BORN

NEWSON—At Amherst Cottage, Rocky Point, on Jan. 24, 1913, to Charles and Mrs. Newson, a daughter. Congratulations.

MARRIED

BRYANTON-RODD—On Tuesday, Jan. 21st, 1913, by Rev. E.A. Westmoreland, Reginald L. Bryanton to Beatie E. Rodd, both of Brackley Pt. Road, P.E.I.

STOCK NOTE.

A horse transfer of more than ordinary interest was made Saturday when Prince Marjor, the handsome three year old, was sold by D. A. McKinnon to J. H. G. Murphy of this city. Prince Marjor was bred at the world famous Walnut Hill Farm, Donerail, Ky., and was bought at the Midwinter Sale of 1912 for Mr. McKinnon. He was one of the finest colts ever brought here being capable of stepping a 30 clip as a two year old. He unfortunately was sick during last summer and his training had to be stopped, he has now regained his wonted vigor and was greatly admired by the horsemen who saw him Saturday. The breeding of Prince Marjor cannot be excelled. He is a son of the great Moko, the sire of numerous winners and his dam is by Sidney Dillon, the sire of Lou Dillon, 1.583, etc. His 3rd, 4th and 5th dams are among the choicest bred in the catalog of the trotting world. Mr. Murphy is to be congratulated on owning such a handsome, well bred and desirable stock horse.

Old Age Deferred

BOHO FROM THE MEDICO-LEGAL SOCIETY.

A few generations back a man at 50 was considered old, gray-bearded, and waiting for death. Note the change today; at a meeting of the Medico-Legal Society it was stated that a man of 50 ought to have forty good years ahead of him and, thus at ninety be in the fulness of maturity.

What if you have seen sixty, or even seventy birthdays—temperate habits, fresh air and exercise, with a simple diet and a sufficient amount of sleep will guard your health.

If perchance, your circulation is poor, if you become run down—weak and no appetite—nothing in the world will tone up those tired back-sliding organs—enrich the blood and create strength—so quickly as our delicious cod liver and iron tonic Vinol.

We ask every feeble, discouraged old person in this vicinity to try Vinol on our agreement to return their money if it fails to give satisfaction. E. A. Foster, Central Drugstore, Charlottetown, P. E. I.

THE CENTRAL GUARDIAN

IT PAYS to buy in this Province.

CARNIVAL.—The first Carnival of the season will be held in the Arena tomorrow evening.

LECTURE.—Rev. G. M. Young will lecture in "Hearts Memorial" Thursday 30th. The subject will be The Predicaments of a Parson.

WINTER SPORTS.—On Saturday afternoon a large number of young people, and some older ones, too, wended their way down Prince Street to the ice and enjoyed an afternoon of rare sport. The weather was delightful and the ice all that could be desired for skating, while ice-boating was indulged in most heartily and several very fast spins were made up and down the river.

TIGHT LITTLE ISLAND.—The manager of the Bank of Commerce at Halifax, commenting on conditions in the Maritime Provinces, says: "Prince Edward Island has saving deposits of about \$10,000,000 and is per capita, probably the richest rural community in the Dominion, says the Montreal Gazette. It would seem from this that it is a favored land, the people can grow in comfort and contentment without worrying that their numbers stand still."

GROWING CHURCH.—Central Presbyterian Church, Hamilton, Rev. W. H. Sedgwick, minister, held its annual meeting on the evening of January 18th. The reports presented showed great activity and encouraging growth in all departments of Church work. During the year, 17 were added to the membership, which now stands at six hundred and seventy-five. The total receipts for the year were \$26,449.03, of which ten thousand four hundred and twenty dollars, was for missionary, educational and benevolent funds. The Manager's statement showed a surplus on current account of \$1,115.36, while the funds are in sight for reducing the mortgage indebtedness amounting to twenty thousand dollars. The congregational contributions for the Budget showed an increase for the year of over fifty per cent. A fine spirit pervades the congregation and the outlook is full of promise for good service for the Kingdom of Christ.—Rev. Mr. Sedgwick was a one time pastor of Zion Church, Charlottetown.

FORMERLY OF CAVENDISH.—Springdale congregation, Upper Stoviacke, Dr. W. P. Archibald, minister, held its annual meeting on the evening of December 31st, according to the Presbyterian Witness. The night was fine, and the attendance large. The spirit of unity and enthusiasm characterized all the proceedings. After devotional exercises, conducted by the pastor, who was in the chair, the business of the congregation was taken up. The financial condition was found to be satisfactory, showing a balance to credit, after all obligations to the past had been fully and promptly met, and other items of current expenditure provided for. The contribution for missions for the year were: by the congregation three hundred and eighty dollars; by Sunday School sixty-five dollars; by W. F. M. S. seventy-one dollars; by Mission Bands twenty dollars. In addition thirty-two dollars was given to the Bible Society and thirty-one dollars to the N. S. Temperance Alliance. During the year a new furnace has been put in the manse, and the heating apparatus of the church improved, adding greatly to the comfort of both. After luncheon was served by the ladies, who were present in force, and a pleasant time spent in social conversation, another successful meeting was brought to a close with prayer and the benediction by the pastor.—Rev. Dr. Archibald was formerly stationed at Cavendish.

THE MORWENNA.—The Black Diamond liner Morwenna arrived from Sydney to the Dominion Coal Company, on Thursday, says a Halifax exchange, with a cargo of coal. The Morwenna is an excellently equipped passenger boat, with all modern improvements, including wireless, She covers a service between Montreal, Quebec and St. John's, Nfld., and Charlottetown, during the summer and enters the coal trade in the winter.—The Morwenna is well known in this port and some of the officers were formerly of Charlottetown.

MASQUERADE SOCIAL.—The second year students of P. W. College, Charlottetown, entertained the Third year students at a masquerade social in Y. M. C. A. Hall Saturday evening. A program was rendered consisting of choruses, quartets, readings and games, all in masquerade costume and all exceedingly interesting and enjoyable. Prizes were awarded for best costumes to Miss Jennie Norton, dressed as a princess, Miss Florence Brydges, as an old lady, Colin McDonald, as a cavalier, Guyler McKennie dressed as a negro, secured the prize for the most ridiculous costume, his reward being a handsome rattle. Refreshments were served when the masks were removed and the usual revelations ensued. The whole affair was voted a most enjoyable one.

THE PEOPLE'S THEATRE.—One of the most largest and appreciative audiences crowded into the popular Picture Theatre, Charlottetown, Friday and Saturday evenings to witness the splendid program Mr. Hogg arranged. The "Lighthouse of Cuddletown," was without a doubt one of the funniest side splitters that was shown for a good while. The other comedy picture "Brown's Have Visitors" was another laughable photograph. The program ended with those educational views of the latest shown by the famous Gaiety Weekly. It would do not to mention Mr. Ritzius, the popular baritone, who sang two very clever songs. One of the numbers called "Row, Row, Row," is at present a Broadway success being sung by all the leading comedians in New York, although it was the famous ballad called "Dreaming of You" that displayed the beautiful quality of Mr. Ritzius' baritone voice. The music throughout the whole program was splendidly arranged by Mrs. Tomlins, who always plays the right piece at the right moment. The People's Theatre is certainly one of the most advanced and up-to-date Photo-Play houses in the Province as Mr. Hogg is always on the lookout for the very latest in the Motion Picture world.

THINGS ARE BOOMING.—In the current issue of the Royal Gazette there are notices of application for the incorporation of three joint stock companies and also a notice announcing the incorporation of a Finance and Realty Company. Of the three first mentioned one is an oyster culture company of which Leslie D. McNutt, Thomas McNutt, Malpeque, and Howard R. Hinson, Charlottetown, are the Provisional Directors. This company has acquired 180 acres of barren bottom in Richmond Bay and is capitalized at \$60,000. The intention is to begin operations during the coming summer. The Guardian understands that the stock is being rapidly taken up. Of the others, the Tignish Silver Black Fox Company, Limited, is capitalized at \$40,000, and is being promoted by Senator Murphy, J. A. Hackett and Dr. J. A. Johnston, Tignish, and others. The Englewood Silver Fox Company, Limited, capitalized at \$99,000, promoted by W. H. Mayne, Springfield, Geo. H. Mayne, Emerald, John E. Sinclair, Springfield, and others. Letters Patent have been issued for the incorporation of the "P. E. Island Fox Exchange and Realty Co. Ltd.," of which mention was made in a former issue of The Guardian. These "straws" show how the wind is blowing at present in Prince Edward Island. The oyster business which is now one of the biggest things of the horizon is already booming and, with Richmond Bay to back it, will unquestionably be one of the biggest things the province has known.

WANTED TO MARRY FOR A YEAR.

ELWOOD CITY, Pa., Jan. 15.—Katherine Scollitic and Erich Stopinski caused surprise in the marriage licence office at Newcastle, the county seat, today when they applied for a license to be married for one year only. The clerk asked the young woman's reason for seeking but one year of marital bliss, and she coolly informed him that she had a husband in Russia who would come to this country a year hence, and if she found on his arrival that she loved him she would return to him. The young woman was much chagrined to learn that a license could not be issued on such conditions.

In the course of the fight a Greek shell exploded inside one of the Turkish battleships, Torgut Reis, killing or wounding every man in it and disabling both of the 11-inch guns.

Severe damage also was inflicted by the Greek projectiles on the Turkish battleship Assa-T-Teyfik.

The Turkish gunners declare that they inflicted important losses on the Greeks.

YOUNG BIGAMIST HAS HOODOO DAY.

TORONTO, January 23.—"A bigamist at twenty! You have done pretty fair, pretty fair," was the reflection of Magistrate Denison yesterday regarding Ernest Boyd Burleigh, a youth brought from the Central Prison to confess that he committed bigamy by marrying Mattie Badgely on August 7, seventh.

Burleigh had married Stella Lillian Gilbert in Calgary early in the summer.

Burleigh happened to be in the Central because he began a get-rich-quick scheme in Calgary about the same time. He was selling Calgary lots, which he did not own, to widows, farmers, and others not skilled in western conditions and had still two months of his term to serve when the Toronto wife complained to the Morality Department, asking release.

"This person," Crown Attorney Hughes said, "is dangerous, mentally. I think he should be put away for a long time."

The magistrate agreed to the extent of three years in the penitentiary. Burleigh smiled grimly and had but one comment: "I guess Wednesday is my hoodoo day. Detective Miller arrested me on a Wednesday."

Y., Jan. 23.—A brick building at Saxon and Jay streets in course of construction as a moving picture theatre collapsed today and burned eight men in the debris, including the superintendent of construction. Six of the men were taken to a hospital, where it is said their injuries are serious.

KINGHALL FAVORS A PACIFIC FLEET

WELLINGTON, N. Z., Jan. 23.—In consequence of the public utterances of so great an authority as Admiral Kinghall favoring a Pacific fleet, "comprised of divisions from the Dominions whose shores were washed by that ocean," the Hon. Premier emphasizes the position.

"New Zealand," he declares, "as the southern dominion, stands straight for the principle of a British fleet in the Pacific under Imperial control," and adds:—"If a call should come, and I anticipate it, New Zealand would be ready."

This May Hit You

Your success depends more on what you do than who you are. That's the American of it. With a clear brain, steady nerves and a sound body, all things are possible. If coffee fogs your brain and shakes your nerves, isn't it "good business" to quit coffee and use—
