

Your Boy

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Ayer's Sarsaparilla is a strong tonic, entirely free from alcohol.

No stimulation. No alcohol habit. Ask your doctor about Ayer's Sarsaparilla as a tonic for the young. J. C. Ayer & Co., Lowell, Mass.
