PAIN IN THE BACK.

Makes life miserable for many. Can it be cured? Yes in a night. Nervinase gives a complete knockout to pain in the back because it is stronger more penetrating more highly pain-subduing than any other remedy extant. One drop of Nervinase has more power over pain than five drops of any other remedy and is in true strength you want when you've got a pain. Your money back if it is not so. Druggists sell Nervinase.

PUTNAM'S CORN EXTRACTOR.

Doesn't lay a man up for a week but quietly and surely goes on doing its work, and nothing is known of the operation till the corn is shelled. Plenty of substitutes do this. Some of them are dangerous, no danger from Putnam's except to the corn. At all druggists.
