

SPORT SHOES WITH SPORT CLOTHES

That's the vogue, this year - to have one's shoes in harmony with the sport suit, or outing skirt and sweater.

SUMMER SHOES

are the most complete line of summer footwear ever made. The Fleet Foot trademark goes on shoes for every summer need - for work and play - for men, women and children.

Ask your dealer to show you the Fleet Foot line - you'll find exactly what you want - and the prices are a half, a third and even less, than equally attractive leather boots would cost.

SPLENDID RESULTS - The Hunter River Red Cross Society, has had collectors just complete a house to house canvass, soliciting funds to carry on the splendid work it has been doing since organized almost three years ago. It is also indebted to the New Glasgow Dramatic Club, who, during the same week, gave to the Society the net proceeds of a splendid play upwards of two hundred (\$200.00) dollars is the result of the Society's special effort.

Spare the children from suffering from worm by using Miller's Worm Powders, the most effective vermifuge that can be got with which to combat these insidious foes of the young and helpless. There is nothing that excels this preparation as a worm destroyer, and when its qualities become known in a household no other will be used. The medicine acts by itself requiring no purgative to assist it, and so thoroughly that nothing more is desired.
