., June 6, 1923.

Cuticura Soap, Ointment and Talcum promote and maintain skin purity, skin comfort and skin health when used as directed.
